

FAIR EXCHANGE!

A New Back for an Old One. How it can be Done in Cottage Grove.

The back aches at times with a dull, indescribable feeling, making you weary and restless, piercing pains shoot across the region of the kidneys, and again the loins are so lame that to stoop is agony. No use to rub or apply a plaster to that back if the kidneys are weak. You cannot reach the cause. Cottage Grove residents would do well to profit by the following example.

Mrs. C. Hyer, 589 W. Sixth St., Eugene, Ore., says: "I was taken with pains in my back which caused me great annoyance. I suffered from pains in my limbs also. I read of different people who had used Doan's Kidney Pills with good results, so I decided to try them myself. I used two boxes and they proved to be as represented. It is some time since I have taken them and I have had no sign of the trouble."

Try This for Neuralgia.

Thousands of people keep on suffering with Neuralgia because they do not know what to do for it. Neuralgia is a pain in the nerves. What you want to do is to soothe the nerve itself. Apply Sloan's Lintiment to the surface over the painful part—do not rub it in. Sloan's Lintiment penetrates very quickly to the sore, irritated nerve and allays the inflammation. Get a bottle of Sloan's Lintiment for 25 cents of any druggist and have it in the house—against Colds, Sore and Swollen Joints, Lumbago, Sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.

Sheriff's Sale on Foreclosure

Notice is hereby given, that by virtue of an Execution and Order of Sale issued out of the Circuit Court of the State of Oregon for Lane County, on the 12th day of January, 1915, on a certain judgment rendered in said Court on the 5th day of January, 1915, in a suit wherein the Plaintiff, B. I. Land and A. N. Land recovered judgment against the defendant, Jonathan H. Frakes, for the sum of Eight Hundred Ninety nine and no/100 (\$899.00) dollars with interest thereon at the rate of 8 per cent per annum since May 28th, 1914, and One Hundred and no/100 (100.00) dollars attorney's fee, and Seventeen and no/100 (\$17.00) dollars costs and accruing costs, which judgment was enrolled and docketed in the clerk's office of said court in said county on the 12th day of January, 1915, and said Execution to me directed commanding me in the name of the State of Oregon in order to satisfy said judgment, attorney's fee, costs and accruing costs to sell the following described mortgaged premises, to-wit:

The West half of the Northwest quarter of Section Ten (10) in Township Twenty-one (21) South Range, Two (2) West of the Willamette Meridian, in Lane County, Oregon.

Now, therefore, in the name of the State of Oregon and in compliance with said Execution and Order of Sale, I will on Saturday, the 20th day of February, 1915, between the hours of 9 o'clock a. m. and 4 o'clock p. m., to-wit: at 1 o'clock p. m. on said day at the South-west door of the County Court House, at Eugene, Lane County, Oregon, offer for sale for cash, subject to redemption, the said mortgaged premises above described, and all the right title and interest of the said Jonathan H. Frakes, in and to said premises.

J. C. PARKER,
Sheriff of Lane County, Oregon.
320-27-13-10-17 D. A. Elkins, deputy.

Notice of Application for U. S. Patent

Mineral Survey, No. 682, Mineral Application No. 09939; U. S. Land Office, Roseburg, Oregon, January 14, 1915.

Notice is hereby given, that in pursuance of the Act of Congress approved May 10, 1872, Milton Smith, whose post office is Rainier, Oregon, intends to make application for a patent for the following described mining claims embraced in Mineral Survey No. 682, held and worked as a group known as the Mayflower Group of mines and situated in unsurveyed township 23, south of range 2, east of Willamette Meridian and in the Bohemia (unorganized) Mining District in Douglas County, Oregon, to-wit:

1. 981.42 linear feet and horizontal measurement on the Bonita lode or vein together with 300 feet on the north side and 300 feet on the south side of the middle of said vein at the surface, and all veins, lodes, ledges or deposits and surface ground within the lines of said claim 17 feet, running south 87 degrees three minutes east from center of discovery cut and 964.42 feet running north 87 degrees three minutes west from center of discovery cut, said discovery cut being situated upon said lode or vein, and within the lines of said claim, which claim is described by the official plat and field notes in the office of the Register of the United States Land Office at Roseburg, Oregon, as follows, to-wit:

Beginning at corner No. 1, whence U. S. Mineral Monument "Bohemia Mine" bears north 68 degrees, twenty-six minutes and forty-nine seconds west 6889.84 feet; thence south 87 degrees three minutes east 981.42 feet to the northeast corner post No. 2; thence south two degrees fifty-seven minutes west 600 feet to the southeast corner post No. 3; thence north eighty-seven degrees three minutes west 981.42 feet to the southwest corner post No. 4; thence north two degrees fifty-seven minutes east 600 feet to the northwest corner post No. 1, and place of beginning, containing 13.518 acres. The adjoining claim, as shown by the plat of survey, is the Yreka lode, also embraced in said application. There are no conflicting claims.

