FAMOUS RELIGIOUS EDITOR. THE CATHOLIC

The famed Bible defender, the ven Lane County, appointed administratrix erable Pastor Russell of London and of the estate of James Hemenway, de Brooklyn Tabernacles, has won un-Brooklyn Tabernacies, has won unstinted praise from the press and publie of many nations by forty years' un ceasing activity as evangelist and

In the early part of his ministry smaller cities were frequently visited. but not so now, since his field of op eration has become world-wide, and the urgent invitations to deliver free public lectures in the largest cities have become so numerous that even all of these cannot be accepted.

For the past several years Pastor Department of the Interior, U. S. Land Russell has made semi-annual foreign Office at Roseburg, Oregon, February tours, and, through the press reports of his meetings held in large public halls of the leading cities, he has received much favorable comment and publicity.

Wonderful Drawing Power.

As a public speaker on Bible topics, Pastor Russell stands unrivaledstands alone in a place created by his own individual work, a place not previously attained nor occupied by another.

The mammoth crowds that repeatedly assemble to hear him at every opportunity is conclusive evidence as to his drawing power. Last year, while conducting a series of Sunday meetings in the London Royal Albert Hall, Pastor Russell received written communications through the mail from more than six thousand persons, requesting printed copies of his sermons. So spontaneous a demand was both unprecedented and unlooked for. Another evidence of his popularity on the other side of the rolling blue is the publication of his weekly sermons in something over three hundred papers

The Editor of Great Britain's foremost family paper, The People's Joursal, has so aptly commented and acted on the matter that we can do no better than to quote here the heart-toheart talk he gave his readers. He

A Wonderful Preacher.

"It is not the non-church-going tendencles of the Age that I want to talk to you about, although my 'theme' is more or less closely connected with that sub-ject. You have all, I think, heard of Pastor Russell, the wonderful American preacher, who has just been inducted to the charge of the London Tabernacle, known all over the United Kingdom and thousands of miles beyond, as the pulpit of the revered Spurgeon? Mr. Russell has achieved a position in the world of re-ligious thought unequalled by any living Divine. And, curiously enough, he deliv-ers his message to far more people 'out-side' the church than could ever be brought together within the walls of the largest temple in the Universe. His sermons and writings have won for them-selves an extraordinary popularity in America and I am credibly informed that Pastor Russell's printed books on religious subjects are excelled in circulation only by the Bible itself. Just think what this means. It means that millions of people all over the world have found something in Pastor Russell's sermons, essays and Now, therefore, in the name of the discover in any other religious writings

A Weekly Talk.

from the pen of Pastor Russell. A 'ser-monette' Mr. Russell himself calls it, but I have an idea it will be found to be something more, something fuller, than merely a condensed sermon. I have been reading a selection of the famous Pas-tor's religious writings, and they appeal to me as being more of the nature of quiet, discursive talks on serious subjects than sermons or pulpit deliverances of the conventional description. Pastor Russell is a clear, easily understood thinker; he schews dogma and all subtleties of form and faith, and he says what he has to say on the great truths of religion and morals in plain but always beautiful language. He speaks and writes not only to the or-dinary church-goer, as we accept the phrase, but to all intelligent men and wo-men, and I for one can quite well appreciate the unparalleled popularity which he has achieved in America—a popularity. I feel convinced, he will very soon equal in this country. Pastor Russell's talks will begin in the Journal next week, and I am hopeful that they will be an extremely popular feature of the Journal."

The Press of America.

Pastor Russell's popularity abroad does not deprive him of the honor of preaching to the largest congregation in America. Surprising as it may seem, his sermons are at present published in more than one thousand proximately ten million homes weekly. Last June and July, while making a trans-continental tour to attend the Bible Students Convention at San Francisco, Pastor Russell made several stops en route, and the reception everywhere accorded the "American Spurgeon" was most heart-cheering.

Many excellent accounts of his meet ings were published. "The San Francisco Call," in making reference to what other papers were saying, interestingly summarized as follows:-

"Pastor Russell's given name has been lost to public record during the last ten years, in which he has been famous as the great 'Pastor'—plain Pastor Russell—who has swayed hundreds of thousands in this country and abroad.

"Do they come to hear him? Well, rather! So far it has been impossible to engage a hall large enough to hold the crowds. Dreamland Rink has been hired for this occasion. In Kansas City, Denver, Salt Lake and Los Angeles the Pasters and his faithful crown hay taken the tor and his faithful crew have taken the populace by storm. The newspapers have given him more space than a war scare and print his speeches like a Presidential

Round-the-World-Tour.

