THE REASON FEWER PEOPLE TAKE "SALTS"

We find the use of salts and other harsh physics is becoming less every year because more and more people are using Rexall Orderlies, which we and they firmly believe to be the best bowel remedy ever made. They taste so much like candy that even the children like them. At the same time they act so easily and naturally that there is no purging, griping or pain. They promptly remove the constipation and, by soothing and strengthening the bowels, make it less liable to occur again. We have the utmost faith in them. We know what they are made of and the pleasant, beneficial results that always follow their use.

You needn't take our word for it. If Rexall Orderlies don't help you—if they don't entirely relieve all your bowel troubles—come back and tell us and we'll give back your money. In vest pocket tin boxes; 10c, 25c, 50c.

You can buy Rexall Orderlies only at The Rexall Stores, and in this town only of us. The Modern Pharmacy, C. J. Kem, Proprietor, Cottage Grove, Ore.