2. 1500 linear feet and horizontal measurement on the lode or vein, together with 300 feet on the north side and 300 feet on the south side of the middle of said vein at the surface and all veins, lodes, ledges, or deposits and surface ground within the lines of said claim 586.91 feet running south 87 degrees three minutes east from center of discovery cut and 913.09 feet running north 87 degrees three minutes west from center of discovery cut, said discovery cut being situated upon said lode or vein and within the lines of said

claim, which claim is described by the official plat and field notes in the office of the Register of the United States Land Office at Roseburg, Oregon, as follows, to-wit:

Beginning at corner No. 1, whence U. S. Mineral Monument "Bohemia Mine" bears north 73 degrees forty-four minutes twenty-three seconds west 7826.25 feet; thence south 87 degrees three minutes east 1500 feet to the northeast corner post No. 2; thence south two degrees fifty-seven minutes west 600 feet to the southeast corner post No. 3; thence north 87 degrees three minutes west 1500 feet to the southwest corner post No. 4; thence north two degrees fifty-seven minutes east 600 feet to the northwest corner post No. 1, and place of beginning, containing 20.661 acres. The adjoining claims, as shown by the plat of survey are the Bonita and the Ely-Pearson, which are also embraced in said application. There are no conflicting claims.

3. 1500 linear feet and horizontal measurement on the Ely-Pearson lode or vein together with 300 feet on the north side and 300 feet on the south side of the middle of said vein at the surface, and all veins, lodes, ledges or deposits and surface ground within the lines of said claim 1073.5 feet running north 86 degrees nineteen minutes west from center of discovery cut and 426.5 feet running south 86 degrees nineteen minutes east from center of discovery cut, said discovery cut being situated upon said lode or vein and within the lines of said claim, which claim is described by the official plat and field notes in the office of the Register of the U. S. Land Office at Roseburg, Oregon, as follows, to-wit:

Beginning at corner No. 1, whence U. S. Mineral Monument "Bohemia Mine" bears north 71 degrees thirty-three minutes twenty-four seconds west 9351.08 feet, thence south 86 degrees nineteen minutes east 1500 feet to the northeast corner post No. 2; thence south two degrees fifty-seven minutes west 600.04 feet to the southeast corner post No. 3; thence north 86 degrees nineteen minutes west 1500 feet to the southwest corner post No. 4; thence north two degrees fifty-seven minutes east 600.04 feet to the northwest corner post No. 1, and place of beginning, containing 15.753 acres, after excluding conflict with Buckhorn lode of this survey and which is also embraced in said application. The adjoining claims, as shown by plat of survey are the Yreka lode and the said Buckhorn lode and there are no conflicting claims, except said Buckhorn lode.

4. 1500 linear feet and horizontal measurement on the Buckhorn lode or vein, together with 300 feet on the north side and 300 feet on the south side of the middle of said vein at the surface, and all veins, lodes, ledges or deposits and surface ground within the lines of said claim 394.76 feet running south 51 degrees four minutes east from center of discovery cut and 1105.24 feet running north 51 degrees four minutes west from center of discovery cut, said discovery cut being situated upon said lode or vein, and within the lines of said claim, which claim is described by the official plat and field notes in the office of the Register of the United States Land Office at Roseburg, Oregon, as follows, to-wit:

Beginning at corner No. 1, whence U. S. Mineral Monument "Bohemia Mine" bears north 72 degrees fifty-four minutes fourteen seconds west 9926.05 feet; thence north 38 degrees fifty-six minutes east 600 feet to the northeast corner post No. 2; thence south 51 degrees four minutes east 1500 feet to the southeast corner post No. 3; thence south 38 degrees fifty-six minutes west 600 feet to the southwest corner post No. 4; thence North 51 degrees four minutes west 1500 feet to the northwest corner post No. 1 and place of beginning, containing 20.661 acres. The adjoining claims, as shown by the plat of survey are the Ely-Pearson lode and the Nightingale lode, which are also embraced in said application. There are no conflicting claims, except the said Ely-Pearson lode.

