WORLD-WIDE AUTOCRACY IS COMING AND NEAR

It Will Be an Exclusive and Aristocratic Monarchy.

Pastor Russell Describes the Fifth Universal Empire of Earth—The Reign of Sin and Death Shall Be Overthrown. Humanity Will Be Uplifted From Ignorance and Superstition—Calling the Elect the Work of the Gospel Age. The Future Royal Family—Instructed and Polished For Their Exaltation. Messiah's Kingdom a Theocracy.

PASTOR RUSSELL

New York City, Jan. 3.—Pastor Russell addressed a large audience tonight at the New York City Temple, W. 63d St. and Broadway. His text was, "For He must reign, till He hath put all enemies under His feet." (1 Corinthians 15:25.) He said in part:

Many of us have learned to appreciate a republican form of government as the very highest type of civil administration. I trust that I am not one whit behind the most patriotic of you in my appreciation of the great Government of these United States, which many of us believe is the noblest that has yet risen amongst men. Nevertheless, the Bible teaches that Messiah's Reign will be that of a monarchy; and not only so, but that it will be a very exclusive and aristocratic monarchy. Additionally, it will be most autocratic—theocratic; for the will of its subjects will not be consulted in the slightest particular.

At first, in alarm, we are ready to say, Would not that be a most dangerous condition of things? Could any royal ally, however noble and generous, be entrusted with such autocratic power without fear of its being misused for the enslavement of the people, for the aggrandizement of the rulers? Have we not learned this in the history of the past six thousand years? Do we not see the necessity for curtailing and controlling the powers of kings and governors? Are we not more and more brought to realize the necessity that the people shall rule, whether in Congress or in Parliament, in Doumas or in Chambers of Deputies?

Yes, yes, my dear friends, I heartily accede to all this; but when I shall describe to you the nature of the Kingdom that is to be established, and its personnel, all your fears will assuredly flee, and you will rejoice exceedingly that the Divine arrangement is what it is in respect to the theocratic Kingdom shortly to be established and to take over the government of the world.

Scripturally it is described as the Fifth Universal Empire of earth. I remind you of King Nebuchadnezzar, as interpreted by the Prophet Daniel. It was of an image majestic, grand. The head of the image was Nebuchadnezzar's own kingdom at Babylon, the first to rule over the earth. Next, represented in the breast and the arms of silver, came Medo-Persia, the second Universal Empire of earth, the conqueror of Babylon. Next, represented in the belly and thighs of the image, came Greece, the third Universal Empire of earth, which conquered Medo-Persia. Next, represented in the legs of iron, came Rome, the fourth Universal Empire, conqueror of Greece.

There are to be no more until Messiah's Kingdom; it will be the fifth. Meantime, we have had two attempts at a fifth monarchy, both unsuccessful. One of these attempts was by the Papacy; the other was that of Napoleon I. During this time the present divisions, which resulted from the breaking up of the Roman Empire, are represented by the feet of the image, with their ten toes.

Smiting the Image's Feet.

The prophecy declares (Daniel 2:44) that in the days of these kings, represented by the toes of the image, the God of Heaven will set up a Kingdom, which shall subdue all kingdoms and which shall never be overthrown. It shall "be given to the people, saints, of the Most High God, and they shall take the Kingdom and possess it forever, even forever and ever" (Daniel 7:18, 27). In the picture God's Kingdom is symbolically represented as a great stone, hewn from the mountain without hands—supernaturally it shall smite the image in its feet; and forthwith "the iron, the brass, the silver and the gold shall become like the chaff of a threshing floor, and the wind shall carry it away"; but the Mountain shall increase until "it shall fill the whole earth."

Thus in a figure, or symbol, God pictures things now shortly to come to pass. This crushing of the feet of the image was to come in the end of the Age, and would be the preparatory step to the establishment of Messiah's Kingdom. So long as these governments would be here, they and Messiah's Kingdom could not co-operate. The Gentile powers are based on selfishness and coercion; Christ's Kingdom will be based on justice, love, mercy, under the Prince of Peace.

The present terrible war is not the great Time of Trouble in the fullest sense of the word, but merely its forerunner. The great Time of Trouble of the Scriptures will be brought on by anarchy—the general uprising of

the people: "Every man's hand against his neighbor, no peace to him that goeth out or to him that cometh in." (Zechariah 8:10; 14:13.) Our thought is that this great war will weaken the nations, cripple the world financially, discredit the rulers, and thus open the way for anarchy.

Rome and Constantinople stand for, represent, the two legs of the image which King Nebuchadnezzar saw; for he remembered that each in turn was the Roman Capital and representative of the image. We are certainly justified in watching with considerable interest the present war and what it may be leading to in the way of involving all the ten kingdoms represented in this prophecy.

But that is not the special point of interest in my subject; rather, I am discussing the character of Messiah's Kingdom, which is to rule the world, overthrow Sin and Death, and uplift humanity from ignorance, superstition, sin, weakness and death. The declaration is that Messiah shall reign until He shall have put down all insubordination, and that the last enemy to be destroyed will be death—1 Cor. 15:25, 26.

This is the Kingdom for which the Master Himself taught His followers to pray. Nothing slight or insignificant will be the outcome of that glorious Messianic Reign of a thousand years. At its very beginning Satan will be bound, with all that this signifies—the repression of evil and darkness. For a thousand years the Sun of Righteousness shall pour forth the light of truth and grace upon our poor, fallen race until the knowledge of God's glory shall fill the whole earth as the waters cover the great deep.

