MAYOR DEFENDS HIS ACTION

OTHER PEOPLE IN CITY BESIDES REMONSTRATORS, HE SAYS.

No Way to Recall License, Which Was Passed Without Dissenting Vote.—No Excuses to Offer.

(Continued from first page.)

In regard to calling a special meeting of the council, I know that a remonstrance had been circulated but I had not seen one, nor was I personally interviewed by a remonstrator in regard to the license. Late Sunday evening I was called on the phone by Mr. Mason, I believe, who asked if I was going to call a special meeting of the council for Monday night. I answered that I couldn't see any necessity, as the circus was not due until the 26th of May, there would be plenty of time, and positively declined to call a special meeting.

In regard to the remonstrance, The Leader gives the number of signers as 265. Everyone knows that in the case of a petition or remonstrance a great many sign simply to get rid of the circulator, I have been told by a number that signed was the case with them. In regard to the opinion of the attorney general, that there is a state law prohibiting shows on Sunday. With their usual regard for the truth and fairness, they neglect to state that the courts have held that the law is class legislation and consequently unconstitutional.

I would respectfully remind the remonstrators that there are other people in Cottage Grove that the council represents. Personally I would prefer to have the circus on a week day.

In conclusion, I have no apology to make or excuse to offer and I stand by the action of the council. Respectfully, W. H. ABRAMS, Mayor.

At their cottage home on West Main Avenue Tuesday evening, Mr. and Mrs. Geo. Brown entertained about thirty-six of their friends, the evening was spent with games and music. MAYOR REFUSES TO CALL SPECIAL MEETING.

Those in Charge of Affairs Determined to Fight to End; Will Talk to Council Regular Meeting Night.

(Continued from first page.)

Following is the first resolution passed and signed by 265 citizens:

"To the Honorable Mayor and City Council: We, the undersigned citizens of Cottage Grove, have learned that a license has been granted by your honorable body for a circus in Cottage Grove on Sunday, May 26, 1912, and feeling that a circus exhibition on Sunday would be disastrous to the good name of our city, and injurious to the best interest of the community; we do hereby respectfully and emphatically protest against such action by our representatives in the City Council.

"We further petition your honorable body to reconsider this action, and recall the license."

At the regular meetings of the Commercial Club and Board of Trade strong resolutions passed.

Appomattox Post, G. A. R., passed the following resolution at its meeting April 27th:

"Having learned that a license has been granted by the city council of Cottage Grove for a circus exhibition to be held on Sunday, the 26th day of May, 1912, said day being our Memorial Sunday, we, the members of Appomattox Post, do endorse the citizens' remonstrance against such action."

Fix Up Your Cemetery Lots.

Everyone wishes to keep his cemetery lots fixed up, and usually the reason they are not kept parked up is because of inability to get someone to do the work. I am looking for contracts doing this work at 20c an hour.

CHURCH NEWS

Presbyterian Church.—Everybody is wanted to hear Rev. A. S. Mason's sermons next Sunday, May 6th. Morning subject, "The Help of the Hills." Evening subject, at 8 o'clock, "Retribution." These are strong sermons, practical and helpful, plain every day talks for every day people. The services will be made still more attractive with special music.

Church of Christ.—Special preparations are being made for next Lord's Day. C. F. Swander, state secretary of the Oregon Christian Missionary Convention, will preach both morning and evening. He is a very able man and the community should hear him. Sermons that arouse, inspire and lift, and music that will cheer, by the junior and senior choruses, are in store for all comers. It is not generally known that at the Church of Christ there is a class of young men and young women that for enthusiasm and work is worth your investigation. A system of teaching and marking is used that keeps everybody on the alert; and the way questions, before they are finished, are taken out of the mouth of the teacher and answered, would be a revelation to the average Bible Class attendant. Any young man or young woman above sixteen is eligible to membership. Victor E. Hoven is the teacher. A book in the Bible is read each week and placed in outline on the blackboard. Its teaching and relation to the preceding books are clearly brought out. The Bible School at the Church of Christ has installed the "Little's Cross and Crown System" of rewards for regular attendance. It is a series of very beautiful pins of different kinds of metals, culminating in an exquisite gold pin which is given to the pupils for attending a certain number of Lord's Days without break. Samples on exhibition at the church.—V. E. HOVEN.

Probably the most interesting service held for many a year in the Methodist Church takes place next Sunday morning at 11. Twenty young people, after having a preparatory training course, are to be received into membership. Sacrament of the Lord's Supper administered at the close of the exercises. Rev. W. F. Gardner, father of the church, preaches at the People's Popular services at 8. Special music

at both gatherings. Bible school at 9:45 and Epworth League devotional meeting at 7, Charles Wilkinson, leader. At the last session the vestry was full and extra chairs were brought in. A hearty welcome to all.

Methodist Church.—The "States Service" Sunday evening was an unqualified success. Four signs with the words Kansas, Wisconsin, Nebraska and Iowa marked the pews to be occupied by those from these commonwealths. The numbers were as follows: Kansas 26, Wisconsin 23, Iowa 19, Nebraska 18. Quite a number of requests were made for another meeting of like nature. Many words of commendation were spoken concerning the special music of the day. At the Oddfellows gathering Messrs. Umphrey, Richmond, Cochran and Mackin gave a quartette and Clarence Morris rendered a solo in the evening.

Baptist Church.—Bible school at 10, preaching at 11 by Dr. Ford of Eugene, or a candidate for the pastorate. Young People's meeting at 7.

Latham.

Although the crops take kindly to these spring rains yet we shall all be glad when the good weather comes.

Miss Della Boyd of Eugene spent the week's end with her parents.

Miss Grace Young of the Eugene Bible University visited Saturday and Sunday at the home of Miss Della Boyd.

On Friday evening, Miss Ruby Keyes gave a party at her home. About twenty-seven young people of the neighborhood were present and a very enjoyable time was had by all.

The Misses Sadie and Frances Cox of Silk Creek visited Saturday at the home of Miss Ruby Keyes.

Stanley Trunnell went to Eugene last Wednesday to see his uncle who is very ill.

Church services were held in the school house last Sunday.

Miss Youny of Eugene sang a beautiful solo which touched the hearts of all present.

A Sunday school is soon to be organized and we sincerely hope it will receive the hearty support of all.
