street a few times, a bass drum being used to attract attention to the cavalcade. The party repaired to The Wave, where drinks were served, the victims being given a concoction consisting of beef tea, coco-cola, salt and other ingredients mixed into a cocktail. When they expressed a dislike to the drink they were informed that it was not what they wanted but what they got that did them good. Following this performance, Smith was taken to the Eakin residence, where he was tied to the doorknob and the door bell rung. Screams from the young lady who answered the alarm were soon quieted by those in the house who were wise to the game and the same performance was gone through with Adams at the Job residence, after which the boys were taken to the Commercial club and from there to the Kinter home, where refreshments were served and the backsliders from the Bachelor's club given a shower of socks and miscellaneous articles.

Following are the placards that were used:

On Smith: "7701 Salem," "Taming the Shrew's Partner, a la mode 1912." "I am Roy Smith and Tamed to Obey Orders," "Sold Out."

On Adams: "7700 Salem," "I Married Life Anything Like This?" "Whither Bound Are We?" "Bought at a Bargain," "I am Chas. Adams and Tamed to Obey Orders."

The victims took the entire performance in good part and everyone had a jolly time. Those who gave the party were Messrs. Harry Kinter, Worth Harvey, M. Anderson, Ren Sanford, Harry Short, Ray Trask, Ernest Wyatt.

ENTERTAINMENT IS A NOVELTY

METHODIST MEN MAKE GOOD AS ENTERTAINERS.

In Impersonating Feminine Characters They Make a Hit.—Mock Trial Proves Clever Burlesque.

In clever novelties the men of the Methodist church, assisted by a few outsiders, made good in their entertainment Friday night before a large audience, which would have been much larger but for the stormy weather.

A musical skit was the first number of the entertainment. The performers were dressed in representation of different old time songs, which they sung. Lloyd Bisby as "The Golden Hair Among the Gray," and dressed in feminine apparel, was too demure and bashful for anything. Little Miss Velma Hart received a hearty appreciation.

Ren Sanford in a funny pantomime monologue made a hit.

The mock trial was a clever comedy, the make-ups making a hit from the start. Ren Sanford as the strong-minded woman and Sam Mackin as the Widow Smythe were in it all the time. A comical occurrence was the stuttering man's attempt to make the hair-pinned man shut up.

Martin Anderson as one of the attorneys brought tears to the eyes of the

spectators, but came nearly being out-classed by Pat Beamer as opposing counsel.

G. F. King, as editor of the Weekly Creeper, was not as aggressive as he is as editor of The Goat.

Chas. Wilkinson made good as the negro parson.

Following is a list of the characters and by whom taken. All deserve special mention:

front of the pedestal is the seal of the state of Oregon and at the back the seal of the National Rifle Association of America. The cup was designed and executed by Bailey, Banks & Biddle company of Philadelphia and represents the highest workmanship.

The state trophy was won by Company E, Fourth Infantry, now the Fifth company, Coast Artillery Reserves of Cottage Grove, at the annual rifle competition held last July at Clackamas, Ore.

The Cottage Grove company will be entitled to hold the cup until the next annual competition, to be held in July. It will then be obliged to compete for the trophy with the teams from the various other National Guard companies, but Capt.
