Are You Getting All You Are Worth

Are you wasting your ability in a small job, at a meager salary? Special training will take you out of the rut and fit you for the better positions and higher salaries.

Business will welcome you trained. It has splendid positions waiting for you now. You can begin at a salary greater than you could ever hope to earn as an untrained worker. And your first position will simply be a stepping stone to better ones a little later on.

Begin with us now and you will be ready to start a business career in a few months. You will be able to enter business at the same advantage—perhaps at a greater advantage—than some of our students of one, two or three years ago, who are now in positions paying from \$100.00 to \$2000.00 per year.

Dozens of ambitious young people like yourself have already arranged to make their start with us this fall. Decide today to be one of them.

Let us tell you about our courses. Call, write or phone.
