The Constellation Club meets Thursday in the hall with Mrs. Boldon as hostess.

Ellsworth Damewood of this city and Miss Eva Myrtle Sturdevant of Lorane and George C. Clark of Thomas and Miss Hazel Brant of Divide were married at Eugene Friday, County Judge Bown officiating in both cases.

Mrs. Mary Smith entertained the ladies' aid of the Presbyterian Church last Wednesday afternoon. About 20 were present and a four course luncheon was served. Mrs. Jackson, Mrs. Harding and Mrs. T. C. Wheeler assisted Mrs. Smith as hostesses. The day was Mrs. Smith's 50th birthday anniversary and the women gave her a pleasant surprise. A pretty flower in a flower pot and a number of smaller gifts were left to remind Mrs. Smith of the occasion.

The Emanon Club met with Mrs. Humphrey Thursday afternoon. Guests were Mrs. E. C. Spray and her mother, Mrs. Harlow, and Mrs. John Sibley. After an interesting social hour dainty refreshments were served. The next meeting will be held with Mrs. Lawrence Phelps on Dec. 2. Mrs. Ernest Sears has been made a new member.

Mrs. J. H. Chambers, Mrs. Joe Porter, Mrs. J. A. Wright and Miss Josephine Wright entertained fifty of their friends at the Wright home Friday afternoon in a very pleasing manner. In a stitch contest Mrs. Frost carried off head honors. In the race to see who could make the best button hole Mrs. Jackson won the honors, while Mrs. Compton carried home the booby prize. The home was decorated with pretty flowers and ferns. Mrs. Robert Sutcliffe gave two beautiful selections on the piano which were enjoyed. A dainty three-course luncheon of salad and wafers, ice cream, cake and coffee was served. Pretty place cards were used.

Mrs. J. H. Boldon will entertain the Constellation Club with a luncheon at the Hotel Oregon Thursday.

### PADS AND FANCIES

The time to jell and jam is upon us. Here are a few hints given by the Editorial Review that every housewife would do well to scan:  
"Did you know it was poor economy to try and use rubbers a second year? Cleanse your cans and buy all new rubbers. It will pay you in the end. That if your pears have an insipid taste the addition of some grape juice will give them a delicious flavor and beautiful color! That a scant teaspoonful of alum added to a large kettle of pickles will keep them very green and make them crisp! That a few drops of pure glycerin put on the edges of your jars before screwing on the lids will prevent mold from forming on your fruit! That your jelly will be firmer and clearer if the filled glasses are stood before sunlight for many hours before putting them on the pantry shelf! That a geranium leaf put in the bottom of a glass of quince or crab apple jelly will give it a delicious flavor and delightful aroma!"

Linoleum or oilcloth may be cleaned without soap by using warm water and a sponge. A little skim milk in the water will help to remove the dirt. The water must not flood the oilcloth, but be put on sparingly. Always keep a sponge in the kitchen and remove any dirt at the time it is made so that the

covering of the floor may never be very dirty.

If silver is to be stored away for some time, pack it with dry flour, and it will remain un tarnished.

To cut hard-boiled eggs in smooth slices, dip the knife in water.

After cleaning brass or copper with salt and vinegar, rub with olive oil, and the metal will not tarnish for a long time.

An apron made with a bib of table oilcloth is a great saver when washing dishes.

When cream will not whip, add a drop or two of glycerin to it and the difficulty will be immediately overcome.

Soup quickly goes sour in the warm days, but it will keep sweet if a pinch of carbonate of soda is added to every quart.

Cakes get very dry in warm weather but if placed in a tin box with an apple they will keep moist. Renew the apple when withered. The cake will not taste.

To prevent any unpleasant odor developing in the water of flower vases, change it daily and put a tiny piece of charcoal in the water.

All dry cheese should be saved and kept for grating.

A feather wing is excellent to dust bed springs with.

Never mix new milk with old if you wish it to keep well.

Skirts have pockets and sometimes buttons on the sides.

The secret of canning fruit is to sterilize it completely and in this way to kill the minute organisms that cause putrefaction and fermentation.

To clean the nickel on stoves and ranges take a piece of woolen cloth, wipe the soot from the bottom of the teakettle and with this rub the nickel. Wipe with clean dry cloth and polish.

Great care must be taken when sealing fruit; screw tops reasonably tight and as the fruit cools and the glass can shrink, the covers should be tightened often until the fruit is perfectly cold.

Sashes remain in favor for day and evening toilets.

Russian inspiration is likely to be seen in many of the new fall costumes.

## Oregon Electric Head Says Business Better

"BUSINESS is better than last year, and is increasing right along," said L. C. Gilman, president of the Oregon Electric Railway, who was in Eugene one day last week. "I believe there is a tendency toward a general improvement."

Mr. Gilman said that the big war orders filled by factories in the east have only a reflective effect upon conditions on this coast, but there seems to be an improvement in the general business conditions anyway.

When a trunk or heavy box has to be moved, put under one end a piece of broom handle a little longer than the article to be moved is wide. Lift the other end of the trunk or box and it will move easily.

To remove mould from walls apply with a large wide brush this solution: One pound of chloride of lime dissolved in one gallon of water.

candidate is practically on an even footing, and the winner of the car will be without doubt the member turning in the most money this week.

The winners for the bonus prize ballots for the past two weeks are as follows: The reports for the past two weeks are unusually close, and the candidates that are after the Ford car, will do some hustling on the offer now in force.

Mr. A. L. Zacharias	75,000

### For the Doubting Ones.

Owing to the outcome of a contest given by The Leader a year ago or so, in which the prizes were never given, some doubtful ones have questioned whether or not The Sentinel will really give away the Ford touring car at the end of the contest now in progress. The Sentinel desires to call the attention of these doubtful ones to the fact that The Sentinel has held several contests, that all agreements were carried out as stipulated and to the entire satisfaction of all concerned. The Sentinel has a reputation of doing exactly as it says it will do. The publisher of The Sentinel is also a permanent resident of the city. All prizes will be given away at the moment the votes are counted. If further proof is necessary, the following statement from O. E. Woodson, from whom the car was purchased, should convince doubtful ones: Cottage Grove, Oregon, Nov. 15, 1915. I hereby certify that on the 23rd day of October, 1915, I sold to Elbert Hede a model 1916 Ford touring car and it is now in his possession.

### Resolution of Condolence

Adopted by Cottage Grove Chapter Nov. 4, O. E. S., upon the death of Bro. W. H. Abrams. Whereas, it has pleased the Great Architect to remove from our midst our late brother, W. H. Abrams, it is but just that a fitting recognition of his many virtues should be had, therefore be it

Resolved, that in the death of Bro. Abrams the fraternity laments the loss of a brother who was every ready to prefer the hand of aid and voice of sympathy to the afflicted of its members; a friend and companion who was dear to us all.

Resolved, that we tender to the family our heartfelt sympathy and while our condolence will not restore their loss, we share with them in their bereavement.

Resolved, that these resolutions be spread on the minutes of the Chapter, and a copy be sent to the family of our deceased brother, and also a copy to our city paper for publication.

Therefore, be it resolved that this Camp extend to the family of said Neighbor their heartfelt sympathy, and feel that the Great Commander above will lighten their burden of grief, and be it further

Resolved, that a copy of these resolutions be presented to the bereaved family of this esteemed deceased Neighbor, a copy published in the city paper, and a copy spread on the minutes of this Camp, and the charter be draped for a period of thirty days.
