AID THE KIDNEYS.

Cottage Grove Sufferers Should Take No Further Risk.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor,—why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one of the symptoms of kidney diseases, act now, for gravel, dropsy or Bright's disease may set in and make neglect dangerous. Can Cottage Grove residents demand more convincing proof that the following?

Mrs. A. E. Carroll, 302 E. Washington St., Roseburg, Ore., says: "For years I suffered from kidney complaint and spent many days and nights in misery from pains in my back and other kidney disorders. I became irritable and nervous, had dizzy spells and spots floating before my eyes. I had about given up hope of getting relief, when I tried Doan's Kidney Pills. They are the one medicine that gave me relief and kept me on my feet."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Carroll had. Foster-Milburn Co., Props., Buffalo, N. Y.

A semi-official report from Constantinople, according to an Amsterdam dispatch to Reuter's Telegram company, asserts "the capture by the Turks of a great enemy camp and nine guns and the sinking of an enemy vessel with troops near Seddul-Bahr."

The official communication says:

"General Sir Charles Monro reports the complete evacution of Gallipoli has been successfully carried out.

"All the guns and howitzers were got away with the exception of 17 wornout guns which were blown up by us before leaving.

"Our casualties amounted to one member of the British rank and file wounded.

"There has been bitter fighting near Toporoutz and east of Rarancza and on the Bessarabian frontier. The Russians entered parts of our trenches, but were driven back by reserves in hand-to-hand fighting. One officer and 250 men were taken prisoners."

GIB HIM ONE UB MINE.
By Dainel Webster Davis.

A little urchin, ragged, black,
An old cigar "stump" found,
And visions of a jolly smoke,
Began to hover 'round.
But finding that he had no match,
A big store he espied,
And straightway for it he made a dash
To have his wants supplied.

"I have no match!" the owner said,
"And, even if I do,
I have no match, you understand,
For such a thing as you!"
Down in the ragged pantaloons,
The little black hand went,
And forth it came, now holding fast
A big old-fashioned cent.

"Gib me a box," the urchin said,
His bosom filled with joy;
And calmly lighted his "cigar,"
A radiant happy boy.
Then handing back the box, he said,
As his face with pride did shine:
"Nex' time a gent'mun wants a match,
Jes' gib him one ub mine!"

The above may not be perfect as far as rules of poetry are concerned, but the sentiment makes it worthy of publication.

IS YOUR STOMACH CLOGGED WITH WASTE?

Modern Pharmacy Guarantees to Return Money if Mi-o-na Does Not Relieve You.

"It's a pleasure to sell a medicine when our customers come in afterward and tell us how much good it has done them," said Modern Pharmacy, the popular druggist, to a Sentinel man, "and that is why we like to sell and recommend Mi-o-na, the dyspepsia remedy. We are going to guarantee it in the future, and will return the money to any purchaser of Mi-o-na whom it does not help. That may seem rash but our customers have said so many good words in its favor that we do not expect to have many packages returned.

"Anyone who has dyspepsia, whose food does not digest well, and who has to take thought as to what he can eat, and when, can leave 50 cents deposit at our drug store and take a box of Mi-o-na and if the remedy does not regulate his digestion and help his dyspepsia he can withdraw his money."

This shows great faith in the merit of Mi-o-na. It is really a most unusual medicine and the rapid increase of sales since the Modern Pharmacy introduced it in Cottage Grove shows that it does all that it is claimed to do—relieves dyspepsia, regulates digestion and enables those who use it to eat just what they want with no fear of trouble after.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
