## EUGENE SOCIETY FOLK ARE ALARMED BY THREAT

Night Chief of Police Determined to Put Stop to Playing Cards for Prizes.

"If I ever find sufficient evidence against people who give prizes at card parties I will surely arrest them on the charge of gambling." This is the statement of Night Chief of Police Thompson of Eugene. "I will not discriminate and will arrest the most fashionable society matron in Eugene if I find evidence enough to convince me that she is guilty of violating the statute against gambling. Gambling is gambling, no matter where it is conducted and I do not intend to be any respecter of persons in this regard. I raided a private residence Monday night because I was convinced that the man who lived there and three companions were playing cards for money. I made sure to get the evidence before I made the arrest, and of course no society woman will be molested till I am certain she is violating the law."

Declaring that he has the support of the Clean City League and university authorities, the Eugene night chief has issued the above ultimatum and says he intends to enforce it. Society women of the county seat are much worked up over the action.

## IS SECOND DEATH WITHIN WEEK IN BOHEMIA

## ROAD TAX QUANDARY FOR SHERIFF

Action of Supreme Court in Declaring It Unconstitutional Causes Trouble.

With special road taxes extended on the tax books in several districts, the declaration of the supreme court that the tax is unconstitutional, has put Sheriff Parker in a quandary. He isn't certain whether taxes voted before the decision of the court are to be collected or not.

The district attorney has taken the matter up with the supreme court and if the levies voted last fall are illegal it will be necessary for the county court to issue an order to the sheriff nullifying this portion of the tax extension. Such action will cause much confusion, as many of the notices to taxpayers, which are in the form of receipts, will have to be re-written or changed. The decision, if it is to stand against levies made last fall, came at a most inopportune time as it will make a great deal of trouble at the tax paying office.

## COUNTY OF SIUSLAW TURNED DOWN

There will be no county of Siuslaw created at this session of the legislature. The proposed county was to be composed of parts of Western Lane and Douglas. The bill was introduced by Representative Parsons of Lane County and there was no opposition from this county. A strong protest went up from Douglas County, which resulted in the bill being indefinitely postponed.

## SIDEWALK MAY BE FORCED ON EAST MAIN

Abominable Condition Just East of S. P. Right-of-way To Be Remedied.

The abominable condition of Main Street just east of the railroad tracks will probably be remedied in the near future. For a short distance there is no sidewalk and the mud is often deep enough to be very inconvenient. This condition has resulted from a dispute as to property lines and the inability of the city to force a sidewalk without considerable expense.

Upon the subject being brought up by a representative of the Commercial Club, the city attorney has been instructed to proceed to collect an unpaid street assessment on the Larson property on the north side of the street. In the event of a sale for the assessment the city will, if necessary, bid the property in and can then go ahead with the construction of a sidewalk on this property. It will still be necessary to condemn a way across the property occupied by the Cottage Grove Manufacturing Co.

## ONE HUNDRED FIFTY BOOKS TAKEN EACH DAY

The popularity of the public library is shown by the fact that an average of 150 books are taken out on each day that it is open. ## GLEE CLUB CONCERT A HUMMER

COLLEGE BOYS RENDER CLASSY ENTERTAINMENT

O. A. C. Aggregation, Including Two Cottage Grove Boys, Put on Stunts that Please Large Audience.

A rare treat in musical harmony and melody, was the estimate made of the O. A. C. Glee Club concert at the Armory Monday night. The house was well filled and each number was strongly enjoyed. Several renditions were professional in class and character. Mr. Henry Russell, in his kilts, scored a tremendous hit with his Scotch monologue and singing act despite the fact that he suffered from a severe cold. Mr. Lawrence Skipton's work on the violin was very clever and he was well received.

The work of the entire company was so satisfactory and pleasing that to give individual praise is impossible.

L. R. Woods and M. H. Jordan, both Cottage Grove boys, took part in the concert. The audience was large.

The concert was given under the auspices of the high school.

The old Nesmith team was defeated in a basket ball game here Friday night by the Roseburg Athletics. The score was 34 to 21. Nothing further is known at this time of the details of the fire.

Miss Palmer, pianist, and Mrs. Gannell, impersonator, are both Grants Pass women and have been traveling together for some months giving high-class entertainments. They had just finished restocking their wardrobe and had many costly costumes.—Rogue River Courier.

## Eugene Porker Has Good Record

A news item in the Eugene Guard says: "Emerson E. Ross, who lives near this city, says he has the Cottage Grove man's record for raising hogs beaten a city block. His sow had nine pigs and in eleven months he sold six of them for \$105 and kept 580 pounds or \$58 worth of meat for his own use. He still has the sow left. The pigs were fed on roots and corn." The Cottage Grove pig cleared \$70 net. Until the Eugene pig shows its net returns, the Cottage Grove porker refuses to yield her laurels.
