The marriage of Ida May Eicher, daughter of Mr. and Mrs. John Eicher, to Frank E. Roth of Flathead County, Mont., occurred at 9 a. m. Sunday at the home of the bride in Walker. Rev. J. L. Beatty officiated. A wedding breakfast was served. Only a few neighbors were present outside of the family and contracting parties. The young couple will make their home in Montana, leaving for there Sunday afternoon.

Mrs. James P. Graham entertained her guests, Misses Ruth and Sadie Blair of Portland, with a pleasant picnic party on the banks of the Row River Sunday evening.

Mrs. Chas. Adams was hostess at a pretty lavender party last Thursday in her new bungalow, which had recently been completed. Mrs. Adams was the recipient of many social affairs before her marriage and she arranged a unique party in honor of those who entertained her. The fea-

ture of the afternoon was a word contest, in which the guests were asked to make as many words as possible out of the letters found in the word "lavender." Luncheon was served.

The guests included Mesdames W. H. Abrams, J. B. Lewis, H. A. Miller, George Kerr, H. H. Veatch, B. R. Job, C. P. Jones, N. E. Compton, Misses Currin, Perkins, Della and Inez White.

The Young People's Sunday School Class of the Christian Church enjoyed a bonfire and marshmallow roast at the Lathrop ranch Friday evening. Games of different kinds amused the young people until close to the midnight hour. About 25 were present. Mr. and Mrs. N. Lockett chaperoned the party.

The girls of the John-Priscilla Club entertained the boys of the club at a picnic in Perkins' pasture Friday afternoon. Everything imaginable in the culinary line was put on the table. Games of different kinds were played.

Rev. Burkett, Chester Banta and Chas. Beals were invited guests. Mrs. Smith and Mrs. J. C. Adams acted as chaperones. The club will meet with Miss Jennie Smith Saturday afternoon at 2 o'clock. All members are requested to be present.

J. H. Shortridge celebrated his 81st birthday anniversary Sunday and Mrs. Shortridge invited in a host of friends. The "youngsters" had a jolly time and partook of a bountiful dinner. Grandpa was the spryest one of the bunch. Those present were Mesdames and Messrs. M. C. Harris, W. J. Harris, Claude Gray, John Dillard, Mrs. S. J. Dillard, Mrs. S. D. Stewart and Earl Dillard, all of Eugene; J. J. Weeden and family of Coast Fork; Orville Spear and wife, Audrey and Arlie Langdon of Cottage Grove.

Mrs. George Scott entertained the Emanon Club last Thursday. The usual embroidering was done. Refreshments of ice cream, cake, wafers and lemonade were served and enjoyed on such a warm day. Members present were Mesdames Groff, Mackin, Dean, Richmond, Durham, Cochran and Bede. The guests were Mrs. Chas. Chandler, Mrs. Ingram and Mrs. Burroughs.

Mr. and Mrs. F. W. Robbins, Mrs. A. C. Kinter and Mrs. Robbins' guests, Mrs. C. W. Kenney and Miss Mia Nason spent Sunday at London, where they were joined in a picnic by the Wm. Jones, John Small and O. P. Wills families and Grandpa and Grandma Harris.

Mr. and Mrs. J. N. Waterhouse entertained a few friends Friday evening with a musical entertainment. Refreshments were served. Those present were Mr. and Mrs. A. C. Kinter, Miss Baker, Dr. and Mrs. F. W. Robbins and the latter's guests, Mrs. Kenney and Miss Nason.

Mrs. F. L. Ingram entertained about 25 of her friends on the lawn Tuesday afternoon in honor of her guest, Miss Erb. After a social hour of embroidery, Mrs. Ingram gave each guest a sheet of paper and scissors and they were asked to cut out a pattern. Many cute and pretty patterns were designed, but Mrs. Marion Veatch won the prize, a pretty pattern bag. Her pattern was a baby dress with panel front. The guests were then invited into the house, where tables were daintily laid, gelatine pudding with whipped cream, wafers and punch being served.

Members of the O. E. S. and A. F. & A. M. and families enjoyed a picnic yesterday noon at the invitation of the members of the O. E. S. The affair was to have been held in the park, but owing to the threatening condition of the weather, the scene of activity was moved to the A. F. & A. M. banquet room, where about 60 people attempted to get away with the oversupply of good things furnished by the women. A mammoth cake in the form of a star, frosted and decorated with the colors of the O. E. S., attracted attention. It was made by Mrs. T. C. Wheeler.

A Hero in a Lighthouse. For years J. S. Donahue, So. Haven, Mich., a civil war captain, as a lighthousekeeper, averted awful wrecks, but a queer fact is, he might have been a wreck himself, if Electric Bitters had not prevented. "They cured me of kidney trouble and chills," he writes, "after I had taken other so called cures for years, without benefit and they also improved my sight. Now, at seventy, I am feeling fine." For dyspepsia, indigestion, all stomach, liver and kidney troubles, they're without equal. Try them. Only 50c. at all druggists.

About the first of July we shipped to Cottage Grove a finely selected stock of pianos, player pianos and organs, to be disposed of in a thirty days' sale on our low priced easy payment plan that has made Eilers Music House grow from a small store a few years ago to the largest piano and organ distributors in America. Eilers Music House is a household word and is known from ocean to ocean. Plenty of time for you to buy your piano if you will act quickly. Come in. We will be glad to see you. Our prices will appeal to you more than anything we can say in the newspapers.
