SOCIETY

Short-Iverson.
LaCrosse (Wis.) Tribune: Miss Mabel Iverson, 913 Avon Street, and Mr. Harry Short of Cottage Grove, Ore., were married at the home of the bride's parents, Mr. and Mrs. Nels Iverson, at high noon yesterday by Rev. E. O. Vik.

Only relatives and intimate friends were present at the wedding.

The bride was attired in a gown of cream net and she carried a bouquet of bride's roses. Miss Ruby Iverson, her sister, attended her and she wore a gown of white while she carried a bouquet of pink carnations. Edwin Johnson was best man.

The bride is well known and popular in LaCrosse. She is a graduate of the high school and the Winona normal school, after which she taught school in Houston and in Cottage Grove, Ore.

Following the wedding ceremony a wedding dinner was served.

Mr. and Mrs. Short left at 6 o'clock last evening for Cottage Grove, where they will make their future home.

Reception to Pastor Ballis.

A reception largely attended by members and friends of the church was tendered Rev. E. O. Ballis and family last Thursday evening, the time being spent in getting acquainted. A short address of welcome was made by C. P. Jones and replied to by Rev. Ballis, who appealed for co-operation in building up the church, stating that he could not do the work alone. Light refreshments were served.

Mrs. C. H. Burkholder entertained a few friends Sunday in honor of Mr. Burkholder's 49th birthday anniversary. Mr. Burkholder refused to tell which one it was, but the date of his birth on the birthday cake gave him away. Master Charles presented his father with a fountain pen in honor of the occasion. Those present were Mr. and Mrs. N. E. Compton and children, Mr. and Mrs. J. H. Garoutte, Mrs. Lydia Stouffer and Mrs. Jane Sherwood, the latter of Los Angeles.

A silver tea was given Saturday afternoon by the Ladies' Aid of the Presbyterian Church at the H. A. Miller home. Each of the guests brought 10c in silver. Light refreshments were served. Those present were Mesdames Mary Smith, Abrams, C. J. Kem, A. C. Kinter, C. Adams, Job, J. P. Curran, Dunton, M. Veatch, H. H. Veatch, Ballis, C. Jackson, Robbins, H. A. Miller, Helen Silsby, Eakin, Kerr, Burkholder and Miss Esther Silsby.

The Emanon Club met with Mrs. S. L. Mackin last Thursday. The usual work was taken up and an interesting letter was read from Mrs. Frank Cook who now lives in Yoncalla. A delicious luncheon of fruit salad, chicken sandwiches, cookies and tea was served. Members present were Mesdames Groff, Durham, Richmond, Bisbey, Armes, Cochran, Umphey and Bede. Mrs. C. W. Bryan was a guest.

A reception was given in Phillips hall Friday evening by the High School Student Body to the visiting Junction City foot ball team and supporters. A musical and literary program was rendered in which the visitors took part. Refreshments were served.

Mrs. Herbert Eakin entertained the Social Twelve Club Thursday afternoon. A pleasant afternoon was spent in needle work and social conversation. Delicious refreshments were served. Guests of the club were Mrs. Parker of Newberg and Mrs. G. H. Tyson.

The members of S. Roy Smith's class of the Presbyterian Church gave a Hallowe'en party Tuesday evening, each member inviting a lady. Hallowe'en games were played and Hallowe'en refreshments served.

Glenn A. Harnden of Saginaw and Miss Helen I. Freeman, recently of Iowa, were married Oct. 24 at the home of Mr. and Mrs. B. J. Marquis, between Eugene and Irving.

A marriage license has been issued to Peter Maier and Miss Pauline Stumert, both of this city.

KING IS ENDORSED

Socialist Candidate for Legislature
Would Make Good, Thinks
Sentinel.

Having been repeatedly imperturbed by Mr. King to say what we think of his candidacy for the Legislature, The Sentinel relents and makes the following statement:

G. F. King is a whoop-'er-up Socialist, but outside of that there is little to be said against him. He is a stand-patter for the interests of his home City and County. We have often wondered how he ever became a Socialist, but we presume he wanted to raise the average.

While we do not agree with him politically, we do give him credit for being absolutely honest in his convictions, fearless in presenting and maintaining his views, and thoroughly consistent in what he actually thinks should be done to bring about better conditions.

Mr. King is the only man on the Legislative ticket from South Lane County and he would be a hustler for his home territory.

There is not a man on the Legislative ticket who is better posted, who has made a closer study of economic questions, and if elected he will add spice to the legislative assembly.

For the good of our body politic, it is sometimes well to elect a radical man, especially if he has worth and sterling qualities; not because he would be able to accomplish a great deal, but because he would watch the other fellow, and G. F. would speak right out in meetin' should the occasion arise.

Give one of your votes to G. F. King, a home candidate.

A Really, Truly Santa Claus.

There are many people who doubt if there is a really, truly Santa Claus, but we have no doubts on the question. He called to see us in person recently and asked us to urge on the citizens of Cottage Grove the appropriateness of our pictures for Christmas presents. In fact he informed us that the increase in population has been so great that he will be unable to supply all, and this method will prevent disappointment. He stated that the fame of "Armstrong's Art Photos" has reached him even in his home in the great ice-bound north, and the comment was so favorable that it gave him the solution of the Christmas gift proposition. Old Santa's endorsement goes with each picture. c31-n7.

Avoid the Rush.
Now is the time and Monroe's gallery at the bridge is the place to get your holiday photos taken in time to have them finished in plenty of time for Christmas. Nothing so appropriate requiring so little expense.

REMEMBER THIS

Taft cannot be elected.
Roosevelt can be elected.
Wilson might be elected if the choice of a President was taken from the people and thrown into Congress.
The election of Wilson means tampering with the incomes of the business man, the wage earner and the farmer.
It is up to every American to defend his income, upon which always depends his outgo.

THE ONLY WAY FOR THE AMERICAN VOTER
TO DEFEND HIS INCOME IS TO PREVENT
THE ELECTION OF WILSON BY VOTING FOR
ROOSEVELT & JOHNSON

Within a 15 mile circle around IMPERIAL there are now several hundred prosperous farmers raising enormous crops of wheat, rye, barley, oats, potatoes, vegetables, etc. Poultry raising is also highly successful. Three large stock ranches, owning several thousand horses and cattle are also in this circle.

IMPERIAL is now the trading point and will soon be the shipping point (the railroads are now building) for the products from thousands of acres surrounding it.

Is Your Wife or Mother Competent?

Do you desire to go on record as maintaining that your wife or mother is not sufficiently intelligent to know whether the people of your community wish pure or foul food and water, clean or filthy streets, good or bad schools, honest or dishonest laws, temperance or intemperance, peace or war, corrupt or incorruptible legislators. If your wife or mother can judge for themselves in these matters let them have the chance.
