O.A.C. SHORT COURSES

BEGIN JAN. 3, CONTINUE FOUR WEEKS

YOU ARE INVITED

Every citizen of Oregon is cordially invited to attend the short courses of the Oregon Agricultural College, beginning January 3. Eleven distinctive courses will be offered in Agriculture, Mechanic Arts, Domestic Science and Art, Commerce, Forestry and Music. Every course is designed to HELP the student in his daily work. Make this a pleasant and profitable winter outing. No tuition. Reasonable accommodations. For beautiful illustrated bulletin, address H. M. TENNANT, Registrar, Corvallis, Oregon.

FARMER'S BUSINESS COURSE BY CORRESPONDENCE

Half of the joy of Christmas giving, comes from knowing that a gift is of some permanent value—not a bauble to be discarded after the novelty has worn off—not a plaything for a baby. Of course, the little ones must have their rattles and dolls, but to older ones you wish to give a permanent remembrance. How would it strike you to give that boy of yours a printing press that will do just as good work as any one the Sentinel is using? Can you afford to spend \$25 to give him such a press and type enough to do job work with? If so, the SENTINEL can fix you out.
