Two Deaths at Drain.
Uriah S. Colwell died at Gardiner, June 4th, aged 80 years, 10 months and 52 days. The body was brought from Gardiner and buried in the city cemetery. Mr. Colwell was born in Princeton, Me., July 29, 1831. He moved to California in 1849, and to Oregon in 1878, and the following year married Earen Burnett, near Elkton. Seven children were born to them. The mother and five of the children are still living.

The death of Grandma Akers, as she was familiarly called, occurred on Saturday afternoon, June 1, from diseases incident to old age, she being past 87. Her death was not unexpected. Mrs. Beulah R. Akers came to Oregon with her husband, the late Jabez Akers, in 1874, and settled near Junction City, where she resided some 30 years, coming to Drain in 1882. She was the mother of eight children, only two of whom are now living, Mrs. W. C. Edwards of this city and Mrs. G. A. Young of Roche Harbor, Wash.—Drain Nonpareil.
