## Fine Weave KNIT UNDERWEAR

### The Perfect Fitting Underwear for Women, Men, Boys, Girls and Children

**Fine Weave Fabric**  
—The fabrics in "Forest Mills" fine weave underwear are unusual in the quality and finish of the yarns, in the fineness of the weave, in softness and elasticity.

**Tailor Made**  
—Each "Forest Mills" garment is cut singly from an individual pattern, giving a uniformity to the merchandise which can be obtained in no other way.

**Finish**  
—It is important to examine the inside of "Forest Mills" underwear and particularly note the smooth "Flatlock" seams. All underwear sewed with other machines leave hanging threads all over the inside, which readily be disclosed by turning other garments inside out for comparison. This important part which comes next to the body is frequently overlooked. The end of each seam (as you will see by turning up end of sleeve) is finished with a buttonhole stitch to add strength and prevent ravelling.

**Correct Measurements**  
—The size of the armholes, the length of the legs, the length of the sleeves, the width of the seat, the length of the body, in "Forest Mills" Fine Weave Underwear are all cut according to correct dimensions, thus affording perfect ease and comfort to the wearer.

The Presbyterian Choir entertained the young people of the church and a few invited guests at a unique hallow'en party last night. The mystic sign led to the home of Dr. and Mrs. B. H. Job where the guests were first ushered through the "chamber of horrors" in the basement. They were then led to the main floor where all things suggestive of hallow'en took place. About fifty-six guests were served with pumpkin pie and coffee.

Hamilton H. Fox of Lake Creek and Miss Minnie E. Comer of this city were quietly married at North Bend last Tuesday, much to the surprise of their friends and relatives. County Judge John P. Hall officiated.

The M. P. G. Club met with Mrs. M. L. Scovell Tuesday of last week. The afternoon was spent in the usual manner and refreshments served. Mrs. Chas. Adams was voted in as a member. The members of the club have arranged a meeting for their husbands Friday evening at the Armand Wynne home.

### Has Unknown Depositor.

The bank of Cottage Grove is anxious to get acquainted with a supposed depositor who signs his name "K. K. Robinson." A check bearing that name for \$2.40 was accepted at one of the stores of the city Saturday. When presented at the bank there could be found no record of such a depositor.

No other stores have as yet reported receiving similar checks. The clerk who accepted the check said he had seen the man before and would recognize him if he should see him again.

### Lumber Company Wins.

In the case of Luther B. Hudson against the Brown Lumber Co. of this city for \$35,000 personal injuries, the jury found for the defendant.

The case was a peculiar one because of the suit not being brought until two years after the alleged injury. The man had worked for the company but two weeks and when the suit was instituted none of the officers or employees of the mill had any idea as to who the plaintiff was. Mark Garoutte, the foreman, did not remember having seen the man before meeting him in the court room.

Hudson claimed that a large slab of lumber struck him, causing a rupture and other injuries which caused a general breaking down of the nervous system. The trial of the case consumed the greater part of three days.

### Sunday Law Unconstitutional

A decision has been rendered by Judge R. G. Morrow in the circuit court, declaring unconstitutional the state law under which Cottage Grove cigar and confectionery stores were closed by the district attorney several weeks ago. Under the decision virtually any class of business house, except those prevented under the city ordinances, may remain open.

Judge Morrow held the law unconstitutional as class legislation and discriminatory, stating that it not only contravened section 20 of Article I of the state constitution, but violated the fourteenth amendment to the constitution of the United States.

The district attorney states that he may carry the case to the supreme court, but in the meantime the cigar stores, or any other store, may remain open on Sunday.

### Every Citizen a Legislator.

If you were a member of the Legislature, how many of the vicious, business destroying bills that are now on the ballot, would you vote for? We are all legislators in Oregon, and as citizens voting to make laws, we are under just as much obligation to use good judgment in voting for measures on the ballot, as we would be if we were in the Legislature. When a man goes into the booth November third to cast his vote on these initiative bills, he should be just as conscientious, careful and thoughtful of the public welfare as he would be if he were a member of the Legislature and the same bills came up there to be acted upon.

Where you don't know that a proposed law will benefit the state as a whole, the only safe thing to do is to vote "NO."

### C. G. High Defeated.

Eugene Register: Outplaying their opponents at every stage of a game where long runs, forward passes and shift plays were all successful on one side, the Eugene high school football team won from the Cottage Grove aggregation yesterday by a score of 84 to 0.

