It's testimony from this locality twice-told and well confirmed.

Such endorsements are unique in the annals of medicine.

Should convince the most skeptical Cottage Grove reader.

L. Matthews, 813 Short St., Roseburg, Ore., says: "I am glad to confirm my former endorsement of Doan's Kidney Pills. For several years I was troubled by backache and other symptoms of kidney complaint and all my efforts for relief were unavailing until I procured Doan's Kidney Pills. An injury was the cause of the trouble. Being favorably impressed by several public statements given in favor of Doan's Kidney Pills, I procured a box and commenced their use. This remedy strengthened my kidneys and toned up my entire system. I consider Doan's Kidney Pills the best remedy to be had for the kidneys."

Road In Bad Condition.

Cottage Grove, Ore., Dec. 21, 1911.

Editor Sentinel:

Dear Sir: I desire to call public attention to the condition of the county road northwest from Wall street up Silk creek and over the divide to Lorane.

This is one of the most important thoroughfares to this city, as this is the market for the Lorane country.

The crushed rock is fast disappearing, and many places are disgraceful to the country.

This is no reflection on the supervisor, as no work was permitted to be done last year.

Those coming from the west with means to buy homes, and who see the roads and public enterprise of Klamath and other younger countries, must think that we are either selfish or hard run.

We need a rock crusher on this line of road all summer. Who will petition for it?
