COFFEE FOR TWO.

As yet it's a table just for two,
A plate for me and a plate for Sue—
My bride and I.
White as her heart is the cloth between,
Bright as her eyes the silver's sheen;
And I gaze and try
To understand and to calculate
Why I have won so much from Fate,
As she who gazes with eyes of blue
Across the table set for two.
Fragrance of flow'ret in her breast,
Whiff from the urn; now, which is best?
I scarcely know!
Sweet is the scent of the double rose,
But oh, that sniff from the urn's bright nose
Is surely so.
And smiles seem dearer and lips more sweet
When seen through the shimmer of fragrant
heat
From CHASE & SANBORN'S perfect brew
Above our table set for two.
For Sale by A. Brund & Co.
