## TAKES TWO MEN TO CUT HAY GOING FOUR TONS TO ACRE

Oat hay running four tons to the acre, and growing so heavy and tall that it takes two men to mow it has just been cut by N. W. White on his Coast Fork farm. When the mower is run through it one man is required to pull the hay aside constantly, to keep it from clogging up the knives as the hay is so heavy that the mower equipment can not handle it unaided.

### HOMESTEADS.

ARE YOU LOOKING FOR THE best homestead there is to be found in the Northwest? Well, I have it for you and it will only cost you the usual location fee to get it. It is 320 acres and will grow almost any crop you wish to plant. Plenty of water, wood, etc. Close to the town of Imperial with all advantages of small town. Daily freight and passenger automobile stages connecting with railroads. Railroad now building.

I spent several hundred dollars and nearly a year's time investigating all the homestead districts of the Northwest and found nothing as good as this land here in Imperial. You will find the same thing if you make a thorough investigation, but why waste your money, come here first and you will be satisfied.

Write me, enclosing stamp, for further information. Address: Sherman Montgomery, Imperial, Crook County, Oregon. a14 s4
