Resolution.
Once more our Lodge has been visited by the grim reaper, who has taken to his eternal resting place one of our oldest members, Brother C. H. Wallace, who was a member of this Lodge for nearly forty years; therefore,

Be it resolved that we, the members of Cottage Grove Lodge No. 51, A. F. & A. M., extend our heartfelt sympathy to the bereaved family, with whom the entire community has suffered an irreparable loss and whose memory will long be cherished in the hearts of all who knew him.

Resolved, that as a further mark of respect and esteem to our valued brother's memory, our lodge room be draped in mourning for thirty days; that a copy of these resolutions be published in a local paper and a copy be sent to the family of our late brother and be inscribed on our records.

J. E. YOUNG,
E. A. GLEASON,
GEO. ATKINSON,
Committee.

Card of Thanks.
We wish to thank the many friends who assisted us in any way during the sickness and death of our father, C. H. Wallace; especially the A. F. & A. M. and I. O. O. F., also our near neighbors who so kindly rendered us such valuable help in our last sad hours.

May your pathway always be pleasant and no thorns grow near thereto.

J. C. WALLACE and Family.

BRIEF NEWS OF OREGON

Twenty-two cups, valued at \$250, are offered as prizes at the Union poultry show, to be held February 13, 14 and 15.

James S. Royal, Oregon pioneer of 1852, Indian fighter and former owner of a portion of Portland's east side, died at his home in Forest Grove of acute kidney trouble.

Under direction of T. F. Smith, of Talent, chief inspector for the district, orchards in Ashland territory are being overhauled by county horticultural officials for evidence of blight or scale.

The general merchandise store and hotel of J. W. Meyers & Son, at Hebo, were burned to the ground. The entire stock and hotel furnishings were destroyed. The loss was \$20,000, partly insured.

A bank, to be known as the Bank of Shedd, will be established at Shedd, in Linn county, articles of incorporation having been filed in the county clerk's office Friday. The bank will have a capital stock of \$15,000.

Fire at Bend wiped out a row of frame buildings with a loss of about \$10,000. The origin of the fire is unknown. Two saloons, barber shop, restaurant, pool hall and a bowling alley were put out of business. The same site was cleared by fire in November, 1910.

With the end in view of establishing a cement plant at Vale, George S. Mills is developing the big gypsum deposit on the hill east of town, in an effort to interest outside capital. Should such a plant be established, it would be the only one of its kind between Ogden and Portland.

Judge Kelly of the circuit court at Albany, pronounced sentence in the liquor cases. J. D. Kennedy, on two convictions, was sentenced to pay a \$605 fine and serve 50 days in jail; Walter A. Marks, \$400 fine and 10 days; Ed Ackerman, \$150 fine. E. D. Henry, of Harrisburg, convicted on two counts, failed to appear.

Apple trees which were planted 56 years ago by the late A. G. Marshall, a well-known Linn county pioneer, on his farm seven miles east of Albany, are yet bearing splendidly. There was a good crop on the trees last fall. Three different varieties of apples are included in the old trees, Baldwin, Spitzenbergs and Bellflowers.

To pave at least ten blocks with hard-surface pavement during the coming summer is the object of a special committee appointed by the Dallas commercial club to interview the property owners to be affected by the proposed improvement. They report much progress. The proposed improvement will take in the entire business district.

Bandon is assured a public library. A mass meeting was held to discuss plans for the establishment and maintenance of a library. A considerable sum was raised as a nucleus and a soliciting committee was appointed to continue the work until the sum of \$500 was secured for the special purpose of buying more books and \$600 for a maintenance fund.

The commissioners of Jackson county have authorized preliminary surveys for an improved road over the Siskiyou, south of Ashland. This movement is really one result of the Pacific Highway agitation, and is in line with other work in view, which has for its aim a connecting link between the Oregon and California subdivisions of this big interstate road.

The contract for the sale of 163,000, 000 feet of timber in the Umpqua national forest to the United States Logging company, a new corporation, with headquarters at Cottage Grove, was signed Thursday and sent to Washington for the approval of the interior department. The company was the only bidder. Most of the timber is Douglas fir, which, with the red cedar and sugar pine, sold at \$1.25 for each 1000 feet. The hemlock was sold at 50 cents.

