The two men's mass meetings which have been held at the Arcade Theater proved so decidedly successful that the ministerial association has arranged for another meeting for next Sunday afternoon. The attendance was good at the first meeting, held two weeks ago, and was increased at the meeting Sunday afternoon despite the fact that the day was enticingly lovely outside. About one hundred men were present. The speaker, Dr. H. S. The Fairies Cook Book

Is a compendium of the finest recipes for

Baking and Cooking in this Climate

Climatic conditions are very important in cooking and baking; what applies to the high altitude of the East is not adaptable to the sea level of this section. That is why successful Eastern formulae are often failures here. The Fairies Cook Book, just issued by the Fisher Flouring Mills Company, manufacturers of

Fisher's Blend Flour

the perfect All-Purpose Flour, made of choicest Eastern hard wheat and choicest Western soft wheat, was prepared with this fact in mind. Mrs. Isabella Sewzy, recognized authority on the art of cookery, prepared and tested every one of its 156 recipes. For successful baking in this climate the Fairies Cook Book has no equal. We will mail you the book if you fill out and send us coupon below, together with Ten Cents (cash or stamps.)

Get a lot in Manitou Park Addition (along North Ninth Street), build you a comfortable home, associate with the other good people that are there, keep your temper from getting away with you by doing away with landlord troubles, keep your disposition sweet with your pleasant surroundings and good neighbors, and you need not worry about your future life. These lots are selling rapidly to the very best people. Twenty lots have sold since we took the agency, and the rest are likely to go rapidly. Four residences now being constructed.