Eventually all wilful opponents of that Kingdom will die the Second Death, from which there will be no redemption, no recovery. But meantime, all the willing and obedient will be rising, not only from the tomb, but also out of all the weaknesses and frailties of the present time, up, up, up, to the fulness of perfection of life, although they will not live again in this perfect sense until the thousand years shall be finished. With the close of the Reign of Righteousness, after it shall have accomplished its work of delivering the groaning creation from the bondage of corruption, sin and death, Messiah will abdicate the Throne; as it is written, "He will deliver up the Kingdom to God, even the Father, that He may be all in all."—1 Cor. 15:24.

No More Sighing, Crying, Dying.

What a glorious triumph that will be when every creature in Heaven and earth, and under the earth, shall be heard saying, Praise, glory, honor, dominion and might be unto Him that sitteth upon the Throne, and unto the Lamb, forever! (Revelation 5:13.) What a glorious condition will then obtain when there shall be no more crying, no more sighing, no more dying; for all the former things shall have passed away! Ah, He that sitteth upon the Throne said, "Behold, I make all things new!" Glad we are that our great Messiah is about to overthrow sin and evil, about to establish righteousness on a permanent and everlasting foundation, which will insure that to all eternity God's will shall be done as perfectly on earth as done in Heaven.

I ask you to consider candidly—your need not reply—Is there a kingdom in the world today that in your judgment truly represents a Divine government amongst men? Is there a perfect government, is there a single spot in all the earth where God's will is done as it is done in Heaven? You are conversant with history. You know the bloody record which marks its pages. You know that so-called Christian Europe has been drenched with blood more than any other part of the world. You know that the cause of wrong has triumphed as often or oftener than the cause of right. You know that today these kingdoms of Europe, styled kingdoms of God, are destroying one another. You know that great guns, great battleships and monster torpedoes, etc., such as the world has never known before, have been prepared by these various nations for use, either aggressively or defensively, against one another, while they all claim to be Christ's kingdoms. Is this logical? Is this rational? Most assuredly not!

We must go to the Bible for true information on this subject. It tells us that these kingdoms are not the kingdoms of God, but "kingdoms of this world." It tells us that Satan is the Prince of this world (John 14:30; Ephesians 2:2); that he is "the god of this world," "that now worketh in the hearts of the children of disobedience"—so much more numerous than the children of obedience that he through them holds the world's control.

But with equal clearness the Bible declares the Divine Power and mastery over Satan—that he and his reign of Sin and Death are permitted of God for a limited time and for a special purpose. The testimony tells us that when the due time shall come Messiah shall take His great power and reign, and then Satan shall be bound and all the forces of sin and darkness be restrained. Then the Sun of Righteousness shall arise with healing in its beams to flood the earth with the light of the knowledge of the glory of God.

"The Election Hath Obtained It." Come with me and take a cursory view of God's great work thus far accomplished. For more than two thousand years God gave no clear intimation of what He intended to do for the fallen race. Then He made a statement to Abraham, so clear, so explicit, that St. Paul declares that it was a statement of the Gospel in advance. God said to Abraham, I purpose to bless the world. This could only mean, I purpose to relieve them of the curse of death which came upon them through Adam's sin. God added to Abraham, This blessing which I will bring to all the families of the earth (Concluded next week)

GREAT MEN BORN IN FEBRUARY

Abraham Lincoln—Being an Eloquent Orator by Our Office Devil

Abraham Lincoln was a man and a split log. He also split up what states there was when he was, and then tied them together again tighter than ever.

Abraham Lincoln wrote the Explanation Procrastination. He wrote lots more, too, but what I just said was the greatest what he ever wrote. It meant that all negro slaves didn't have to be slaves any more, and they ain't. Nearly every negro man and boy has been named Lincoln ever since he done what I said.

Abraham Lincoln wasn't a pretty man. I don't think any men are. Only Abraham Lincoln was more so. He was a good man, though, and got to be elected president. All good men don't get to be presidents, and all presidents don't seem to have to be good men.

I don't want to be president of America, but I wish I could be president of a big base ball team.

That's all I know about Abraham Lincoln.—Ex.

George Washington

George Washington was born in Virginia, the mothering state of presidents until Ohio took up the job. Regarding the Peck's Bad Boy stage of Washington's life little is known except the cherry tree incident. Concerning this, there is a wide variance of opinion, the muckrakers declaring it all puff and puff, while the ordinary mortals consider it a priceless heritage of history.

Washington Married Martha Curtis out of a possible choice of Betsy Ross, Molly Pitcher, Janice Meridith, and the Goddess of Liberty. Shortly after this he took up his military career, fighting many battles outside of his own hearth and home. The closing years of his life were spent in declining the presidency, the Kingship of America and similar jobs.

Washington was the founder of a city of magnificent deficits and was the only man ineligible to membership in the Ananias Club or the Press Agents' Association. It is to be regretted that the tendency of the times is to name bull pups, sections of triplets, and fourth-class postoffices for the immortal George, while the more creditable honors go to Hans Wagner, Ty Cobb, and other rounders.

Newspaper men, more than any other class, imitate the veracity of Washington. With the possible exceptions of obituaries, weddings, and when speaking of their circulation, most publishers adhere to the straight and narrow about as closely as we imagine George did.—Ex.
