HUERTA REACHES PUERTO MEXICO

German and British Cruisers
Are Placed at Disposal of
Former Dictator.

Puerto Mexico.—General Victoriano Huerta, who recently resigned as provisional president of Mexico, arrived safely. He was accompanied by General Blanquet, his minister of war.

Answering inquiries as to the state of his health, General Huerta assured the officers that he felt very well, although somewhat tired from the heat.

Captain Kohler, of the German cruiser Dresden, offered him his ship "for any use he cared to make of her."

The trip to this port was without incident or unpleasantness other than that caused by the terrible heat of the tropical lowlands. With Huerta and Blanquet were the general staff. The party occupied a train of nine sleeping cars, four of which were given over to troops.

British Vice-Consul Gemmill also officially called on Huerta and presented him a message, presumably an offer of refuge on the British cruiser Bristol. Huerta read it and expressed pleasure at the consideration being shown him.

In answer to the question: "Why are you leaving the country while you are still able to serve her?" Huerta answered as follows:

"My departure from the national territory has no other cause than to leave the new government an ample field for action. I also believe my continuance here would give rise to conjectures which would result in prejudicing the proceedings of the new government. I declare to the world that the line of conduct I have always followed had no other object than my heartiest desire for the pacification of the country."

GIRL VICTIM OF PLAGUE

Sixth Case Discovered in New Orleans
Six Blocks From First.

New Orleans.—The sixth case of bubonic plague was discovered here Saturday. The victim is Helen Soell, 10 years old. Her home is six blocks from where the first plague case developed June 27.

A force of men directly under the supervision of Dr. Oscar Salomon, of New Orleans, began inspecting all freight leaving the city by rail. Before each car is sealed it will be known definitely that it contains no rats.

An organization of women members of the civic federations, who have been divided into four committees, also have begun work. Each committee will have separate duties, including clean-up campaigns at hotels, hospitals and markets. The fourth committee will devote itself to educational work in homes.

HINDUS VIGOROUSLY OPPOSE DEPORTATION

Vancouver, B. C.—Desperate resistance of the Hindus aboard the Japanese steamer Komagata Maru, who have been seeking admission into Canada, resulted when the Canadian immigration officers attempted to board the vessel and start her back to the Orient.

When the immigration officers, on board the tug Sea Lion, with free provisions for a trip back to the Orient, attempted to board the vessel, the Hindus opened up a fusillade of coal, which finally forced the Sea Lion and its fighting force of 125 armed policemen to beat a retreat.

When the tug was within halting distance of her it was seen that every inch of space along the rail and on the deck and bridge was occupied with Hindus, each armed with a club or other weapon, while at the bow of the ship a solid mass of humanity was congregated.

The tug's hose was made ready and back and forth along the rows of Hindus a stream was played. This form of attack was effective momentarily, but pluckily rallying, several Hindus faced the stream and began dashing a shower of missiles upon the attacking force.

OF INTEREST TO COTTAGE GROVE READERS.

For months Cottage Grove citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Cottage Grove residents. Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement? The following statement should carry conviction to the mind of every Cottage Grove reader.

Mrs. Ella Bisby, 439 Grant Ave., Cottage Grove, Ore., says: "All I ever said praising Doan's Kidney Pills in previous statements, still holds good. I have great faith in this remedy and don't hesitate to recommend it. Doan's Kidney Pills gave me relief from kidney trouble. Another of my family was also greatly benefited by them."
