LURCH'S

Every patron of The Sentinel is helping to give Cottage Grove what eminent authority has stated to be the best country weekly on the coast.

THE HAPPIEST MOMENT IN A WOMAN'S LIFE

The happiest moment in a woman's life, is not, as most men think, when she is led to the bridal altar. No, sir! The happiest moment by far, in a woman's life, is when the man, whom she allowed to lead her to the bridal altar, and who has helped him in saving a nestegg, provides her a home of her very, very own—a home which she can make cozy and comfortable with the thought that the comforts provided will be a source of joy for years to come.

There is an easy way to bring this supreme joy to a woman—that is to get a lot in Manitou Park, Cottage Grove's restricted residence district, and put up a cozy little home while material and labor are as cheap as they will ever be.

OREGON NEWS NOTES OF GENERAL INTEREST

Events Occurring Throughout the State During the Past Week.

Express Company is Indicted.
Salem.—An indictment was returned by the Marion county grand jury against the Great Northern Express company on the charge of violating the law regulating the shipment of liquor properly labeled into dry territory.

This indictment is probably the first one returned in the state for violation of this law. It resulted from the shipment of a gallon of wine by the Rose City Importing company to J. A. Benjamin, assistant attorney general. Because the package was not properly labeled Salem police officers seized it. It is alleged that investigation showed that the importing company had properly labeled the package, showing its true contents, but that the express company had covered the importing company's label with its shipping label, thus causing the package to be shipped in violation of the label requirements of the law.

Medford Guardsmen Plan Club.
Medford.—Because there is no Y. M. C. A. at Medford members of the Seventh company, Oregon national guard, have decided to incorporate club features in their organization, establishing bowling alleys, a library and reading-room for the young men of the city who are members. Later a swimming pool in the natatorium where the company rooms are located will be rented by the company on certain days in the week and a small gymnasium installed.

Polk Display Planned.
Rickreall.—Preparations are under way in various sections of Polk county for exhibits at the Panama-Pacific exposition at San Francisco in 1915. Prune and hog samples, grains, sheep, goats, hogs, cows and poultry will be exhibited. The fine flocks of sheep and goats of William Riddell & Sons, of Monmouth, and F. A. Koser, of Rickreall, are to be represented.

Lane Woman "Freighter"
Eugene.—Mrs. Charles Croner has the distinction of being the only woman "freighter" on the McKenzie river. She makes regular weekly trips over the 60 miles between Eugene and McKenzie bridge, hauling supplies for the summer resort, her load averaging 1600 pounds.

BILL WILL PROFIT O. A. C.

Oregon Will Receive \$10,000 For Educational Extension Work.
Corvallis.—Under the provisions of the Smith-Lever bill recently passed by congress, Oregon will receive \$10,000 for educational extension work in agricultural and domestic economy to be carried on during the next year. The money is appropriated for use through the land grant college in each state, and therefore will be administered in this state by the Oregon agricultural college. The money became available July 1, or as soon thereafter as the work has been outlined and approved by the United States department of agriculture. The plan of operation has already been prepared by the college officials and forwarded to Washington for approval.

If the plans outlined by the college are finally approved \$5000 of the fund will be used to carry instruction by means of field demonstrations and advice and assistance to individual farmers. The college experts will be sent into certain communities where they will make a survey, call on the farmers, help them to solve their problems as they meet them on the various farms; carry on demonstrations in orchards and fields and hold frequent meetings for the more extensive discussion of the common community problems with the people of the respective districts.

Siuslaw Bar Being Surveyed.
Florence.—Five men are here to make a new survey of the Siuslaw bar to ascertain the effect of work which has been done on the jetties here. Soundings of the bar taken by boats passing over it show an increase in the depth of the channel of from four to six feet.

Desperate Crook Taken by Officer.
Eugene.—John Bodgen, alias John A. Harmon, said to be one of the most dangerous criminals on the Pacific coast, was captured here by the deputy sheriff of Woodland county, Cal., and railroad detectives. They have been following the man for several weeks.

Many Check Signatures.
Salem.—Secretary of State Olcott has a special corps of men checking over the signatures to the petitions for initiative measures. It is not necessary that negative arguments be filed until July 21.

