Grant-Smith.

North Branch Review, Aug. 6.—A pretty wedding took place at the home of Mr. and Mrs. James Smith at Harris on Thursday, July 30th, at one o'clock p. m., when their daughter Frankie Louise was united in marriage to Jack William Grant, Rev. Blaine F. Lambert of North Branch officiating. The house was charmingly decorated with maiden hair ferns and sweet peas. The bride carried a shower bouquet of sweet peas, baby breath and smilax. The dinner table was heavily banked with sweet peas and a mammoth wreath of smilax surrounded the bride's cake in the center. The bride's chair was prettily adorned with clusters of sweet peas tied with white ribbon. About 40 guests were present. The bride is well known and

popular among the younger set at Harris and Sunrise, having spent most of her time here except at the past two years when she taught school at Anoka, Minn., where she has a host of friends. The groom is the son of Mr. and Mrs. Henry Grant of St. Paul and for the past three years has been engaged in the newspaper business at Cottage Grove, Oregon. Immediately after the wedding dinner the young couple motored to North Branch where they boarded a train for White Bear Lake, where they will visit relatives and friends prior to their departure for their new home at Cottage Grove.

Protzman-Price.

J. B. Protzman, auditor of the Oregon Pacific & Eastern R. R., and Mrs. Minnie Price, were married at high

noon, Thursday, August 6, at the home of the bride's sister, Mrs. George Gourley, in Eugene. The impressive ceremony, accompanied throughout by the strains of soft music, was performed by Rev. Willard Elkins, former pastor of the Christian Church in this city. Helen Price and Charles Protzman, children of the contracting parties, stood with the bride and groom. After the ceremony, the wedding party assembled at the Osburn Hotel where a wedding dinner was served. Mr. and Mrs. Protzman and their children left the same afternoon for a two weeks' outing at Bay Ocean, one of the Tillamook beaches.

Those present at the wedding were: Miss Florence Protzman, Mr. and Mrs. A. B. Wood, Miss Alpha Morgan, Miss Ella Anderson, Mr. and Mrs. Gourley and son.

The Ladies' Missionary Society of the Christian Church met Thursday afternoon at the home of Mrs. S. L. Knox. The subject for the afternoon's study was "Our Forms of Work." Report was received from the recent convention at Turner and an interesting and profitable session was enjoyed, after which the members spent a pleasant social hour. Refreshments were served by the hostess. The following guests, in addition to the club members, were present: Mrs. Thomas Bailey of Eugene, Mrs. D. T. Awbrey and Mrs. Mary Huff.

Miss Lola Wilson entertained Friday evening for the pleasure of Miss Merle Schedenhelm who left for her old home in Iowa Saturday night. About twenty of the most intimate friends of Miss Schedenhelm were asked and enjoyed a pleasant evening in conversation and games. Miss Wilson served daintily.

A large number of the friends of Miss Myrtle Bigelow gave a jolly farewell wienersurst roast in her honor Friday evening. The party took the Harrel truck and motored up Row River. Miss Bigelow left Monday for her new home at Molalla.

Mrs. Nelson Durham was the charming hostess at an "at home" Monday afternoon in honor of her house guest, Mrs. Robert T. Sherwood, of Portland. After a pleasant social hour was spent over needlework, Mrs. Durham, assisted by her sister, Miss Mabel Goodridge, served dainty refreshments of apple pie a la mode, wafers and coffee. Those asked to meet Mrs. Sherwood were: Mrs. S. L. Mackin, Mrs. C. E. Umphrey, Mrs. Albert Richmond, Mrs. Van Allison, Mrs. Ernest Bisby, Mrs. Chas. Beidler, Mrs. Ben Groff, Mrs. Thomas Richmond, Mrs. Roy Short, Mrs. Frank Knox, Mrs. Elwyn Spray, Mrs. Elbert Bede and Misses Marguerite Johnson, Ivy and Fern Holcomb.

Mrs. John Baker was the hostess to the Lady Macabees Club Monday afternoon. The time was spent in conversation and needlework, interspersed with music on the graphophone. Dainty refreshments were served.

A charming Japanese tea was given by Miss Eva Richmond Friday afternoon at the home of her sister, Mrs. E. W. Armes. The house was decorated attractively. Shasta daisies and ferns

were used in the living room and pink sweet peas and ferns in the dining room. A number of Japanese curios were displayed. Mrs. Roy Short carried off the prize of a fan for drawing the best picture in imitation of the Japanese art, and Miss Florence Hemenway won the little hickory tray awarded as a trophy for the most successful in the peanut hunt. The hostess served noodles and tea and brick ice cream and wafers at tiny low tables in the dining room. The guests sat on pillows on the floor. Those bidden were: Misses Florence Hemenway, Marian Hooper, Leah Perkins, Myrtle Kem, Nellie Hemenway, Jessie Smith, Jessie McCord, Bertha Stephens, Belle Burkholder, Fern and Ivy Holcomb, Mabel Veateh, Ada Matthews, Mae Armstrong, Ursula Lockwood and Carrie Woods, Mrs. Roy Short and Mrs. A. A. Richmond.

Miss Myrtle Kem is entertaining in formally at her home this afternoon in honor of Miss Katherine Kirkpatrick of Lebanon who is a sorority sister at the University of Oregon. Miss Kirkpatrick is the house guest of Miss Leah Perkins.

FADS AND FANCIES.

