THUGS AT EUGENE.

and Thugs.

Eugene has been having considerable and purse-snatchers.

Mrs. Minnie Frank was the victim

of a purse-snatcher Tuesday night and is loser of \$25 in money and some rings that she valued very highly.

Mrs. Frank was walking along West per about 10 minutes before seven and contents were a total loss. It was catch up with them. When they must have been from overhead, as the reached a piont near the store building Mr. Gillispie discovered the flames. at the corner of Washington street, they saw two men ahead of them. As they passed one of the men grabbed nothing could be done to stop the pro-Mrs. Frank's purse which she was gress of the flames. carrying with her. Mrs. Frank caught one of them by the coat tail, but he pulled away and they disappeared in the darkness.

Mrs. Frank and Mrs. Harper ran into a nearby house and telephoned for the police, who were soon on the scene, and an investigation was aged 71 years, 2 months and 7 days. started. Later Sheriff Bown was noti-

Two hours after the holdup Sheriff Bown and Deputy Sheriff Croner noticed two suspicious looking characters on the street and they were followed to the S. P. depot just before the

south-bound nine o'clock train arrived. The men, who proved to be quite young, little more than boys, were searched and \$15 in gold, the amount taken from Mrs. Frank's purse, was If it's a rush job of printing, the had you enjoyed no reception, as did any town of 5000 could point to with The physician might relapse into a above statements are of peculiar local found in the pockets of one of them. Sentinel will get it out for you on time. the visiting team-more could be said pride.

They were brought down town by the officers and Mrs. Frank sent for. She positively declared that they were not the men who took her purse and they WEATHER FORECASTS FOR 1912 ditions it is no wonder that the former were released. Mrs. Harper, however, when given a description of the men whom the officers searched, said the OREGON description tallied very well with the Sun Will Not Be Visible at All from thieves, but they were already out of

NO SUNSHINE FOR 1912 but to the observing person it is all ready too well known.

ARE VERY GLOOMY.

January First to July Third.

The weather department of the U. S. government has sent out the most gloomy forecast for Oregon weather for next year in the history of the service. The year will be a dark one. The sun will not be visible at all from January 1st until July 3rd. It will shine four hours on the Fourth of July. This must be a fake, but there is no doubt but that Armstrong & Dean have the finest display of photos and photo goods ever brought to the city. You'll regret it if you do not call and inspect them. They have some calendars, one of which goes with each order of \$6.00
