**THE CITY COUNCIL FOR  
1916 FLICKERS OUT.**

After a month's intermission the old council met Wednesday evening—Monday and Tuesday being holidays—to close up unfinished business.

Chairman Mansell, of the street committee, submitted as their report the opinion of City Attorney Stanley on the option of J. A. Collier to the city for a bridge right of way. In this written opinion Mr. Stanley says that according to court decisions a deed to the city which attempted to exempt lots from street improvement taxes would be void and that as the limit of indebtedness for Coquille has been reached, there appeared to be no way by which the city could assume the improvement tax as contemplated in Mr. Collier's option. No action was taken by the council but it appears that the legal obstructions will negate the acceptance of the option by the city.

As the city of Coquille must provide a right of way for the bridge before next November if it is to secure the three year's annual appropriation of \$10,000 from the county for a bridge it is now up to the city to try another tack.

Marshal Epperson reported that the cost of the repairs on First street was \$137.84 with one small bill yet to be rendered. This will be pro rated among the lots on that street whose owners have agreed to pay the expense in cash.

The monthly report of Fire Chief Anderson was read and filed and all OK'd bills were allowed.

A. B. Gidley, of Marshfield, requested payments on warrants held by Moon & Gidley, for street improvement work done last year. It is expected to take care of this as soon as the Ashton lots on Henry street, which have occasioned the delay, have either been sold by the city to pay their portion of the expense, or a new owner liquidates the amount of the city's claim.

Mr. Gidley also said if it was desired to place a bituminous rock covering on the concrete base on Second street, his company could lay it for not to exceed \$1.25 a square yard if ordered within six weeks and it might be for less. Or they would do it at force account plus six per cent. The question of covering these few blocks was left for Mr. Mansell to take up with the property owners, most of whom will have to pay for it in cash if it is done—the property being bonded for the original improvement.

No other business appearing, Mr. Sanford, who has just ended a service of four years as councilman, moved to adjourn sine die. Mayor Johnson speeded the departing councilmen—Sanford and Noles—with words of appreciation for their good work the past year.

**Lew A. Cates to Join Colors.**

Harry Craine, of Bandon, who has been attending the journalism department of the University of Oregon has taken a position as editor of the Dallas Observer. Lew Cates, formerly of Coquille, owns the paper but he has entered the U. S. Army and will leave in a few days—Times.

It is not stated how Mr. Cates who is nearing 60 years of age was able to enter the army.

Call on us for Stationery.

**SERVICE FOR FARM BOYS.**

Members of Pig Clubs Are Junior "Soldiers of the Commissary."

The farm herd of swine offers a splendid opportunity for farm boys to help their country. Too young to enlist in the Army or Navy, too small to stand up under the hard work of a farm hand, they can help to win the war by taking over responsibility for lighter work, and so relieve men for the harder work. By taking charge of the hogs on the farms boys will be helping to solve the farm-labor problem. They will be helping to produce a very important food for the men in the Army and Navy.

Boys taking charge of the farm herd should join a pig club. Pig-club members have already proved their ability as hog raisers. They can extend their work. A member of the pig club receives valuable instructions from trained and experienced leaders. A pig-club member publicly enlists as a junior "soldier of the commissary." Fathers will have more faith in their boys if they are pig-club members, and will be readier to make them partners and put them in charge of the farm herd. A pig-club boy means business. He keeps records and shows just what it costs to produce a pound of pork. Records help to correct mistakes. They make raising hogs a business proposition.

A boy can do much with the farm herd. Very little work will be needed that he can not do. With such careful attention as a boy gives, the pigs thrive better. Sanitation is improved and the diseases lessened. The instructions to a pig-club member are valuable and practical and help to produce more profits. Boys wishing to join a pig club and take charge of the farm herd should see the county agent, or write to their State College of Agriculture, or the United States Department of Agriculture.

**Jack Hultin Badly Wounded.**

At Bandon Sunday morning about 3 o'clock while Night Officer Alex Erickson was attempting to arrest Chet Carmichael for drunkenness, Jack Hultin, who runs a logging camp at Beaver Hill, interfered and the officer struck him with his club. Hultin, who is a big man, took the club away from the officer and knocked him down with it. Various reports are made as to what happened, but it is said that Hultin was belaboring the officer when the latter drew his gun and fired three times, one shot taking effect. The bullet struck the femur bone in the right leg, shattering it. Dr. Leep was summoned at once but no attempt to probe for the bullet was made until yesterday, when Dr. Hamilton assisted the Bandon physician in extracting the bullet and setting the fracture. Hultin is resting easier now and will probably be all right again in a few weeks.

During the shooting Carmichael escaped and getting his horse started for home, but while rounding a corner was thrown off and suffered a broken leg.

It is reported that Erickson is not on the force now, but whether the withdrawal was voluntary or by request is not known here.

