

LEANS DOWN FATS IN EXHIBITION BALL GAME

They of Well Rounded Physique Puff and Pant and Ooze Grease While Shadow Legs Walk Away With Long End of Score.

10 to 8 Is Way Scorekeeper Announces Result

Has-Been Surprise Themselves When They Succeed in Getting Ball to Stick to Their Mitts.—Twirlers for Both Sides Do Star Work.

The real feature ball game of the season was the one which took place Friday between the fats and the leans. True to the prediction of Samuel Loophole Mackin, who issued the challenge for the leans, those of surplus suet were given a real drubbing and when the contest was over automobiles and other conveyances were necessary to carry those of rotund avoirdupois from the field of battle. The shadows emerged from the conflict apparently as chipper as if nothing had happened.

Prof. Dunton did the twirling for those of well-rounded embonpoint while Samuel Loophole Mackin performed a like service for those of transparent frames. It may be said without fear of successful contradiction that none of the big leaguers has anything on either one of these for fancy and frivolous boxwork. Some curves went over the plate (or within 15 or 20 feet thereof) that looked like real Kansas twisters. Only one man was walked in the entire seven innings, but the reckless way the batters tried to connect with some of the high, wide and lively ones may account partially for the records made by the slab artists. It must be said, however, that for has-beens the batteries surprised even their most sanguine and enthusiastic rooters.

Glass, Groff, King, Dunton and Trask each collected a nice two-base hit and others may have been overlooked in the excitement. Roy Short lined out the first ball pitched in the fifth inning for a clean two-bagger and stretched it for an extra sack. Glass and Bartell surprised themselves by glomming two bad ones and the work of Groff at short puts him in a position to sign up with any league he may select.

A feature of the game was the lack of criticism of Empire Marksbury. The game attracted the largest attendance of any this season.

Oh, yes, the score resulted 10 to 8 in favor of the leans.

CHURCH MEMBERS GET BASE BALL FEVER

Has-Been of City Going Mad Over National Game Following Lean-Fat Contest.

Cottage Grove seems to be going base ball mad and during the remainder of the season it is likely that the ball park will be in use nearly every evening either preparing for or playing some game. Since the intense rivalry stirred up by the game between the leans and the fats there has been talk of a similar game every week. For this week the Methodist Church has challenged the Presbyterians for a game to be played tonight. It is not likely that any attempt will be made to settle problems of theology in this manner, but it is certain that the members of the two churches will be out in a body to see that nothing is lacking in the way of rooting.

Chautauqua Lecturer Gives City Blue Ribbon on Schools

Rev. H. W. Currin Dies.
Rev. H. W. Currin of Marysville, Cal., died at his home Saturday after a short illness. Mr. Currin lived here at one time and visited his brother, J. P. Currin, here last summer. The latter received word of his brother's illness and left for California Sunday, not knowing that his brother had already died.

Young Man Loses Fingers.
While making sausage Friday at the People's Meat Market, Melvin McKibben caught his fingers in the machine in such a manner as to result in the loss of the middle two fingers of the right hand. Amputation was necessary above the first joint.

Californians Enjoy Refreshing Coolness of Oregon Night Air

The even temperature of the Cottage Grove country and the cool nights that follow even the warmest days, made a hit with F. J. Clarke and A. W. Leonard of Imperial Valley, California, who passed through here on a trip through the Willamette Valley.

They were looking for a location that does not have continuous, monotonous heat and they declared it a supreme pleasure to be able to sleep in cool, refreshing air during the hot summer months. They may make their home somewhere in the valley.

MYSTERIOUS EXPLOSION AT LATHAM MAY HAVE BEEN METEOR

What may prove to be a solution of the explosion which alarmed the Allama family a week or so ago is found in a letter to The Oregonian. The letter is as follows:

Portland, Ore., June 28.—(To the Editor.)—In The Oregonian June 24 there is a special from Cottage Grove in regard to an explosion which alarmed a family near Latham. The date of the occurrence is not given, but if it happened about 10 p. m. on Friday, June 19, it may explain something that has been puzzling us since then.

A bright object which appeared to be about twice the size of the largest star was seen slowly falling in the sky in the south with a slight inclination to the west. With field glasses it appeared bright red and perfectly round. Its speed seemed to increase as it got lower. Four of us watched it and there is no question but it was a long distance from Portland.

As we have seen nothing in the newspapers about it we concluded that it was probably a meteor which no one had happened to notice. It is possible that this is what struck and alarmed the Allama family near Latham if the dates and time correspond.