5. 1500 linear feet and horizontal measurement on the Nightingale lode or vein, together with 300 feet in width at the surface, and all veins, lodes, ledges, or deposits and surface ground within the lines of said claim, which claim is described by the official plat and field notes in the office of the Register of the United States Land Office at Roseburg, Oregon, as follows, to-wit:

Beginning at corner No. 1, a post four feet long, four inches square set firmly in the ground, whence corner No. 2 of the Buckhorn lode of the Mayflower group bears south 51 degrees four minutes east 198.4 feet, thence north 38 degrees fifty-six minutes east 300 feet to west end center post, 400 feet to corner No. 2, a post four feet long, four inches square, set firmly in the ground, thence south 51 degrees four minutes east 1500 feet to corner No. 3, a post four feet long, four inches square, set firmly in the ground, thence south 38 degrees fifty-six minutes west 300 feet to east end center post, 600 feet to corner No. 4, a post four feet long, four inches square, set firmly in the ground, whence corner No. 3 of the Buckhorn lode of the Mayflower group bears south 51 degrees four minutes east 198.4 feet, thence north 51 degrees four minutes west 1500 feet to corner No. 1, and place of beginning, containing 20.661 acres. The adjoining claim, as shown by the plat of survey is the Buckhorn lode, also embraced in said application. There are no conflicting claims.

This notice together with a copy of plat of said mining claims, as shown by Mineral Survey No. 682, certified by the Surveyor General of the State of Oregon, posted on said claim the 26th day of October, 1914.
J. M. UPTON,
Register.

Notice of Final Settlement

Notice is hereby given, that the undersigned administrator of the estate of Arthur VanSchoick, deceased, has filed with the County Court of Lane County, State of Oregon, his final account as such administrator and that Saturday, the 6th day of February, A. D. 1915, at the hour of 10 o'clock a. m. of said day, has been fixed by said court as the time for the hearing of any objections to said report, the settlement of the said estate and of the distribution of the residue thereof.
Frank VanSchoick,
Administrator.
H. J. SHINN, Attorney. 36-13

SUMMONS IN THE CIRCUIT COURT OF THE STATE OF OREGON FOR LANE COUNTY.

Gottfried Graber, Plaintiff,
vs
Daisy A. Cobb and F. E. Rosenberg, Defendants.

To Daisy A. Cobb and F. E. Rosenberg, defendants above named:

In the name of the State of Oregon, you and each of you are hereby required to appear and answer the complaint of plaintiff filed against you in the above entitled court within six weeks from the date of the first publication of this summons, and if you fail to so appear and answer said complaint, for want thereof the plaintiff will apply to the court for the relief demanded in his said complaint, which said relief is for a judgment against the defendant Daisy A. Cobb for the sum of \$250.00, with interest thereon at the rate of 8 per cent per annum from the 26th day of September, 1913, until paid and for a reasonable attorney's fee to be allowed by the court, and the foreclosure of a mortgage given by the defendant, Daisy A. Cobb and J. A. Cobb, her husband, to the plaintiff on or about the 26th day of May, 1911, to secure the payment of a note for the above amount, payable in two years from said date, and which said mortgage conveyed to plaintiff, for that purpose, the following described real property, to-wit:

Beginning at the Southeast corner of the Southeast quarter of the Northeast quarter of Section 24, and running thence North 20 rods; thence West 80 rods; thence South 20 rods, and thence East 80 rods, to the place of beginning, containing 10 acres of land, all in Section 24, Township 21 South, Range 4, West of the Willamette Meridian, in Lane County, State of Oregon.

And further decreeing plaintiff's said mortgage to be a first lien upon said premises, and foreclosing the same, and barring and foreclosing the defendants and each of them from any and all right, title, interest or claim, in or to the said premises and every part and parcel thereof, except the statutory right of redemption, and declaring the lien of plaintiff's said mortgage to be prior in time and superior in right to any lien of the defendant, F. E. Rosenberg. This summons is published once a week for six successive and consecutive weeks in "The Cottage Grove Sentinel," a newspaper of general circulation, published at Cottage Grove, Oregon, by virtue of an order of Hon. G. F. Skipworth, judge of the above entitled court, made on the 5th day of January, 1915.

The first publication of this summons is on the 6th day of January, 1915, and the last publication will be on the 17th day of February, 1915.

J. S. MEDLEY,
Attorney for Plaintiff.

SCHOOL ATTENDANCE IS GOOD

Supervisory District No. 7 Has Average Of 95 Per Cent

According to the report of Supervisor C. R. Stahlman for the month of December, Supervisory District No. 7 shows an attendance average of 95 per cent. Following is the report in full:

District No. 2, 42, 61, 125, 162, show an average percentage of attendance of 99. District No. 20, 24, 34, 128, 98.4 per cent. District No. 31, 40, 45, 98 per cent. Union High school No. 6, 97.3 per cent. District No. 25, 26, 84, 93, 105B, 96.7 per cent. District No. 35, 48, 63, 95.5 per cent. District No. 36, 50, 124, 130, 94.7 per cent. District No. 58, 113, 119, 177, 178, have an average of 93.4 per cent. District No. 44, 80, 122, 92 per cent. This is the minimum percentage for securing the standard star. The districts falling below the minimum were No. 37, 105A, 13, Union High schools No. 2 and 3. District No. 37, 46, 184, were not in session during December.