The local high school had the game all on its side from the first quarter on, the score standing at the close of the initial period, 15 to 0. The Cottage Grove team was unable to stop the line plunges of the locals and were bewildered by their trick plays and simply outclassed at the game.

### Eugene Paper Supports King.

Alta King of Cottage Grove is a candidate for the legislature. He is a democrat. He has been a farmer and a school teacher and now is an attorney-at-law. He should be elected by the independent voters of Lane County, regardless of politics. There are three representatives from this county to elect. Among all the candidates, he is the only one from the southern end of the county. The people of Eugene, when Cottage Grove presents a candidate who is capable and who would make an able and trustworthy representative, should aid in his election in view of the fact that two of the candidates to be elected must necessarily come from this part of the county.—Eugene Guard.

### Descendent of Pres. Adams.

this union. He married Miss Minerva Crowwell November 23, 1875. She died April 10, 1907.

Mr. Adams took quite an interest in mining during his residence in Oregon. He mined several years near Althouse before settling here. He was one of the earliest prospectors in the Bohemia district, where a mountain bears his name. He also discovered the quick-silver mines at Black Butte. He took part in the Rogue River Indian War, being in the commissary department. He was a Mason and in his earlier life took quite an interest in politics, being a staunch republican.

The surviving children are Mrs. Charles Viles of Monta Villa, Portland; Mrs. Mary Hawley of The Dalles; Mrs. A. J. Armstrong of Cottage Grove; Mrs. Charles VanBuren of Pleasant Plains; Mrs. Frank Cathart of Raymond, Wash.; Mrs. G. W. McFarland of Cottage Grove.

There were ten grandchildren and one great grandchild.

### Chamberlain Is Frank.

(Continued from first page)

referred to the same charges being made against Roosevelt, against Webster, against U. S. Grant and against Cleveland and other great men of the country whose service was none the less of value because of such charges. He said he could get a certificate of character from every member of Congress, but that he would not thus humiliate himself just to satisfy those who asked questions.

No reference was made in any way to prohibition.

The speaker spent most of his time in praising the work of President Wilson and the administration, being very modest in claiming any share in it. About the only reference made to his own work was in stating that he is always on the job and in saying that he had charge of the Alaska railway bill. He did not claim credit for having proposed the measure, merely for his efforts in securing its passage. No reference was made to the reclamation funds.

The Senator referred to himself as the abused hired man of the people and asked for votes only upon his record of 21 years as a servant of the people. He said that he has never been charged with dishonesty and that he felt that his record in the senate would result in his re-election.

The speaker appeared tired and weary. While the audience showed some enthusiasm, the speaker was not in physical condition to stir it to any great ovation. Col. R. M. Veatch presided and introduced the speaker.

### OSWALD AND BOOTH

(Continued from first page)

when he (West) was charged with graft.

Mr. West did not attempt to deny these charges.

Can any confidence be placed in the statement of one who would be guilty of packing juries, who would acknowledge taking graft, who admitted before a Cottage Grove audience that he got a good bill through the Legislature by crooked means?

**AT NO TIME** in the campaign has a charge been made against Mr. Booth that he hasn't been quick to answer and disprove. His demand to meet West in debate must cause the unprejudiced mind to believe he had nothing to hide. The rowdism of the West cohorts, whom even the Governor couldn't control, leads to the belief that they were afraid to let Booth show up the utter falsity of the West charges.

At no time has the least aspersion been cast upon Mr. Booth's private life. Not a flaw has been found there. What was found there was of such a character that the Democrats did not care to advertise it.

There is probably no man in Oregon more respected by Republicans and Democrats alike than George M. Brown of Roseburg, Republican candidate for Attorney-General. Here is what he says of Mr. Booth:

"I have known Mr. Booth almost all his life and never knew a more upright man. I had never heard a word against Mr. Booth's integrity until the present campaign. I knew Mr. Booth's mother—a grand old lady, and I know how devoted the son was to her. It has been my observation through life that a boy who loves his mother and is good to her cannot do anything but what is right."

**IF THE CHARGES** against Mr. Booth were true, no other considerations would be great enough to warrant his election, but The Sentinel believes they have been successfully disproven, therefore Mr. Booth is entitled to the vote of every man and woman who wishes to repudiate such an infamous campaign of slander, who believes in the principles of the National Republican Party, who believes that the return of Republicans to congress means a return to prosperity, who believes in the protection of Oregon industry.

No Republican has any valid excuse to vote for anyone but Mr. Booth for United States Senator.

Lane County should vote solidly for the Lane County candidate—Mr. Booth.