W. W. WOODRUFF,
1251 East Harrison Street.

COUNT LOCHWITZKY WILL LECTURE ON WHITE SLAVE TRAFFIC

Col. Alexander Lochwitzky, exiled Russian nobleman, but now proud of his citizenship in the United States and a man who takes a keen interest in the affairs of his adopted country, will deliver a free lecture on "The White Slave Traffic" in the Commercial Club parlors Friday evening.

Commercial Club members and their guests are invited to be present.

Count Lochwitzky delivered a marvelous address in the recent chautauqua and likes Cottage Grove so well that he is spending a week here. He took a prominent part in the vice investigation in Chicago and will not mince matters in any way in handling the subject. He knows his subject and has a convincing way of talking about anything with which he is familiar.

Will Use Grove Advertising Matter.

The chautauqua and business men's celebration here was handled in so unique a manner that the managers of the chautauqua secured copies of the advertising matter to be used as a suggestion elsewhere. When Cottage Grove does anything it usually does it a little different than any other place.

MANY PLACES WILL CELEBRATE THE FOURTH

Lorane, London, Saginaw, Blue Mountain, Currin Station and Eugene Invite Residents of Cottage Grove to Join in Observing National Holiday.

Cottage Grove people will have no trouble in finding a place to celebrate the Fourth.

Probably the largest celebration in the immediate vicinity will be held at Lorane, where the Cottage Grove ball team will play. Rev. Aldrich and Judge H. J. Shinn of this city will deliver orations. It is probable that a large number from here will accompany the team and speakers.

London plans a good-sized celebration and there will also be celebrations at Saginaw, in the Blue Mountain district and at Currin Station.

Residents of the city have also been invited to attend the big celebration at Eugene, where the Cottage Grove band will play.

Within the last week seven carloads of Oregon wool was shipped from Madras to Boston. The shipment aggregated 290,000 pounds and was sold at prices somewhat in advance of those of last year.

GAME TONIGHT WILL BE OF DIFFERENT KIND

Contest Between Methodists and Presbyterians Will Be Provoker of Fun at Least.

The ball game scheduled to take place tonight between the Methodists and Presbyterians promises to be more fun than that which would be precipitated by dumping two bushels of playful, skittish monkeys in with three bushels of like skittish and playful kittens. From the exhibition work done at the practice games it seems certain that the contest tonight will be something fearful and wonderful to behold.

After giving all available players a thorough tryout the following lineup has been selected:

Methodists	Position	Presbyterians
A. Bergp.....	C. Kinter
Fred Lizarc.....	C. Morris
A. Brund1b.....	R. Short
S. Maekin2b.....	W. Beaver
F. King3b.....	B. Groff
H. Shortss.....	Geo. Scott
C. Umphreylf. Rev.	Rev. Broadbooks
W. Bergcf.....	H. Armstrong
C. Spencerrf.....	E. Bede
Rev. Aldrichwater carrier..	R. Smith

Both sides have subs. too numerous to mention. This lineup is subject to change without notice and without recourse.

Geo. Marksbury will umpire. L. L. Harrell will run a free bus to the game, this being the only way in which it is thought possible to get an attendance. Game starts at 6:30 sharp.

OPERATIONS AT CANNERY TO START MONDAY

Work at the cannery is being rapidly pushed towards completion and Manager Wallace announces that if nothing unforeseen happens operations will commence next Monday. While much of the berry and cherry crop has been harvested, there still remains a large amount of produce to be taken care of.

P. E. Schwabe, in charge of the German immigration work connected with the Oregon State Immigration Commission, has been inspecting Oregon coast country in company with prospective colonists who are seeking locations on low-priced logged-off or burned-off land. He found desirable lands valued by their owners at from \$7.50 to \$20 per acre. Correspondence with prospective German and Scandinavian homeseekers is growing steadily in volume and every few days sees some families located.

Cove, in Union County, will hold a cherry fair July 13. A Norwegian family, the Stacklands, has led in building up a great cherry industry at an altitude of 3,000 feet in the foothills of the Blue Mountains. At this high altitude cherries while not so large or luscious as some raised on lower levels, have remarkable keeping qualities and the output will be disposed of in carloads in the Eastern markets.

GROVE WINS FROM ROSEBURG WITH 1 TO 0 SCORE

Pitcher Bigbee Sends 18 Men to Bench by Strike Out Route and Gives But One Safe Hit.—Visitors Put Up Strong Game.

A real ball game was that played between Roseburg and Cottage Grove on the home grounds Friday resulting in a score of 1 to 0 in favor of the home team.

