

The changeable weather of early fall brings on coughs and colds that have a weakening effect on the system, and may become chronic. Use Foley's Honey and Tar Compound. It has a very soothing and healing effect on the irritated and inflamed air passages, and will help very quickly. It is a well known family medicine that gives results. For sale by all dealers everywhere.

The value of a paper's advertising is gauged by the number of people it reaches. No other paper reaches more than a quarter as many Cottage Grove people as does The Sentinel.

As illustrating the importance of an early application for patent, Bell filed his telephone application in the U. S. Patent Office at 10 a. m., while another man filed his application for the same idea at 3 p. m. of the same day, thus missing Bell's \$100,000,000 by a nose.

A live wire newspaper—The Cottage Grove Sentinel.

Repeated Everything.
"This is told of a west Wales bridegroom who had been blinded to "mind, repeat everything after the parson in the service." The service was drawing to a close when the parson leaned forward and whispered to the newly married man, "The fee!" "The fee," responded the latter unthinkingly, and he had to be rudely awakened from his reverie to make the required response from his pocket.—Cardiff West-ern Mail.

Irrepressible.
"Johnny, I'm afraid I'll have to whip you," said the mother of an incorrigible youngster.
"An' right, mamma," he replied. "An' after you whip me, may I have the whip to play horse with?"—Chicago News.

Means Plenty of Chicken.
Miss Snowflake—Does yo' believe in wishbones? Mr. Jackson—W'y, it's a sign of exceptional luck to nab a fresh one in yonah pocket every day or two.—Puck.

On the Blacklist.
Tramp No. 1—Is this a good town? Tramp No. 2—No; awful! I had three jobs offered me in one day.—London Mail.

The truest self respect is not to think of self.