Five men attempted to rob the Bank of British North America at Kaslo, B. C. They arrived in a speed launch on Kootenay lake, but the police were too quick for them. The men escaped in their boat.

The health authorities at New Orleans believed that they had the bubonic plague situation well in hand. The infected district was being carefully watched but it was believed there would be no spread of the disease. Relentless war was being waged on rats.

Fire, the cause of which is a mystery, completely destroyed the Oceanic dock, a quarter of a mile northwest of the O. W. R. & N. shops at Portland, Or., entailing a property loss estimated at \$150,000.

At the end of 20 rounds, Leach Cross, the New York dentist, was given the decision over "Red" Watson, of San Diego, in a fast fight.

OREGON ROBBERS MAKE CONFESSION

Two of Three Men Who Held Up O. W. R. & N. Train Captured Near La Grande.

Pendleton, Or.—Albert Meadors and Clarence Stoner, two of the three train robbers who held up O. W. R. & N. train No. 5 near Meacham the morning of July 2, were arrested Saturday night about 9 o'clock by Deputy Sheriff Batchelor, of La Grande.

The leader of the gang, who was shot and killed by Deputy Sheriff George McDuffy at the time of the holdup is Charles Manning, a professional gambler and not Hugh Whitney, the notorious outlaw. All three of the robbers were from Cokeville, Wyo. Manning has a wife and four children in Cokeville. He was a close personal friend of both Hugh and Charles Whitney, while Stoner is a cousin of the Whitney boys.

When arrested the two train robbers were walking along the railroad track in the direction of La Grande and less than 20 miles from the scene of the holdup. Neither man was armed and they offered no resistance when placed under arrest. They had \$385 in cash and the \$700 diamond ring taken from H. B. Royce, the Walla Walla brewer, who was a passenger on the train, and a smaller diamond, but the diamonds were thrown away when they were arrested to prevent their being used to connect them with the holdup.

The capture of the entire gang of robbers within three days after the holdup sets a record for the apprehension of train robbers in the west, it is said.

GRAIN YIELD WILL BE LARGE

Wheat Crop of Pacific Northwest Estimated at 65,000,000 Bushels.

Portland, Or.—The season is now far enough advanced to make it almost certain that the cereal crops of the Pacific northwest will be safely gathered. The progress also is sufficient to enable grain men to estimate with a degree of closeness the yields of the leading grains.

That the wheat crop of the three states will break all previous records is conceded by nearly every grain authority in the northwest. The general estimate now is 65,000,000 bushels for Oregon, Washington and Idaho.

The crop in these states last year was almost 55,000,000 bushels. Earlier in the season grain dealers believed the northwest would produce 70,000,000 bushels of wheat, but it is thought they overestimated the crop, as is frequently done in seasons of great promise.

DEATH DEALING BOMB WRECKS TENEMENT

New York.—In the ruins of the tenement wrecked by the explosion of a bomb, which it is believed was intended for use against John D. Rockefeller or his son, the authorities found evidence that Arthur Caron, who was killed with three others, had used his apartment as a center for the distribution of inflammatory literature, and that it was filled with death-dealing explosives.

A small printing press, revolutionary pamphlets and circulars, an electric dynamo, two electric batteries, cartridges and bits of steel were among the articles uncovered, which tend, in the opinion of the police, to show an anarchist plot. That the demonstration, halted by the bungling of some one who was preparing an infernal machine for its mission, was planned against the Rockefeller family in Tarrytown, is the theory on which the authorities are working.

Two of those killed in the wrecked apartment were prominent agitators who were to be placed on trial at Tarrytown on the charges of disorderly conduct in connection with the mourning inaugurated against John D. Rockefeller, Jr., as a protest against his attitude in the Colorado mine strike.

Foreign Market Wanted.

New York.—Discrimination in favor of American shipping in customs and canal tolls, rather than in direct subsidies, was advocated by Representative Oscar W. Underwood, of Alabama, in an address in Brooklyn.

The problem confronting the country, he said, is over-production in most industries, and foreign markets must be found for the excess of production.

\$15,000 is Loss in Fire at Stevenson.