When Smith of Cottage Grove lined out the first pitched ball for a clean safe hit, it looked as if the visitors were to be slaughtered, but the visiting battery settled down to business and the exhibition was as pretty a one as ever seen here. This was the Roseburg twirler's first attempt at pitching this season and he played a remarkably good game. Bigbee, who was in the box for the locals, struck out 18 men, and allowed but one safe hit, that being one that hugged the fowl line past first base.

The single tally was made in the sixth inning. After an overthrow from third to first had placed men on second and third, Earl lifted a mean one to the right field which the visitor failed to handle and McCargar brought in the tally.

WELL KNOWN MISSIONARY WOMAN DIES

Had Worked in Missions of Michigan During Indian Days of Long Ago.

The death of Mrs. Martha A. Glennie occurred at the home of her grandson, Robert McDonnelle, at Latham Sunday afternoon at 5:30. Mrs. Glennie was 83 years of age, having been born in Michigan in 1830. Funeral services were held yesterday afternoon at the Mills Chapel, Rev. H. N. Aldrich officiating. The Methodist Ladies' Foreign Missionary Society, of which Mrs. Glennie was a member, attended the services in a body. Many beautiful floral offerings were contributed by friends and societies prominent among which were those sent by the Missionary Society and the Epworth League. Mrs. Glennie had been a very active Christian worker all her life, having been a Methodist missionary in various fields for many years. During her girlhood she worked as a missionary among the Pontiacs, Flint and Petosky Indians in her native Michigan and later went as a worker in the East Indian field, where she remained for several years. Mrs. Glennie came to the Pacific Coast about thirty years ago and worked in various home missions in Oregon and Washington. She had been a resident of Cottage Grove but a few weeks.

BALL GAME AT HARRISBURG IS BURLESQUE

In a game chiefly featured by the "four men down" system employed by Harrisburg, that team finally declared itself the winner of a long drawn out game on their own diamond with Cottage Grove Sunday afternoon. The score is variously reported by the two umpires and a number of spectators as 11 to 15 and 7 to 11. Just what the correct score was probably no one knows. Medley and Smith were the battery for Cottage Grove. The Junction City-Harrisburg combination now claims the championship of the league.

It pays to read the ads. in the Sentinel.

Bankers and Merchants Boost Oregon Agriculture.

The fostering of agriculture development was indorsed as the most important work of Oregon communities at the annual convention of the State Bankers' Association at Medford and at that of the Retail Merchants' Association at LaGrande. Resolutions were adopted by both organizations urging bankers and business men to continue their efforts to bring experienced farmers into the state, help them to locate on lands at reasonable prices and assist the farmers now here to an increased prosperity. The depression in lumber, building and railroad construction is more than counterbalanced in Oregon, in the opinion of the bankers and merchants, by success in agricultural lines. Good crop prospects were reported from every county in the state.

Entertainers Pay High Compliment to Grove Hotel and Newspaper

A good hotel is a wonderful advertising asset to any city—and Cottage Grove is thus fortunately endowed. Those who came here to take part in the recent chautauqua took occasion to compliment The Oregon, at which they stopped. Cartoonist Ash Davis even went so far as to make the statement public. Next to a live newspaper a good hotel is probably the most important thing in a city that depends for its growth upon the appeal it makes to outsiders. Cottage Grove attracts considerable attention from both these sources. The chautauqua entertainers took particular pains to compliment Cottage Grove's live wire newspaper.

NOMINATION BY BULL MOOSERS DECLINED

Editor Who Was Candidate on Republican Ticket Shies at Nomination Given Him by Party of Roosevelt, Pinchot and Perkins.

Elbert Bede, editor of The Sentinel, who was defeated for the Republican nomination for the legislature but received the nomination on the progressive ticket, after having been tied with W. B. Dillard, mailed the following letter to Secretary of State Olcott Friday declining the nomination:

"I notice by the morning papers that I have received the bull moose nomination for representative in the third district after having been tied with Walter B. Dillard.

"I fear that the bull moosers have figured out this method of getting even with me for the mean things said about Teddy two years ago. That is one reason why I can not accept this nomination.

"I was a candidate on the republican ticket because of what I took to be a genuine demand for my candidacy and was fortunate enough to be defeated by a few votes. The voters may not have decided as wisely as I might have suggested, but I did not ask for a vote and have no sores to nurse because those who did ask for them secured them. I intend to support those who I would have expected to have supported me had I been successful over them. That is a second reason why I can not accept a nomination on the bull moose ticket.

