**TAKE IT IN TIME**

Just as Scores of Cottage Grove People Have.

Waiting doesn't pay. If you neglect kidney backache, Urinary troubles often follow. Act in time by curing the kidneys. Doan's Kidney Pills are especially for weakened kidneys. Many people in this locality recommend them.

Here's one case: L. Booney, 459 Olive St, Eugene, Ore, says: "The public statement I gave in 1906 recommending Doan's Kidney Pills still holds good. I know this remedy to be a good one for kidney disorders and I am glad to recommend it. Kidney complaint clung to me for ten years, being caused by a fall and heavy lifting. I consulted one physician after another and experimented with remedies of all kinds but my efforts for relief were unavailing. The doctors finally said that I had lumbago and they held out no hope for my recovery. If I attempted to lift, my back gave out and the pain was terrible. One day I saw Doan's Kidney Pills advertised and deciding to try them I procured a supply. They gave me so much relief that I continued using them and it was not long before I was feeling like a different man. Doan's Kidney Pills simply worked wonders in my case and I shall do all in my power to make their merits known."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. 624-31

**WANTS COMMON JUSTICE.**  
**Working Men and Women of the State Oppose Malicious Laws.**

In order to make a farce and a laughing stock of popular government and the initiative and referendum, two measures have been initiated by the big business interests which are deadly opposed to the rule of the common people. One proposed law limits free speech in cities of 5,000 or over, and is so glaring an example of class legislation that it is absolutely revolting to a right-thinking individual.

And the same people, who are insistent that free speech should be hampered, are asking the citizens of the state of Oregon to legislate against the people to spend their earnings where and how they please. A direct and clean-cut analysis of the law proves that a farmer could not ask his neighbors to not patronize an establishment that defrauded him, could not recommend any course of action or warn his neighbors against being taken in, too. The measure, however, is aimed at the organizations that are seeking to improve conditions for the common people. Eight thousand signatures to this bill were secured in Multnomah county, where the people on a referendum of a similar ordinance, defeated the forces of big business overwhelmingly. The working people of this county ask you, the voters of the state, to deal justly with them and defeat the anti-boycott and anti-free speech bills.

**CONDITIONS IN COLORADO TODAY, AFTER 19 YEARS OF WOMEN VOTING**

(Paid Advertising.)

It was the year 1893 that Woman Suffrage was granted in Colorado. For 19 years the suffragists have used this state as a sample of good government brought about by the woman's vote. The anti-suffragists ask the men of Oregon to read the words of a Colorado woman—one who has been and now is politically prominent. She tells of the conditions of politics in her state today.

Mrs. Elizabeth Cass Goddard of Colorado, a former ardent suffragist has held the following offices, namely—Delegate to City and State Conventions, Deputy Sheriff, Watcher at the Polls, and Member of the Republican State Committee from El Paso County. She has been represented on various boards of city and state organizations. For example: Vice-President for Colorado of the Mothers' Congress, 2nd Vice-President of the Y. W. C. A. of Colorado Springs, 1st Vice-President of the Boys' Club, Trustee of the City Federation of Women's Clubs, President of the Humane Society, only woman member of the Anti-Tuberculosis Committee of Colorado Springs and President of the Colonial Dames of Colorado. We wish to quote from a letter written by Mrs. Goddard to a member of the board of the anti-suffrage association of Portland. She says in part:

"I am in a peculiar position, for while I disapprove most emphatically of equal-suffrage, and while I have yet to see the good result from it, while the women of Colorado have the responsibility I must do my part toward trying to make matters better. But I frankly say I do not see how this can be accomplished. It certainly has not yielded any such result up to this date. We have no cleaner politics, no purer politicians, no less graft, no better laws for women and children than Massachusetts has, and in spite of the often repeated assertions of the suffragists, not one of the laws we have is the result of the votes of women. As far as this goes the influence of women outside the suffrage is better than with the exercise of it. I have found the professional suffragist or politician hard, aggressive, loud in voice and manner and ready to antagonize anyone to carry her point. It is not with her an "appeal to reason" but an appeal to sentiment, to passion, and to fancied wrong done to women. There is very little now to say on the subject excepting that my observations have only intensified my feeling on the subject. The better class of women do not want to vote. It is hard for me to induce them to come to the polls, when any stirring question comes up, and on ordinary matters they neither feel nor even pretend to feel any interest."

Judging from the conditions as they now stand in Colorado do we honestly feel that the women's vote will better our State of Oregon?

OREGON STATE ASSOCIATION OPPOSED TO THE EXTENSION OF THE SUFFRAGE TO WOMEN.  
Mrs. Francis James Bailey, President.

**Millage Tax Bill Repeals Legislative Appropriations.**

The argument printed in the Vote 6 Pamphlet over the signature of H. J. Parkison and others attacking the Millage Bill for the support of the Agricultural College and the University of Oregon, contains a misstatement of facts so vital as to demand immediate correction. Although the Millage Bill clearly and specifically repeals the appropriations aggregating \$503,000 made by the last Legislature for building, equipment, etc., at the University, it is asserted in the argument against the bill that "friends" of the University are trying to kill the referendum on the \$503,000 appropriated by the 1911 Legislature for the University of Oregon. If they succeed, the tax payers will have over \$1,288,000 to dig up for the schools in 1913."

No effort is being made to secure the passage of these referred bills, and even should they receive a favorable vote they would be automatically repealed by the passage of the Millage Bill, so there can be no double appropriation.

Investigation shows that instead of increasing the rate the Millage Bill actually effects a saving on the average appropriations for the last ten years.

This bill, being a measure regulating taxation, must of necessity be submitted under the initiative.

W. K. NEWELL, Chairman of Commission Appointed by the Governor.
