

BRIEF NEWS OF OREGON

George Bingham, a prominent business man of Oregon City, was mistaken for a deer near Trail and was shot and killed.

The senate, after a bitter fight confirmed the nomination of Frank McManamy of Portland to be chief inspector of locomotive boilers for the interstate commerce commission.

Governor West has honored a request for the return to Kankakee, Ill. of Samuel Perlin, accused of operating a confidence game.

A vinegar plant with an annual capacity of 10,000 gallons, began operation at the Eugene Fruit Growers' association cannery, turning to a profit cull apples that heretofore have been entirely wasted.

Fifty Roseburg merchants have formed a company, known as the Roseburg Stamp company, incorporated, the purpose being to conduct trading stamp business to meet the competition of foreign trading stamps.

Senator Chamberlain will endeavor to induce the war department to withdraw the plan of having Sand Island ceded to Oregon. The senator held a conference with Major McIndoe, who is now in Washington.

Senator Lane has been advised by the commissioner of the general land office that a survey has been completed and accepted of three townships in Lake county, which will permit the opening of these lands for entry about the last week in November.

With apparently not the slightest fear, but protesting their innocence to the last, Mike Spanos and Frank Seymour, slayers of George Dedaskalou of Medford, went to their deaths calmly on the scaffold at the state penitentiary.

Representative Hawley has been advised by architects of the treasury department that plans for the new federal building at Medford have about reached completion, and that this building will soon be ready to submit for bids.

Senator Lane saved H. F. Ferry, a doorkeeper at the government printing office, his job. The man had been dismissed for showing the president's wife through the offices without first bringing her direct to Public Printer Ford.

The Parelus Manufacturing company of Portland, which has the contract for the interior furnishings of the new supreme court building at Salem, has been notified by Labor Commissioner Hoff that it must not work its employes more than eight hours a day.

Superintendent of Public Instruction Churchill has announced that the thirteenth annual convention of the Oregon State Teachers' association, Eastern division, to be held in La Grande, November 24, 25 and 26, will be the most important in the history of the division.

Senator Lane is preparing a bill directing the grant of 250,000 acres of public land to the state of Oregon, the same to be sold at no less than \$4 an acre, and the proceeds applied to construction of public roads. He will probably frame the bill giving California and Washington similar grants.

Senator Chamberlain has introduced a bill granting Oregon 4239 acres of swamp lands in townships 37, 38 south, range 10 east, Willamette meridian, heretofore considered Indian lands. He has also introduced a bill authorizing a preliminary examination and survey of the mouth of the Umpqua river.

A hay shortage threatens Walla walla county before spring. Diversified farming has led to the production of slightly less hay in the southern part of the county than in the old days, before the railroad came. Now stock feeding is developing on a considerable scale, and all the hay available will be needed for this purpose.

L. L. Haines, a rancher of Eckley, Curry county, was shot fatally by his brother-in-law, Hugh Hampton. Haines, who is unmarried and about 40 years old, has shown signs of insanity. He attacked a sister of his one time, beating her severely, and this is presumed to have caused the shooting.

An industry that promises much future development recently has been launched in the unfrequented sections of central and southern Oregon by the Oregon Borax company, a subsidiary of the American Soda Products company of Portland and San Francisco. The project is an extensive and an important one. It provides immediate development of the soda deposits in Alkali lake, Lake county. It is said that these deposits now are in the form of carbonate of soda—a product that enjoys a ready market.

During the week beginning November 10 competition for the trophy to be presented by the bankers of Oregon to the best company in marksmanship of the Oregon National guard, will be held on general order just issued by Adjutant General Finzer. It must be competed for annually. It will be awarded to the company getting the highest percentage on a basis of 25 1-3 of the enrolled strength of the company at the date of last muster.

Miss Estelle Brewer entertained a number of her young friends Thursday evening at a shed and bonfire party at which the spirit of Hallowe'en prevailed. Dancing and Hallowe'en games sped the evening until time for the refreshments which were served on an improvised table in the shed and bore all the characteristic Hallowe'en goodies.

Mrs. A. W. Kime is entertaining a number of her friends this afternoon.

Members of the Emanon Club and their husbands were entertained Thursday evening at a Hallowe'en party at the old Cochran home on Pacific Highway, where goblins and spooks had gathered to receive the guests. All manner of amusing and appropriate games had been devised for the occasion and dignified merchants and business men took part in them with a zest that would have done credit to their youthful days. Refreshments of con eani, bread and butter, cake and coffee were served. Those present were Messrs. and Mesdames Nelson Durham, Bert Richmond, C. E. Umphrey, Elbert Bede, Horace Cochran, Harry Short, S. L. Mackin, Ernest Bisby, Miss Iverson.

Mr. and Mrs. Elbert Bede have issued invitations for the celebration of their tin wedding anniversary tonight.

In spite of the fact that it rained on Hallowe'en night several of the young people of the Presbyterian church walked a mile and a half to the Anderson home in the country. Several interesting games were played for amusement. Refreshments consisting of hot weiners and buns were served.

Last Friday evening Mesdames Silsby, Burkholder, Eakin, Kerr, Brainard and Miss Esther Silsby entertained at the spacious home of Mrs. Helen Silsby. The rooms were elaborately decorated with autumn leaves and everything suggestive of Hallowe'en. The hostesses were attired in witch's costumes while the guests arrived masked and in ghostly attire. After the initiation of one of the guests into the ancient order of Sheets and Pillowcases, the ghosts unmasked and the remainder of the evening was spent in games in keeping with Hallowe'en. The first prize, two young, beautiful, coal black kittens, chained inside a birdcage, was won by Miss Ella Anderson. Delicious refreshments were served to about fifty guests.

Mrs. B. S. Swengel was hostess to the Royal Neighbors Club Tuesday afternoon. Fancy work and conversation, broken by the reading of an interesting paper by Mrs. Burkholder on the measures which were voted on yesterday, occupied the afternoon. The house was very attractively decorated with cosmos and roses. After the delicious refreshments of chicken sandwiches, fruit salad, cake and coffee were served, the hostess being assisted by Miss Fern Holcomb, the guests adjourned to their various voting places. The guests, in addition to the members of Royal Neighbors Club, were Mesdames Abrams, Merle Seovell, W. P. Hall, Helen Silsby, Geo. Kerr, H. N. Aldrich, C. H. Burkholder and Miss Helen Silsby.
