Installation and Good Roads at the Grange, Saturday.

In addition to the usual business the grange will install its new officers and initiate some new members. Discussion of the good roads resolution to be presented by the committee appointed some weeks ago also will be given the right of way for the lecture hour at 1:30. Everyone, whether a member or not, is invited to be present and to take part in the discussion. The master is especially desirous that all members shall be on hand promptly at 10:30, as there is much work to be done and the sessions will be crowded. He also sug-

gests that you bring your New Year's dinner to the grange meeting Saturday.

Snakes Are Farmer's Friends.

Medford Mail: A lad of fourteen regarded his companion the other day with a narrative of his experience in killing snakes on the farm during the summer and autumn months. He had destroyed many. The boy did not know, possibly, that he was killing his father's friends in the field. Only venomous snakes should be destroyed, and there are very few of them in this valley. Snakes live on field insects and field mice. Insects and field mice live on father's crops. The bull snake, garter snake, blurracer and other reptiles of the kind are not poisonous and ought not to be killed. They do the farmer a friendly service.

Telephone Meeting.

The annual meeting of the Farmers' Union Telephone Association will be held in the W. O. W. hall, Cottage Grove, the first Monday in January. All affiliated lines are requested to have delegates present.

REX NOTHING but HIGH CLASS PICTURES

New Policy

Starting Monday, Jan. 10

WE WANT TO SHOW the people of Cottage Grove that we do not want to take advantage of them and reduce the quality of our shows. Instead of decreasing we are going to increase the quality and show all feature pictures, the kind that have always been shown here for from 15c to 25c, for the regular admission prices of 5c and 10c. We will not change every day as we believe you will appreciate our policy of "better pictures and longer runs" much more than the regular program and change every day.

We will change pictures every MONDAY, WEDNESDAY, THURSDAY and SATURDAY.

Monday and Tuesday we will show the Pathe "Gold Rooster" plays. Watch for the sign of the gold rooster, it means quality. Wednesday will be "Neal of the Navy." The most interesting and educational serial ever produced. Thursday and Friday the famous Mutual Master Pictures will be shown and on Saturday we will have a Broadway Universal Feature. None but Broadway stars are featured in these pictures and their quality is above questioning.

All of the above pictures are the best money can buy, and think of it; you are to see them at the regular admission price of 5c and 10c—the same price as the "regular program" show.

10c—ALWAYS—5c
