

You've hit the right tobacco

when you fire-up some Prince Albert in your old jimmy pipe or in a makin's cigarette. And you know it! Can't get in wrong with P. A. for it is made right; made to spread-smoke-sunshine among men who have suffered with scorched tongues and parched throats! The patented process fixes that—and cuts out bite and parch. All day long you'll sing how glad you are you're pals with

It's an easy job to change the shape and color of unsalable brands to imitate the Prince Albert tins, but it is impossible to imitate the flavor. Prince Albert tobacco! The patented process protects that!

PRINCE ALBERT

the national joy smoke

You take this testimony straight from the shoulder, men. You can smoke a barrel of P. A. without a kick! It hands out all the tobacco happiness any man ever dreamed about, it's so smooth and friendly. It's a mighty cheerful thing to be on talking-terms with your pipe and your tongue at the same time—but that's what's coming to you sure as you pin your faith to Prince Albert!

FORD HOME, VIEWS OF WAR CHANGING

New York.—Henry Ford, who led the peace expedition which left here December 4 on the steamship Oscar II for Copenhagen, in the hope of bringing about a conference of neutral nations that would end the war, arrived here on the steamer Bergensfjord. He confirmed cable reports that his return had been hastened by illness.

Mr. Ford declared that his views regarding the cause of the war had undergone a marked change. When he left, he said, he was of the opinion that bankers and manufacturers of munitions and armaments were responsible, but he returns with the belief that it is the people themselves, those now being slaughtered, who are responsible.

EAT A SQUARE MEAL AND NOT FEAR INDIGESTION

There are hundreds of people in Cottage Grove who were not in the least bit surprised when they read in The Sentinel that the Modern Pharmacy is selling Mi-o-na on a guarantee to refund the money in case it did not relieve. This remarkable dyspepsia remedy will relieve the worst case of indigestion, headache, dizziness, or the general played-out condition that afflicts everyone suffering with stomach trouble. Mi-o-na does not simply relieve, it aims to cure.

The Modern Pharmacy can tell you of many well known people in this city who this remedy has restored to health, often after they have tried many other methods of treatment with little or no benefit. No other dyspepsia remedy has made so large a percentage of cures as Mi-o-na. It is so large that the Modern Pharmacy stands ready to refund the price to any customer whom it does not help.

The best kind of advertising is the praise of a pleased customer, and there are hundreds in Cottage Grove today praising Mi-o-na because it does what it is advertised to do. A few months ago they could eat nothing without wondering what the result would be. Since using Mi-o-na, they eat what they want and when they want with no fear of suffering. dec26j5

Blue Mountain Has Good Water.

Eugene Register: Verne Apperson of this city, who is home from the Blue Mountain school eight miles southeast of Cottage Grove for the Christmas vacation, recently submitted a sample of the drinking water at the school to A. R. Sweetser, of the University of Oregon for analysis. The tests showed, according to Professor Sweetser's report, that there were present very few bacteria and no evidence of contamination with any disease form. "The water would be rated as excellent," says the report. The water is taken from a mountain creek that flows by the school house.

Rexall Orderlies, in my opinion, are the best laxative to be had, and can be taken by men, women or children." We have the exclusive selling rights for this great laxative. Trial size, 10 cents.
