### Child Badly Bitten by Dog.

A child by the name of Thomas whose parents live near Lowell was quite badly bitten on the cheek by a dog a few days ago and taken to the Springfield hospital, where it will be cared for. The hot weather and the probability of hydrophobia caused the hurry. The child was playing with the dog, when another dog came rushing up and snapped at it, the first dog biting the child. The animal was a pet and probably intended to bite the dog which attacked it, instead of the child.
