ANSWER THE CALL

COTTAGE GROVE PEOPLE HAVE
FOUND THAT THIS IS
NECESSARY.

A cold, a strain, a sudden wrench,
A little cause may hurt the kidneys.
Spells of backache often follow,
Or some irregularity of the urine.
A splendid remedy for such attacks,
A medicine that has satisfied thou-
sands

Is Doan's Kidney Pills.
Thousands of people rely upon it.
Here is one case:

Mrs. Alma Hunt, 565 W. Sixth St.,
Eugene, Ore., says: "Continued use of
Doan's Kidney Pills did me a world of
good, so I don't hesitate to again en-
dorse them. I believe that they are
the very best kidney remedy to be had."

The above is not an isolated case.
Mrs. Hunt is only one of many in this
vicinity who have gratefully endorsed
Doan's. If your back aches—if your
kidneys bother you, don't simply ask
for a kidney remedy—ask distinctly for
Doan's Kidney Pills, the same as Mrs.
Hunt had. 50c all stores. Foster-Mil-

**Colds Are Often Most Serious—Stop
Possible Complications.**
The disregard of a cold has often
brought many a regret. The fact of
sneezing, coughing, or a fever should be
warning enough that your system needs
immediate attention. Certainly loss of
sleep is most serious. It is a warning
given by nature. It is man's duty to
himself to assist by doing his part. Dr.

Cottage Grove Manufacturing Company's Silent Salesman A 'CROSS COUNTER TALK

Customer: "What constitutes good paint?"
Dealer: "Good paint depends on the materials used, the pro-
cesses of manufacture, and the skill of the paint maker—no more,
no less."
"Sherwin-Williams Paint, Prepared, is good paint—the best paint,
in fact, that can be made. No care or detail is lacking in its man-
ufacture. The materials employed are of the highest quality and
are properly put together by experienced paint makers. The
linseed oil—the vital part of paint—used in S.W.P. is made especially
by The S.W. Co. in their own mill. The pigments are selected
with greatest care and scrupulously tested. The tinting colors are
products of the Company's own dye color works. And the mills
used for grinding and mixing are designed and made in the machine
shops of the Company. They embody the most advanced ideas in paint
making. With such high quality materials, such care and attention,
S.W.P. must be and is good paint all the way through."
