AID THE KIDNEYS.

Cottage Grove Sufferers Should Take No Further Risk.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor,—why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one of the symptoms of kidney diseases, act now, for gravel, dropsy or Bright's disease may set in and make neglect dangerous. Can Cottage Grove residents demand more convincing proof than the following?

Mrs. A. E. Carroll, 302 E. Washington St., Roseburg, Ore., says: "For years I suffered from kidney complaint and spent many days and nights in misery from pains in my back and other kidney disorders. I became irritable and nervous, had dizzy spells and spots floating before my eyes. I had about given up hope of getting relief, when I tried Doan's Kidney Pills. They are the one medicine that gave me relief and kept me on my feet."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Carroll had. Foster-Milburn Co., Props., Buffalo, N. Y.

WILL YOU TRADE SPARE TIME FOR AUTO?

(Continued from first page.)

Right now before we say another word let us tell you that the list of nominations as they appear in this issue does not represent at all the actual list of workers. Many names are merely nominations made by their friends and as we have not been able to see all of these people we do not know whether they are going to work. We do know this, that not more than ten per cent of those nominated ever work in their own behalf. There will not be more than four or five that will stick through until the finish so YOU be one of the finishers. You will be doing us a great favor by letting us know whether you intend working or not.

List of Nominations

Below is a list of the nominations as they appear. The list is not down to actual workers yet but we will endeavor to cut out names of those who do not intend to try as soon as possible. The first count of votes will appear next week. Watch for it.

Special High School Benefit

On Saturday, Oct. 23, the High School Athletic Association will give a benefit performance at The Arcade. A special program has been arranged which includes a farce-comedy in one act entitled "Jane's Lovers."

The picture offering for the evening is a great four-reel drama featuring our old favorite, G. M. Anderson, better known as "Broncho Billy." This is a special and was secured at great expense but is worth it as "Broncho Billy" is at his best.

As another added attraction we have another old favorite in John Bunny, who has made millions laugh and drove the blues away. Mr. Bunny has departed from this life but thanks to the moving pictures, he can still be among us and continue to help us see the brighter side of life.

There will also be several vocal solos and instrumental music, all of which will go to make a very enjoyable evening and also help the boys get their football needs. The prices will be very moderate, 10 cents for children and 20 cents for adults.
