Funston's Hospitality, Badger's Offer of Passage, Politely Declined.

Vera Cruz.—President Huerta's three peace commissioners, Emilio Rabasa, Augustin Rodriguez and Luis Elguero, left here on their way to Niagara Falls, Canada, where the conference between the mediators and the representatives of the United States and Mexico will be held. The commissioners politely declined the offers of hospitality made by Brigadier-General Funston, as well as Rear-Admiral Badger's offer to give them passage on the Morro Castle, and boarded the Kronprinzessin Cecile for the United States by way of Havana.

PRESIDENT WILSON BARS STRIKEBREAKERS

Trinidad, Colo.—President Wilson, through the war department, has instructed Colonel James Lockett, commanding the federal troops in southern Colorado, to permit no importation of strikebreakers, and announced that a time limit would be set at once within which delivery of arms must be completed, according to a statement by Major W. A. Holbrook.

In his statement on President Wilson's instructions upon strikebreakers, Major Holbrook said that the commanding officers here had been advised that no man shall be employed in any mine in the Colorado who had not been actually in its employ April 22, the date of the president's first proclamation ordering the troops into the field, was published.

No mine that was closed down at the time or before the strike, would be permitted to open, according to Major Holbrook's statement, but all others may be operated under full protection from the government.

Strikers, formerly employed at certain mines, will be permitted to return to work at the specific places of their former employment if they choose and if they are desired by their former employers, according to Major Holbrook.

If you are annoyed with roughened elbows it is a good idea to soften the skin by rubbing them with a little glycerine and keep them soft by keeping them off tables, chair arms, etc. It is the constant rubbing of the elbows against such things which cause them to grow rough and hard.

PERFECT CONFIDENCE

COTTAGE GROVE PEOPLE HAVE A GOOD REASON FOR COMPLETE RELIANCE.

Do you know how—
To find relief from backache;
To correct distressing urinary ailments;
To assist weak kidneys?
Your neighbors know the way—
Have used Doan's Kidney Pills,
Have proved their worth in many tests.

Here's Cottage Grove testimony: Mrs. M. Kehlbeck, 1610 B. Ave., Cottage Grove, Ore., says: "Four years ago kidney complications came on me and I was caused much annoyance by the kidney secretions. I never found anything that would help me until I began using Doan's Kidney Pills. They benefited me in every way. I use this remedy once in awhile and keeps me free from kidney complications. Price 50c, at all dealers. Do not simply ask for a kidney remedy—Doan's Kidney Pills—the same as Kehlbeck had. Foster-McMillan, Buffalo, N. Y."
