Doing Their Duty
Scores of Cottage Grove Readers are Learning the Duty of Kidneys.
To filter the blood is the kidneys' duty. When they fail to do this the kidneys are weak. Backache and other kidney ills may follow. Help the kidneys do the work. Use Doan's Kidney Pills—the tested kidney remedy. Proof of their worth in the following:
William A. Haskell, retired, 272 W. Seventh St., Eugene, Ore., says: "I am still enthusiastic for Doan's Kidney Pills and heartily endorse them again. They are the very best remedy to be had for kidney and bladder trouble and I cannot speak too highly in their praises in return for the good they have done me."
"When your back is lame—remember the name." Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills—the same that Mr. Haskell had. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

LA FRANCE FOUND GUILTY OF COMMITTING FRAUD

Former Creswell Man Gets Sentence of From One to Five Years in Penitentiary

Less than three hours after the case had been given to its consideration the jury found James C. La France, a former resident of Creswell, guilty of obtaining money under false pretenses by "planting" a body on the banks of the Clackamas River and later collecting \$3000 from the Modern Woodmen of America. Two other policies totaling \$12,000, were cashed by Mrs. La France, who was indicted jointly with her husband. Judge Kavanaugh gave him an indeterminate sentence of from one to five years.
La France, who had moved to Portland less than a year previously, disappeared from his home June 18, 1912. A corpse, supposed to have been his, was found on the banks of the Clackamas June 30. About the body, which was badly decomposed, were found hunting and fishing licenses, letters and receipts and a lunch basket, with the initials "J. C. L." indicating that the body was that of La France.
The mystery as to the identity of the corpse used by La France has not been solved.