"My nomination on the bull moose ticket is merely one of the accidents that result from our expensive, somewhat freakish primary system. I can not accept that kind of a nomination.

"It will be far more pleasant for me to be in a position to suggest to legislators what they should do than to be in a position where I might not be able to do what my supporters would expect me to do. I am not hunting trouble. That is a fourth reason why I must decline the nomination so kindly given me.

"I can make enemies enough as editor of The Sentinel without the assistance of a political office.

"For these five reasons I wish, without prejudice or malice aforethought, to allow the nomination on the bull moose ticket to go to Mr. Dillard, who was tied with me for the position."

The Sentinel—a Live Wire.

AS ENTERTAINMENT CHAUTAUQUA IS A SUCCESS

Dr. Herbert Delivers Inspiring Talks On "A Man Among Men" and "The Trinity of Power."—Fills Pulpit of Methodist Church.

Lectures and Music are of Rare Quality

Count Alexander Lochwitzky, Russian Exile, Tells Story of Own Life and Almost Unbelievable Condition That Exists in Native Country.

Cottage Grove's first chautauqua was a most successful one, if enjoyment of the program by those who attended be taken as the measure of success. The deficit was so small that it will, no doubt, be easily taken care of.

One of the pleasant features of the affair was that those who appeared as entertainers entered into the life of the city while here, got acquainted with a large number of the citizens, were entertained at the homes of citizens of the city and for the time being regarded themselves as citizens of what they pleased to call the best little city in the Willamette Valley.

Dr. L. G. Herbert, whose talks on "A Man Among Men" and "The Trinity of Power" were most inspiring, delivered an address before the Commercial Club and filled the Methodist church Sunday morning and evening.

Miss Estelle Gray and her mother, violinist and reader who had visited the city on two previous occasions, were most cordially received and enjoyed nearly as much because of their pleasing personalities as because of the quality of entertainment offered.

Col. Alexander Lochwitzky, Russian count and exile, who delivered a message of entrancing interest, is still in the city, and will deliver several free addresses. He will speak at the Methodist church Thursday evening, at the Commercial Club Friday evening and again at the Methodist church Sunday evening.

Ferguson's Dixie Jubilee Singers, who were a rare treat for music lovers, also took part in the services at the Methodist church Sunday.

So favorable was the impression made upon those who attended the sessions that a similar entertainment is practically assured for next year. At the closing session Prof. J. E. Dunton was given three rousing cheers for his efforts in bringing the chautauqua here.

WORK ON NEW BRIDGE TO BE HASTENED

Work on the proposed bridge across the Coast Fork in the south end of the city will be rushed to completion. At the meeting of subscribers Monday night, J. H. Spriggs, Monte Minor and W. P. Huff were appointed a committee to go ahead with the work. The contract for the stringers was let yesterday and a contract will be let at once for the remainder of the work.

Legal blanks at Sentinel office.

Cherry Crop Good One.

The cherry crop in this section this year is a very heavy one despite late rains: The trees were loaded till the branches would hardly hold up and very little damage has been reported. Especially is this true of the Bings, Royal Annes and other late varieties.

Italian prunes were severely blighted in the early part of the season but the Petite will be a fair crop.

Grace Lilly and Lawson Jr. Are Honored at Cherry Fair

Members of the Lawson family, formerly of this city, were highly honored at the recent cherry fair at Salem.

Miss Grace Lilly, daughter of E. E. Lilly of this city and sister of Mrs. Lawson, was elected queen of the fair and reigned as Queen Anne VI.

Master B. K. Lawson jr. took first prize for the best feature in the parade and second prize for boy under 6 years in Indian suit.

Prize Winners in Sports.

The small sports of Cottage Grove's celebration day, June 26, were held in the afternoon just after the close of the base ball game and proved very interesting to a large crowd of spectators. The prize winners in the various events

were: Fat men's race, first prize \$2, George Hall; second prize, \$1, L. L. Harrell; water fight, first prize, \$10, East Side; second prize, \$5, West Side; wrestling match, first prize, \$10, George Boyd; second prize, \$5, Stanley Damewood; tug-of-war, \$10, farmers' team; boys' race, first \$1.50, Harvey Robinson; second, \$1, Claude Kime; 100-yard dash, first prize, \$3, Lyle Bigbee; second prize, \$2, Roy Woods; motor cycle race, Bert Trask, \$7.50; George Matthews, \$7.50; preliminary wrestling match, first prize, \$1.50, Fred Raines; second prize, \$1, Charles Raines.
