# Oregon Is Well Represented At United States Land Show

**CHICAGO, ILL.**—Oregon stood out prominently at the United States Land Show during the three weeks it was held at the Coliseum, Nov. 20 to Dec. 8. Aside from the bountiful displays of the state's products in the Oregon booth and the mammoth exhibit of the Great Northern Railway on the main floor, the Great Northern Railway's exclusive lecture hall proved a telling medium of acquainting land show visitors with the state's wonderful resources, both agricultural and horticultural. This lecture hall, consisting of one-half of the Coliseum annex, had a seating capacity equal to that of a good sized theater. Motion pictures and stereopticon views were used to illustrate the lectures of the Great Northern Railway's experts, and besides C. C. Chapman of the Portland Commercial club other Oregon men were given the use of this lecture hall daily through the courtesy of Louis W. Hill.

Never before has there been such effective missionary work done among homeseekers for the state of Oregon. Scores of jars of fruits, large sections of transparencies showing scenes in the fruit growing districts of Oregon and great varieties of fruits in their natural state were exhibited in the huge booth of the Great Northern Railway. The dry farming sections of Oregon were not overlooked either, many astonishing varieties of grasses and other land products being exhibited. They attracted much attention. Colonel Bill Hanley visited the show and occupied the platform of the Great Northern Railway's lecture hall on Oregon day. Colonel Hanley always is a big drawing card in Chicago, and standing room was at a premium when he gave a characteristic talk on the great possibilities his home state holds out to the homeseeker. Louis W. Hill accompanied Mr. Hanley from St. Paul to Chicago to attend the land show.

Mr. Dyspeptic, would you not like to feel that your stomach troubles were over, that you could eat any kind of food you desired without injury? That may seem so unlikely to you that you do not even hope for an ending of your trouble, but permit us to assure you that it is not altogether impossible. If others can be cured permanently, and thousands have been, why not you? John R. Barker, of Battle Creek, Mich., is one of them. He says, "I was troubled with heartburn, indigestion, and liver complaint until I used Chamberlin's Tablets, then my trouble was over." Sold by Benson's Pharmacy.
