Cut With Ax; Foot Amputated.

Wm. Stacey, who lives between Goshen and Creswell, had a serious accident last week that resulted in the loss of his right foot. He was chopping wood and in some manner missed and struck the instep of his foot, burying the blade of the ax so deep into the foot that it was almost severed from the ankle. A physician was summoned and it was found that an amputation of the foot was necessary.

Mrs. C. Hyer, 627 W. Sixth St., Eugene, Ore., says: "Last winter I was taken with a dull ache in my back and it caused me great annoyance. I also had pains in my limbs. Reading public statement given by parties who had used Doan's Kidney Pills with benefit, I procured a supply. They proved to be just as represented and I had not taken them long before my condition greatly improved. I now have no need of a kidney medicine whatever. It gives me pleasure to tell of my experience with Doan's Kidney Pills."

ROYAL BAKING POWDER

Absolutely Pure

[From a series of elaborate chemical tests.]

Comparative digestibility of food made with different baking powders.

An equal quantity of bread (biscuit) was made with each of two kinds of baking powder—cream of tartar and alum—and submitted separately to the action of the digestive fluid, each for the same length of time.

The percentage of the food digested is shown as follows:

Bread made with Royal Cream of Tartar Powder:

99 Per Cent. Digested

Bread made with alum powder:

67 Per Cent. Digested

Royal Baking Powder raised food is shown to be of greatly superior digestibility and healthfulness.

Saying Grace

When you give thanks for your blessings, don't forget your Estate Range—that good and faithful servant that cooks for you three times a day—three hundred and sixty-five days a year—year in and year out through a lifetime—with never a balk nor a break, nor a penny's worth of fuel wasted.

What! Nothing to be thankful for in your range? Not an Estate Steel Range? Well, then, be thankful that there is such a range as the

Estate Steel Range

to stand as a living rebuke to the many shoddy and unsubstantial "steal" ranges which are made to trick and betray you. The Estate is a real steel range; handsome, solid, substantial; extremely economical in operation; made to last a lifetime, and be a constant source of pride and joy to its user.

There's a peculiar pleasure in the ownership of an Estate—a sense of satisfaction, "full value received," pride in your purchase. The full line is on display at our store.