Another impetus to the dairying industry in central Oregon is the establishment of a cheese factory at Laidlaw. John B. Wimer, a Laidlaw merchant and rancher, is the promoter of the enterprise, the first in Crook county and the second in central Oregon. Mr. Wimer has already placed orders for machinery and is now on a trip to Corvallis and other Willamette valley points, purchasing cows which will be imported. Mr. Wimer will buy nearly 100 head, which will be distributed among the ranchers. Mr. Wimer estimates that 300 pounds of cheese will be turned out daily.

The bottling plant of the Eastern Oregon company at The Dalles, was gutted by a fire. The bottling works were in a stone building, with shingle roof detached from the brewery proper, which made it possible for the firemen to successfully cope with the fire, though for a time it was thought the brewery was doomed. The wooden partitions and roof were entirely destroyed, and the machinery badly damaged, causing a loss of probably \$5000, but the walls are intact, being only slightly damaged. The origin of the fire is not known. The brewing company will rebuild the bottling works at once.

Pleasant Hill Congregation Now Occupies New Building

Pleasant Hill, Ore., Feb. 5.—This evening there was held the first of a series of services that will mark the opening of the new Christian church that has just been completed here, and the passing of the old church that was built 38 years ago by the first congregation to be organized in Lane county. The services will be continued throughout the rest of the week and will come to a close on Sunday.

Last Sunday the farewell services in the old church were held. It was an occasion in which rejoicing at the completion of the new church was mingled with regret for the passing of the historic old building. Four of the members who were present at the dedication in 1875 were at the church Sunday, and their memory of the others who were present almost two score years ago, but who have passed away in the meanwhile, was strong. They were: W. L. Bristow, C. A. Davis, Mrs. Lucretia Baughman and Mrs. E. T. Lattin.

Old Church Built 38 Years Ago.

The old church that has now been abandoned was built 38 years ago this spring. At that time it was one of the most imposing places of worship in Lane county, and the builders were intensely proud of it. The congregation by which it was erected was the first in Lane county. It was organized in 1851 when the country was exceedingly sparsely settled, and there were few white people to become enrolled. The first meetings were held in the old log school house that stood where the cemetery is now.

At that time everybody in the country traveled on horseback and one of the old horsebacks upon which the members of the early congregation alighted from their steeds and by which the children and the less expert women riders mounted them again still stands. The old blocks were the stumps of huge trees, and one stood on each side of the road—or the trail, as it was at that time. The trees were cut by E. L. Bristow and John Parks.

Charter Member Yet Living.

There remains now but one member of that original congregation—Mrs. Elmira Bristow. She will be present at the opening exercises of the new church Sunday, and the event will be an important one for her. She is 88 years old.

The services on Sunday will be conducted by Reverend Harry Benton, the pastor of the church, and his sermon will deal to a considerable extent with the story of the past. There will be special music under the direction of Harold Humbert, the chorus leader. Among the musical numbers will be several by the Gillfillen and Haxley sisters quartet. As many as possible of the members of the congregation that helped build the old church in 1875 will be present to lend their help in the first services in the new building.

The services Sunday will be merely the opening of the building. The formal dedication will occur later in the spring.

TAKE IT IN TIME
Just as Scores of Cottage Grove People Have.

Waiting doesn't pay.
If you neglect kidney backache, Urinary troubles often follow.
Act in time by curing the kidneys. Doan's Kidney Pills are especially for weakened kidneys.
Many people in this locality recommend them.

Here's one case:
L. Booney, 459 Olive St., Eugene, Ore., says: "The public statement I gave in 1905 recommending Doan's Kidney Pills still holds good. I know this remedy to be a good one for kidney disorders and I am glad to recommend it. Kidney complaint clung to me for ten years, being caused by a fall and heavy lifting. I consulted one physician after another and experimented with remedies of all kinds but my efforts for relief were unavailing. The doctor finally said that I had lumbago and they held out no hope for my recovery. If I attempted to lift, my back gave out and the pain was terrible. One day I saw Doan's Kidney Pills advertised and deciding to try them, I procured a supply. They gave me so much relief that I continued using them and it was not long before I was feeling like a different man. Doan's Kidney Pills simply worked wonders in my case and I shall do all in my power to make their merits known."
