Only one of these nomination blanks will be placed to the credit of each person nominated. Persons making nominations are obligated in no way, and their names will be held secret if so requested.

HOW THE PRIZES WILL BE GIVEN

The wonderful Ford Touring Car will be given to the member who has the most votes at the conclusion of the campaign. The member who has the second highest number of votes will be given the Diamond Ring. See the full list of prizes as they appear in this advertisement. The campaign will last only a few weeks—seven or eight weeks.

As soon as you receive supplies after sending in your name you will then commence to secure subscriptions to The Sentinel (cash, of course), and the price of the paper remains the same (\$1.50 per year.) The full vote schedule showing how much each subscription gets you appears in the receipt book we will send you. Old subscriptions are those taken from people now getting the paper. If you don't understand—ask.

You can secure subscriptions from any place and may employ any of several legitimate ways to get subscriptions. You can write letters, make personal calls, and telephone. Plan a systematic campaign and you will be sure to meet with success. It is suggested that you call on a few friends and acquaintances right now and just see what a nice start you can make.