By Harriette

One should have the ground prepared now for the planting of bulbs for spring blooming. After the ground is thoroughly prepared and fertilized, the tulip, hyacinth, crocus, snowdrop and narcissus bulbs should be placed in the earth and mulched with leaf mould. In the spring these bulbs will bloom profusely and you will have finer blossoms than if you wait until late in the winter to plant them.

The latest advices indicate that only very short skirts will be tolerated by fashion this coming fall and winter. The very newest styles reported say that all skirts must be at least six inches from the floor.

Delicious buttermilk, fresh and sweet, is made by placing "lactone" tablets in fresh milk and letting it stand for about twelve hours. The lactone buttermilk is much richer and more nourishing as well as being better flavored than the ordinary buttermilk.

The leaves of rose geranium placed on the bottom of the tins in which you bake your cake, under the dough, will flavor a white cake most deliciously. A cake of this sort should be iced with a pink icing flavored with rose.

In tying a middy neckerchief so that it will not be bulky under the back of the collar one should roll it tightly, having someone else hold the two ends on the diagonally folded neckerchief tightly. Roll it tightly, beginning by taking first one side and then another, on the pointed side, small fold at a time, until you reach the long straight side. The roll will be still neater if you press it rolled this way.

Height is said to be the chief characteristic of the advance fall millinery.

LOCAL CONCERN GETS ELECTRIC LIGHTING JOB

Cottage Grove Electric Company Submits Third Proposition. O. L. Nichols Withdraws and Council Renews Contract With Former Company.

Council Estimates a Saving to Consumers of \$3,000

New Street Lighting Contract Provides for About Twice as Much Juice for Street Lights at \$900 Less Than Present Contract Price.

(Continued from first page.) The smaller cost of installation and upkeep of the new lights, he feels that the price is a satisfactory one and about what the company would have been willing to offer even if competition had not been threatened.

There is considerable difference of opinion regarding the action of the council. Those nursing grudges against the present company wanted a chance to vote on the proposed franchise, which they felt certain would carry, and have expressed the opinion that the council backed water.

Others think that the council was only bluffing, that it might not have been able to make the bluff good, and that when it got what it wanted it grabbed it.

The majority of opinion, however, seems to be that the council got what it demanded and that it acted wisely in giving the contract to a local company that has heavy investments here rather than to force the present company out of business by giving the contract to outside people, especially when the local company has met every demand made by the council.

Mayor Chambers and the councilmen are saying little other than that they acted as seemed best for the city, that they went after cheaper lights and got them.

A comparison of present rates with the new rates that will go into effect January 1 gives a good idea of what the council has accomplished.

Old Rates.

Arc lights, estimated candle power of 500 (over entire city) \$80 per year. 32 candle power street lights, \$18 per year. Domestic meter rate, 15 cents per kilowatt hour.

New Rates.

New type nitrogen arc, 1000 candle power on Main street and 700 candle power on other streets, \$50 each per year. 80 candle power street lights, \$18 per year.

Domestic rate, 12 cents per kilowatt hour up to 25 kilowatt hours and 6 cents per kilowatt hour above 25 kilowatt hours.

Flat rates were not given consideration in any of the propositions.

After drawing up the rate proposal which was accepted, Manager Shinn

found that the company would be unable to purchase 1000 candle power lights and will therefore have to furnish the nearest to that size, which is a light of about 1150 candle power, or close to three times the candle power of the light now in use.

Mr. Nichols' bid offered 600 c. p. lights on a three year contract at \$50 per year and for five years at \$55 per year. The bid accepted from The Cottage Grove Electric gives 700 c. p. and 1000 c. p. at \$50 per year.

Mr. Nichols' bid offered 80 c. p. incandescent lights for three years at \$23 per year and for five years at \$20 per year. The bid accepted from the Cottage Grove Electric Co. gives 80 c. p. lights at \$18 per year.

CANDIDATE CONTINUES TO WRITE LETTERS TO PAPERS

Alta King, democratic candidate for the legislature, is going to let the newspapers know that he is a candidate for office.

His third letter to the press is as follows:

"Journalism is one of the greatest and highest of professions. There is no profession in which one can render larger service to his country. There is addition to the profession a degree of public service in which there is no financial recompense.

"Legislation is the right hand of government in carrying out the great purposes of society. Better results will be attained for the people if legislators be elected who are devoted to the welfare of the many rather than to the special interests of the few.

"Lane County stands fourth in value of property in the state; third in population; second in high and public schools; second in privately owned timber and timber in forest reserves; is the home of the state university and has many important industries and resources. Her welfare should be guarded by the best available representatives.

"How shall the voters know who are the best available representatives?"

"As a candidate for the legislature I shall, from time to time, give to the public press and to the voters, in so far as possible, my views of proper public questions.

"If elected I shall give to the people the best service in my power.

"Yours very truly,

"ALTA KING."

BUYERS LEAGUE SPECIALLY INVITES LOCAL MEN

Local business men are urged to attend the big buyers week celebration now in progress in Portland. A night letter, received Saturday from C. C. Chapman, secretary of the League, made the invitation a special one to Cottage Grove and promised a delightful time to those who would attend.

His telegram follows:

"European situation means undoubtedly higher prices on all commodities. Government action obviates any fear of money stringency. Crops will bring higher prices. Prospects for unprecedented prosperity. Now is the time for Pacific Northwest merchants to buy fall stocks. Merchants buyers' week in Portland opens next Monday, August 10. Free railroad fare for some, royal hospitality, entertainment all week to merchants, friends and families. Banquets, luncheon, liberal newspaper publicity. Community will welcome big delegation from Cottage Grove."