The average percentage for the month was 95.

Only two truancy cases have been reported during the year.

1914 OREGON METAL PRODUCTION

Shows Decrease in Gold, Silver, Copper And Lead

Preliminary estimates of the output of metals from Oregon mines in 1914, made by Charles G. Yale, of the United States Geological Survey, show general decreases from the figures for 1913. The gold yield for 1913 was \$1,627,710 and the estimate for 1914 is about \$1,600,000. The silver output for 1913 was 179,036 fine ounces, and the estimate for 1914 is 126,000 ounces, or 53,000 ounces less. The yield of copper in 1914 was about 5,000 pounds, or 38,000 pounds less than 1913, and the yield of lead was 41,000 pounds, or 46,000 pounds less.

There are only about 175 producing mines in Oregon, of which 125 are placers, most of them on a small scale and two-thirds of them hydraulic mines. The most productive deep gold producer in the State in 1914, as also in 1913, was the Rainbow Commercial Mining Co., in the Mormon Basin district, Baker County. Other large producers in the same county are the Columbia Gold Mines Co., at Sumpter, Cracker Creek district; Cornucopia Mines Co., of New York, Union and Last Chance mines, Cornucopia district; Highland Development Co., Baker district; Ben Harrison Mining Co., Granite district; and Bonanza Mining Co., Cornucopia district. Outside of Baker County the only producing deep mine of note is the Humboldt Consolidated, in the Mormon Basin district, Malheur County. The most important placer producers are the Powder River Dredge Co., Cracker Creek district, Baker County; the Snyder Consolidated Gold Mining Co., (Ltd.) operating a drift mine in the Granite district, Baker county; the Boulder Creek hydraulic and drift mine, in the Cornucopia district; and the Tom East hydraulic mine in the Grave Creek district. The yield from the dredging operations was greatly in excess of that from all other forms of placer mining combined.

By far the largest production of gold from both deep and placer mines continues to come from Baker County, which annually yields about 84 per cent of the total gold of the State.

INDUSTRIAL OREGON

Siuslaw Port Commission has authorized sale of \$100,000 bonds for harbor improvement.

Salem is to have a state institution for crippled children.

Albany is still pushing for a cannery. The Multnomah delegation will ask the legislature for a \$1,000,000 state highway fund.

Bandon spent \$70,000 for sewer and street work in 1914.

Marshfield is to have a new state bank.

One firm has shipped out 90 carloads of Hood River apples.

The California-Oregon Power Co. plant that burned at Ashland is being rebuilt at a cost of \$10,000.

It is believed that the legislature will cut out all expensive junketing trips this season.

Fort Rock-Cougar Valley is to be supplied with telephone service at \$15 per share.

Babe—Sawmills here will operate February 1, with prospects for \$2.00 raise in lumber.

Couch and Shattuck schools at Portland put in Fess oil burners to cost \$160,000.

Haines—J. F. O'Bryant will erect a 60 by 100 public hall and theatre.

Portland mining men will build a gold quartz mill on the Deschutes near Terrabonne to be running by May 1st.

The Spokesman-Review says "Welcome signs of American reaction against governmental extravagance appear in every section of the United States." Let government both state and national be put under the spot light of investigation that private business has the past few years and the results would be astounding. It is high time business began to investigate the government.

Baker is shipping point for the warehouse industry.

Reported contract let for railroad from Salem to Stayton.

Florence—Shipping moss becoming a big industry here.

Railroad economies' compell cutting out all advertising folders for western states.

Eugene cannery took 2,000,000 pounds fruit from growers.

Ontario—D. M. Taggart has invented a single-tree of ten times ordinary strength and will manufacture same here.

After being closed down for two months, the three shingle mills operated by the L. B. Menefee Lumber Company in the Columbia River district will start up January 18.

The opening week of the legislature was spent taking economy at an expense of \$3000 per day in lieu of practicing any.

Jacksonville—A placer mine a quarter of a mile east, at a depth of 43 feet is panning great quantities of gold.

The Oregon Mill & Grain Co., at Baker will establish a flouring mill at Haines.

Baker Herald—The state legislature has a few problems worth considering. If they handle these as they should the public will allow them to pass up the others.

Burns—The J. C. Turney oil well near here is down 2130 feet.

The ovation given to Governor Withycombe at his inauguration will be forgotten compared to the one he will receive if he unloads a million dollars a year off the taxpayers.

Baker has organized a county humane society.

A reform bill that would reduce administration costs in higher education is the One-Board plan for higher educational institutions. To get rid of duplications and secure centralization and business administration is the laudable purpose of this measure.

Last half of December west Coast points shipped 24,000,000 feet of lumber to San Francisco. Coos Bay sent 9,000,000 feet.
