CRYING FOR HELP.

Lots of it in Cottage Grove but Daily Growing Less.

The kidneys cry for help.

Not an organ in the whole body so delicately constructed.

Not one so important to health.

The kidneys are the filters of the blood. When they fail the blood becomes foul and poisonous.

There can be no health where there is poisoned blood.

Backache is one of the first indications of kidney trouble.

It is the kidney's cry for help. Heed it.

Doan's Kidney Pills are what is wanted.

Are just what overworked kidneys need.

They strengthen and invigorate the kidneys; help them to do their work;

never fail to cure any case of kidney disease.

Mrs. C. P. Spencer, 458 N. Rose street, Roseburg, Ore., says: "While living in Canon City, Colo., I publicly recommended Doan's Kidney Pills and now I willingly confirm that statement. This remedy gave me prompt relief from kidney trouble and I feel that I cannot praise it too highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