Pastor Russell, during the winter and spring months, is scheduled to lecture in Honolulu, Tokio, Hongkong, m31-apr21 Manila, Calcutta, Bombay, Madras, Columbo, Cairo, Alexandria, Athens, Corinth, Rome and London. This trip will undoubtedly bring Pastor Russell many interesting experiences and mons, which we are pleased in this

CHURCH ST. PETER'S KINGDOM KEYS

Pastor Russell Claims to Be a True Catholic.

The Catholic Church - Its Divine Foundation-Apostolic Authority-St. Peter's Keys-How He Used Them. How "Keys of the Kingdom"-What Power and Authority Given the Apostles-May Sins Be Absolved?

Atlanta, Ga., March 21. - Of Pastor Russell's wo discourses here today we report the one on Matthew 16:18. "Upon this rock will I build My Church; and the gates of Hell [Hades, the grave] shall not prevail against it. And I will

give thee the keys of the Kingdom." For some unaccountable reason, the Pastor began, numerous Catholics have gotten the thought that I am their foe. Just as Presbyterians, Methodists, Episcopalians, Baptists, etc., have the impression that I am their foe. I am a foe to no human being. especially to no Christian. He then explained at length that he fully befleves in Free Grace, Election, Immersion, etc., and at the same time showed wherein he differs from the various denominations on these important doctrines. Similarly, he declared, he holds the great Catholic doctrine that there is only one true Church, founded by the Lord Jesus Christ, through

His Apostles, nineteen centuries ago. The speaker declared that he is ware that several churches claim to be Catholic, each reprobating the others as heretics; that he holds that the word catholic means general, and when the word is limited by the use of the terms Greek, Anglican, Roman, etc., to that extent true Catholicism is denied. In other words, he believes that the one catholic, or universal, or general, Church of Christ is that mentioned in the Bible-"The Church of the First-borns, whose names are written in Heaven." If this be admitted, his next proposition is that the Lord records as members of His true Church all saintly persons in all denominations and out of all denominations-and no others.

The spirit of sectarianism, he declared, began to manifest itself in St Paul's day. The Apostle, in writing to the Corinthian Church, deplored that spirit of division which was creeping into the Church, and showed that it true Head of the Church. His true representatives and His true members. The trouble is the same today. The entire foundation of divided Christianity would disappear and the true Church would be speedily manifest, if

truth Catholicity were acknowledged. The great obstacle to true Christian unity, the speaker holds, is the erroneous doctrine of the eternal torture of all non-church members. Many of the theories that have come down from the Dark Ages were not taught by Jesus and the Apostles. The catholic Church. the true saints of God of all denominations, should promptly move back to the foundation doctrines Divinely provided in the Scriptures. The voice of God to the Church came through "the twelve Apostles of the Lamb." All others so claiming are denounced by Jesus Himself as false.-Rev 2:2 The Church Founded Upon the Rock.

From his context the Pastor showed that on one occasion St. Peter had made the first public declaration of Jesus' Messiahship. Jesus replied in the words of the text. In the Greek Peter signifies a small stone, while the word rendered rock signifies a founda tion stone. What Jesus evidently meant was that St. Peter's statement was a recognization of the Master as the great Foundation of the Divine Plan-the Messiah. Upon that foundation truth-that Jesus is Christ-the Church would be built, and St. Peter was the first who by confession became of the living stones (1 Peter 2:5) to build himself upon that Foundation. St. Peter himself gives us this thought -that he and all other members of the Church are living stones, being builded into a boly Temple of God.

The entire Gospel Age has been devoted to finding and building these stones upon that great foundation Truth-Rock. As soon as the Temple is completed, the New Dispensation will be inaugurated. The gates of Hell -Hades, the tomb-shall not prevail against the Church; for they shall come forth in the First Resurrection

The Keys of the Kingdom. The keys of the Kingdom, the speaker explained, are Scripturally shown to be two in number and used in two different opening works. A key is symbolic of authority. St Peter used his first key of privilege on Pentecost, when he opened the door of the Church of Christ to the Jews. Three years and a balf later he used the second key to the Kingdom of Heaven-the Church, the embryo Kingdom preparing for glory. At the home of Corrichly embellish his forthcoming ser- nelius. St. Peter opened another door of opportunity, through which have issue to introduce to our renders and been admitted believing Gentiles-Bell's Pine Tar Honey. Antiseptic and announce as a regular weekly feature "that the Gentiles might be fellowheirs with the Jews to the Promise."
