AID THE KIDNEYS.

Cottage Grove Sufferers Should Take
No Further Risk.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor,—why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one of the symptoms of kidney diseases, act now, for gravel, dropsy or Bright's disease may set in and make neglect dangerous. Can Cottage Grove residents demand more convincing proof than the following?

Mrs. A. E. Carroll, 302 E. Washington St., Roseburg, Ore., says: "For years I suffered from kidney complaint and spent many days and nights in misery from pains in my back and other kidney disorders. I became irritable and nervous, had dizzy spells and spots floating before my eyes. I had about given up hope of getting relief, when I tried Doan's Kidney Pills. They are the one medicine that gave me relief and kept me on my feet."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Carroll had. Foster-Milburn Co., Props., Buffalo, N. Y.

RHEUMATISM AND ALLIED PAINS —THEY MUST GO!

The congestion of the blood in its flow causes pain. Sloan's Liniment penetrates to the congestion and starts the blood to flow freely. The body's warmth is renewed; the pain is gone. The "man or woman who has rheumatism, neuralgia or other pain and fails to keep Sloan's Liniment in their home is like a drowning man refusing a rope." Why suffer? Get a bottle of Sloan's. 25c and 50c. \$1.00 bottle holds six times as much as 25c size.

Hasten Automobile Pleasures

(Continued from first page.)

And the third prize must not be forgotten—a beautiful Kitchen Cabinet. How many times have you wished that you had one in your home to save you many, many steps. Everything will be right handy, where you do not have to move to get it. Take a stool, sit down to your cabinet and do your work without effort. The cabinet comes from the factory and will be on display soon.

Purchased of Knowles & Graber.

For fourth prize we do not think that we could have picked a better one—a Business College Scholarship at the Eugene Business College. A person finds hard work getting along nowadays unless they have the opportunity of securing an education, and this prize will make it possible for some ambitious person to receive an education free of charge and thus fit themselves for some good position.

The fifth prize will be a \$20 Eastman Kodak. Purchased and on display at the Modern Pharmacy, the famous Rexall store. We feel that we could not have made a better selection for this prize as a picture is something we all prize very highly. Call in at the Rexall store and examine it.

And last, but by no means the least, we want to bring to your mind the ten per cent commission. A cash commission of ten per cent to the members making a cash report each week of the campaign and failing to win a prize. It is impossible for any person to enter this campaign and lose. Every member will be paid for their time, either with a prize or the commission of ten per cent.

Do a thing quick, and you are considered a hustler. Get started in the campaign quick and reap added benefits. The first special prize (\$5 in gold) will mean an added benefit to you for you can win that and still receive the votes to count on the other prizes. It is simply an inducement to determine who the real members are at the earliest possible time. Make a good report and win the prize.

For Men Too

Our campaign is not only for women but men are also eligible. When you figure it down to a business proposition, you can readily see that any man can afford to enter this campaign, as the winner of the Ford Touring Car will be getting the same as \$70 a week for his spare time. The winners of the smaller prizes will also be well paid for their spare time. The commission plan protects one and all from losing.

It is almost impossible to give the details of a proposition like this, so that everyone will understand them, and we want all interested parties to feel at liberty to call at The Sentinel office or phone 159 for all particulars. The campaign manager is now at The Sentinel office to assist all interested parties.

Telephone or call in person at your earliest convenience.

Necessary working supplies will be ready Friday and will be gladly sent to anyone upon request. Do not forget the \$5 in gold to be awarded on Oct. 19.

It's easy enough to push the clock ahead, but you can't hurry time any. You can manipulate tobacco, but only time can age it into VELVET.

Velvet Joe

After the care and expense of selecting the finest Kentucky Burley tobacco, we won't permit it to lose its distinctive fragrance and flavor and good smoking qualities, by artificially rushing the curing.

Every bag, every tin, every humidor of VELVET is filled with tobacco that has been ageing for not less than two years—reaching its full, hearty maturity.

To this natural ageing, VELVET owes its smoothness, its extra mildness, the absolute absence of bite.
