# JUNE 27

This Is Something Different

This is not an entertainment by a traveling carnival company that takes your money and gives you nothing permanent in return. No, sir! This is a carnival where you get more than a dollar's worth for every dollar you spend, you take your money's worth home with you, and your money stays in your community, maybe to return to you again in a few days.

There will be no slack wire, slight-of-hand performances or freak shows. The only amusement offered is the pleasure you will get out of looking over and buying the bargains that will be offered on this day and in visiting your friends, everyone of whom is expected to be in the city on that day.

This bargain carnival is arranged by The Sentinel in conjunction with the business men of Cottage Grove. Here's the proposition in black and white:

The business men of Cottage Grove advertising on this page, in an effort to convince the buying public that they are able to offer real bargains at a great saving to the purchaser, have decided to have a Bargain Carnival Saturday, June 27. The shrewd and economical buyer will take advantage of this rare opportunity to make his purchases. Each of the advertisers on this page is offering you a bargain that can not be equalled anywhere else, price and quality considered. Each advertiser has been limited to one kind of goods in his space on this page, but each advertiser will have many more on display for the pleasure and delectation of his customers.

No telephone orders will be taken for specials advertised on this page. Specials can only be bought by coming into town after them.

The bargains advertised on this page will be sold for cash only, but credit stores will do a credit business on other goods.

Advertisers reserve the right to limit the number of specials that may be sold to a customer.

## \$10 in Merchandise Free!

FIRST PRIZE \$5; SECOND PRIZE \$3; THIRD PRIZE \$2

Every person making a cash purchase of \$1 or more on Bargain Carnival Day will receive a coupon showing the amount of the purchase. The person receiving the largest amount in cash coupons will receive the first prize, the second largest the second prize and the third largest the third prize. The purchases may be made at one or any number of stores and the coupons received at all stores added together. But, remember these coupons will be given only at the stores advertised on this page and only on cash purchases.

Merchants issuing coupons will write in amount and name of purchaser to prevent two or more persons pooling their coupons in an effort to win one of the prizes. Coupons will not be transferable. Holders of coupons will total them, pin them together, mark the total amount on outside coupon and deposit them with The Sentinel not later than June 30. Prize winners will be announced in issue of July 1. Merchants will keep a duplicate of every coupon issued and coupons presented in competition for the prizes will be checked with the originals to see that no change has been made in figures or name. The prizes will be in the shape of merchandise orders on any store advertising on this page, winners to make their own selections.

COUPONS WILL BE GIVEN ON CASH PURCHASES ONLY.  
STORES ACCEPTING PRODUCE WILL TAKE IT THE SAME AS CASH.

REMEMBER, THE BARGAINS ARE FOR THE ONE DAY ONLY, SATURDAY, JUNE 27, AND CAN NOT BE SECURED EITHER BEFORE OR AFTER THAT DATE.