**THE NEW COUNCIL**

Old Officers are Reappointed Except Treasurer, Deputy Marshal and Physician.

The new council, not one of whom has served more than one year in the past five, was called to order by Mayor Johnson at nine o'clock, Messrs. Barrow and Miller taking the chairs vacated by Noles and Sanford.

The first business was the approving of Recorder Lawrence's bond for \$1,000 with L. Harlocker and Geo. T. Moulton as sureties.

M. O. Hawkins and W. H. Mansell were nominated for chairman of the board, but Mr. Mansell declined and Mr. Hawkins was elected unanimously.

On motion by Mr. Mansell the salaries of city officials were made the same as last year, viz:

Recorder, \$85 per month; City attorney, \$50; Marshal, \$70; Deputy Marshal, \$65; Night Marshal, \$70; Fire Chief, \$6; Treasurer, \$200 per annum; Health Officer, not less than \$10 per annum.

Mayor Johnson then announced his appointments, which were approved by the council as follows:

City Treasurer—O. C. Sanford.  
City Attorney—J. J. Stanley.  
Marshal and Water Superintendent—S. V. Epperson.  
Deputy Marshal—Dayne Hudson.  
Night Marshal—J. A. Jackson.  
Health Officer—Dr. Jas. Richmond.  
Fire Chief—H. O. Anderson.

The bond of the treasurer was fixed at \$1,000; that of the marshal at \$500; and those of the two deputies at \$250. Mr. Sanford submitted his bond with L. H. Hazard and A. J. Sherwood as sureties and it was approved.

The Coquille Valley Sentinel was made the official city paper at the same price—4 cents per line—as has been paid for the past four or five years.

Mayor Johnson then announced the committee appointments:

Ordinance—Barrow, Hawkins, Lorenz.

Finance—Hawkins, Lorenz, Mansell.

Street—Mansell, Barrow, Gardner.

Fire—Miller, Gardner, Mansell.

Water—Gardner, Hawkins, Miller.

Lights—Lorenz, Miller, Barrow.

It was decided to follow the same plan as for the past year—that no bills be paid until approved by the Finance committee.

This completed the organization of the new body and then followed a session of felicitations, acknowledgment of appreciation, etc.

Mr. Hawkins said that he had enjoyed the work of and working with the former councilmen—Sanford and Noles—and moved that they be extended a vote of thanks and appreciation, which was voted unanimously. In putting the motion, Mayor Johnson said that one main reason he had for making a change in the office of city treasurer was the faithful, high order of service rendered by Mr. Sanford for several years, and he thought he had earned recognition by the city of a more substantial nature than the mere honor of holding office.

Recorder Lawrence also thanked Mr. Sanford for the assistance he had given in various matters of city business and Mr. Sanford fittingly expressed his sincere appreciation of the sentiment shown by the council, mayor and recorder, and volunteered his services to the new council in any way in which he could help in the consideration of old matters of city affairs.

The newly elected councilmen all made short talks, expressing their desires to work for the best interests of the city.

The mayor called on Leo J. Cary—"the sage of Front street"—and a former councilman. Mr. Cary said he hadn't missed the first session of a city council for four years and didn't want to slight this one was the reason for his presence. He then asked for information about the First street case which had been finally decided that day by Judge Coke. In order to secure the information it was decided to adjourn till next Tuesday at 7:30 p. m., when the First street property owners, the attorneys and the council would meet for an amicable adjustment of the minor points left by the judge's decision for settlement.

Before adjournment W. J. Longsten asked for and received permission to proceed with the work and finish his contract for the improvements in the east part of town, subject to the supervision and direction of the street committee.

Take that sick car to A. A. Paul, Coquille Garage. Satisfaction guaranteed.

Could anyone fool you on a Rose  
—with your eyes blindfolded?

Of course not—

**"Your Nose Knows"**

By its fragrance alone does the rose makes its universal appeal. Nor can anyone fool you on tobacco either if you rely on your unerring, personal sense of pure fragrance. Tobacco without a definite pure fragrance is like a rose without perfume—"Your Nose Knows."

But

**Tuxedo**  
The Perfect Tobacco for Pipe and Cigarette

is the rose of tobaccos. Its rich, ripe Burley leaves, grown in the "Blue Grass" region of Old Kentucky, are so carefully aged and blended that its pure fragrance is as individual, as appealing as the rose—"Your Nose Knows."

Try this Test: Rub a little Tuxedo briskly in the palm of your hand to bring out its full aroma. Then smell it deep—its delicious, pure fragrance will convince you. Try this test with any other tobacco and we will let Tuxedo stand or fall on your judgment—

"Your Nose Knows"

As suggested by  
The American Smokers

**SPECIAL NOTICE**

Proposals Invited.
