EUGENE WILL HAVE DOLLAR DAY

Eugene will have a Dollar Day. Wednesday, Sept. 22, has been definitely decided upon, both by the Dollar Day committee of the Lane County Credit Association and the Fair Board.

On this date the merchants of that city are planning to offer for sale goods that possess a far greater value than the dollar for that sum. It will also be the opening day of the Lane County Fair. The committee and fair board are cooperating to make this day one of the biggest events ever scheduled in Eugene, both from the standpoint of the entertainment of the visitor and the standpoint of the wonderful bargains that will be offered for a dollar on that day. Already a number of firms have commenced to get their goods together for that day. The stores will remain open until 9 o'clock in the evening to accommodate those who wish to take in the fair and shop afterwards.

"Use that dollar that is banked away and make big interest on Dollar Day" is the slogan adopted for that day and it is a true criterion of that date, for certainly a dollar that will buy more than 100 cents of value is earning interest.

At the fair grounds in the way of entertainment may be found the Arnold Amusement Company with their full quota of shows. On the race track motorcycle speed demons will vie with one another for speed supremacy. All the attractions that go to make a fair a success will be there.
