NEWS FROM ROSEBURG

ROSEBURG HAPPENINGS ALWAYS INTEREST OUR READERS

reading of so many people in Roseburg who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The statement of this Roseburg resident leaves no room for doubt on that point.

H. Poole, proprietor blacksmith, 115 N. Rose St., Roseburg, Ore., writes: "I have used Doan's Kidney Pills on several occasions when my back aches—always lothered me and I have always found them a good remedy. I would recommend them to anyone suffering from a kidney complaint."

Doan's is not an isolated case. Mr. Poole is only one of many in this vicinity who have gratefully endorsed Doan's Kidney Pills—ask distinctly for Doan's Kidney Pills, the same that Mr. Poole gets at all stores. Foster-Milburn Co., Buffalo, N. Y.

Gus C. Moser
REPUBLICAN

He voted against New Tax Law in Senate and favors payments semi-annually without penalty. He stands for Economy and Efficiency and Dignified Law Enforcement.

Synopsis of Record and Platform

I was born and reared upon a farm in Buffalo County, Wis., educated myself by my own efforts, and have practiced law in Portland since June 1, 1891. I have always taken an active part in public affairs, and have held several official positions.

I stand by my own record as State Senator at the last session of the legislature. I worked and voted against the new tax law, and favor a law making taxes payable semi-annually, without penalty.

Only five of the laws passed at that session were referred to the people by referendum petitions; four of these the people approved by overwhelming majorities, and I voted for them; the fifth was almost as badly defeated, and I had voted against it in the legislature.

I worked and voted for Senator Markey's minimum wage bill for women, providing for an impartial commission to fix the maximum hours of labor and the minimum amount of pay.

I favor a similar law providing for an impartial commission without compensation, to fix the maximum hours of labor for men in the various industrial occupations; this in preference to a flat eight-hour law.

I favor further good roads legislation with state aid, so that we may have cheaper transportation from the farms and producers in every direction.

I favor the reduction of taxes by consolidation of various commissions, or the abolishment thereof, and placing their duties into the hands of the State Board, and by the reduction of the expense of conducting the various departments of the state.

I favor suitable appropriations for our State Educational Institutions, and the continued improvement of our great bulwark—the public school system.

And above all, I favor the vigorous and efficient enforcement of all the criminal statutes, including those regulating and prohibiting the sale of intoxicating liquors, and this I shall do with firmness and impartiality. The rich, the poor, the great, the humble, the capitalist, the laborer, the churchman and the liquor dealer shall be measured by the same standard, and each shall answer for his own acts.

Statement to the Voters of Lane County:

I, Mahlon H. Harlow, am a native son of Lane County and have lived here all my life. The County's interests are my interests.

If nominated and elected to the office of County Commissioner, I will do all in my power:

To give to the people an honest, efficient and economical administration.

To make the tax levy as low as is consistent with a good business management of the County's affairs.

To build and maintain good and substantial commercial roads as far as the funds of the county will permit without making the taxes a burden; distributing the road work in a manner that will be just and equitable to all.

For information as to my character and standing as a business man and my ability to make good, I refer all voters to the bankers and older business men of Eugene, and especially to J. O. Holt, Manager of the Eugene Fruit Growers' Association and such of my old neighbors as F. B. Chase, C. M. Young, J. C. Bushnell, C. S. Calef and Palmer Ayres, and others who have known me for many years.

Women Score Candidate Hall.

Springfield, Ore., April 21, 1914.—Editor of Sentinel.—Dear Sir: In the supplement of "The West," Florence, Oregon, under date of April 17th, there appears the paid advertisement of Herbert W. Hall, candidate for Sheriff of Lane County. This advertisement contains at least two statements so glaringly inconsistent as to merit a severe rebuke.

Mr. Hall cannot consistently lay claim to the distinction of having dealt the saloons "their death blow in Lane County."

Mr. Hall cannot truthfully claim the distinction of being "easily the strongest temperance man in the county." There are many hundreds of unassuming men who are equally strong temperance men. Among them may be mentioned his opponent, Mr. John E. Staniger, of this city. There is no record of any contribution from the pen, the purse, or the voice of Mr. Hall during our recent temperance campaign in this city. His opponent, Mr. Staniger, made a splendid record in that campaign and will be rewarded by almost the unanimous vote of the temperance people of this part of the county.

Mr. Hall's pretentious claims in this advertisement will undoubtedly cost him the vote of many an honest temperance man and woman. The cause of temperance cannot be promoted by bombastic claims that have for their foundation the baseless fabric of a dream.

Very respectfully,

GOOD SUGGESTION TO COTTAGE GROVE PEOPLE

It is surprising the amount of old, foul matter the simple mixture of buckthorn bark, glycerine, etc., known as Adler-ka, drains from the system. This remedy became famous by curing appendicitis and acts on BOTH the upper and lower bowel so thoroughly that ONE DOSE relieves sour stomach and constipation almost IMMEDIATELY.

We are mighty glad we are Cottage Grove agents for Adler-ka. New Era Drug Store.
