HIGH SCHOOL ALUMNI BANQUETS MISS LENA ATKINSON IS BRIDE

Entertains Class of 1912 at Elaborate Social Affair.

The alumni of the Cottage Grove High School to the number of 40 met in Phillips Hall Friday evening for their second annual banquet and reception to the new class. The tables were tastefully arranged and decorated with a profusion of choice roses and other flowers. Streamers of the class colors were draped from the center of the ceiling to the corners of the tables, and suspended over the table at which the graduating class were seated was a basket of white roses, the class flower, carnations, etc. Ernest Purvance acted as master of ceremonies and remarks were made by Ren Sanford, Joe Arnold, Prof. Inlow and Miss Kennon. Edward Finnerty gave a splendid vocal solo. The remarks of Prof. Inlow were particularly interesting, and in them he urged the association to be alive to the needs of the community and the school in particular at all times and not at one annual meeting.

The annual business meeting was held and the following officers elected for the ensuing year: President, Ernest Purvance, 1896; vice-president, Ren Sanford, 1906; secretary, Mrs. Katie Knowlton-Scoville, 1906. Committee on arrangements for the next banquet and reception: Mrs. Agnes Wooley-Chandler; Mrs. Ida Lincoln-King; Mrs. Eliza Magee-Gleason; Mrs. Alice Huff-Conner.

The members of the class of 1906 were all present and residents of Cottage Grove and vicinity. The guests of the evening were the class of 1912, Prof. and Mrs. Inlow and Miss Kennon.

The Emanon Club met with Mrs. Nelson Durham last week. The day was so oppressive that very few had the courage to work. Mrs. Perry Hubbard, Miss Edith Hastings and Mrs. Fay Allison were guests. After a couple social hours the hostess ushered the guests onto the screen porch, decorated with ferns and roses, where three small tables were daintily arranged. Ice cream, cake and home

Function Is Elaborate One at Home of Bride's Mother.

One of the most elaborate functions in society of the past week was the marriage of Miss Lena Pearl Atkinson, daughter of Mrs. L. M. Shepardson, to Mr. Henry Fisher, the event occurring Thursday evening at the home of the bride's parents.

Miss Ethel Rasch and Lawrence Fisher, the latter a brother of the groom, acted as attendants. Miss Brundell Fisher, a sister of the groom, made a pretty flower girl. Miss Perkins played the Lohengren wedding march.

The bride wore a gown of embroidered net and carried a bouquet of carnations. The bridesmaids carried a bouquet of pink hermasos.

While the couple stood under a bower of roses and ferns, Rev. A. S. Mason performed the impressive ring service. The ring was made of gold mined by the bride's father in Montana and was used for the same purpose by the bride's mother.

Refreshments were served, consisting of ice cream, cake and fruit punch. The bride cut the cake.

The house was prettily decorated with ferns and June roses. The wedding ceremony was performed on the bride's 17th birthday anniversary.

made candy were served, which were tempting and appetizing on such a warm day. Members present were Mesdames Mackin, Armes, Groff, Richmond, Spott, Atkinson, Cochran, Dean and Bede. Mrs. Dean will entertain the club next week.

A quiet wedding took place Saturday evening at the home of Mr. and Mrs. W. C. Johnson, when their daughter, Miss Ina Lauretta, became the wife of Mr. William Alden Garoutte, son of Mr. and Mrs. Mark Garoutte. Only immediate relatives of the contracting parties were present. Rev. Robt. Sutcliffe officiated.

The quiet part of the ceremony ceased after the ceremony had been

COUNCIL LETS CONTRACTS FOR SEWERS AND PAVEMENT

At a meeting of the City Council in executive session to consider the bids for pavements and sewer contracts were awarded to the Warren Construction Company, which will mean an expenditure of \$180,890.40 for civic improvements and will give the city about 60 blocks paved with the celebrated bitulithic pavement, says the Tillamook Herald. Work will have to commence three days after the contract is signed, but it is the intention of the Warren Construction Company to push the work as rapidly as possible, as the street pavement cannot be done after the rainy season sets in.

This contract was let after careful investigation of the merits of other paving, and was awarded for bitulithic because of its proven worth, and because it has withstood every test of time and traffic under all climatic conditions.

Appeal for Observance of Flag Day

Friday, June 14, 1912, will be the 135th anniversary of the adoption of our country's flag in its form of today, with the exception of the number and arrangement of its stars.

Before the present flag was adopted there were such a variety of flags that it caused embarrassment both on land and sea, so in May, 1776, George Washington, George Ross and Hon. Robert Morris called on Mrs. Betsy Ross, a widow who lived in Arch Street, Philadelphia, where Mr. Washington unfolded before her a rough sketch of a flag which he had brought with him. Mrs. Ross suggested a few modifications and Washington remodelled it to show a flag with thirteen stripes and a blue field dotted with thirteen stars. It was the suggestion of Mrs. Ross that the stars have five points. When the flag was finished, Congress approved it and Mrs. Ross was ordered to use all the bunting in Philadelphia to make flags for the use of Congress.

Soon thereafter Betsy Ross was busy with an order from the treasury to make flags for the fleet. The house in which Mrs. Ross lived stands today unchanged except for a window in front.

On land or sea our flag thrills the heart of every true American citizen with pride. It recalls Yorktown, New Orleans and Gettysburg. Washington carried it many years with his brave continentals.

Let every citizen of Cottage Grove show his or her patriotism by honoring and upholding the flag—by displaying it on all proper occasions and especially by observing the anniversary day, June 14th, by displaying it from all the schools in the country, as well as in the town and at the homes and the business places. Let it be said patriotism is not asleep for we are just as patriotic here as at other places.

PATRIOTIC INSTRUCTOR,

No Union High School Building at Lorane.

County Superintendent H. C. Baughman was at Lorane this week, where he did some work in the interest of the union high school which is being organized from four of the school districts in that neighborhood. The people there decided not to build a new high school building at this time, but they voted a one-half mill tax on the district to raise money to repair the old building so that it may be used temporarily.
