Acknowledges Plagiarism. A Lane County paper says it is a Minnesota paper and not a Portland paper from which it swipes its paragraph editorials. That probably makes a big difference, but why not give credit anyway? This is the same newspaperman who bought the "Things We Think" service from The Sentinel editor when the latter was a resident of Minnesota, and ran the dope as his own production in his Roseburg paper.

MONEY IN IDEAS

Bell, Howe, Singer, and other millionaire inventors began life as poor boys. Fortunes await other inventors. Can YOU think of something to patent? America's greatest inventor tells HOW TO INVENT in a booklet sent to you free by COPP & CO., Patent Attorneys, 745 8th St., Washington, D. C. Be sure to name this newspaper in your letter. Ask Editor about cost of Patent.

Corset Economy

IT'S NOT the price of a corset that determines whether it is economical or not. No matter how much or how little you pay you are not getting full value for your money unless the corset is correctly designed and constructed.

That is why we so strongly recommend *Henderson Corsets* to our customers. These corsets are so accurately individualized for all varieties of figures that a perfectly fitting, comfortable model can be guaranteed to every wearer.

And these corsets will outwear the ordinary kinds for they are constructed with such special features as double boning, double side stays and the reinforced front clasp. A *Henderson Corset* will retain its shapeliness as long as it is worn.

If you want a corset that will give you a stylish, natural appearance, come to our Corset Department and let us show you your individualized *Henderson Corset*.
