

Prince Albert fits your taste!

Meets the fondest wishes of any man who likes to smoke because it has the *right flavor* and aroma and coolness. It's the most cheerful tobacco you ever did pack in a jimmy pipe or roll into a cigarette. And it's so good you just feel you never can get enough. The patented process fixes that—and cuts out bite and parch!

Listen:

It's easy to change the shape and color of unsuitable brands to imitate the Prince Albert red tin, but it is impossible to imitate the flavor of Prince Albert tobacco! The patented process protects that!

When you fire up your first smoke you'll decide that you never did taste tobacco that hits your fancy like

PRINCE ALBERT

the national joy smoke

For it exceeds in goodness and satisfaction the kindest word we ever printed about it!

Men, we tell you this tobacco will be a revelation to you. So, take this information at 100%, get out the old jimmy pipe from its hiding place or locate the makin's papers—and fall-to!

Your wishes will be gratified at the nearest store that sells tobacco, for Prince Albert is in universal demand. It can be bought all over the states and all over the world! Topsy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidor—and that fine pound crystal-glass humidor with sponge-moistener top that keeps the tobacco in such excellent trim.

SIMPLE REMEDY FOR CATARRH

Just Breathe Hyomei Four Times a Day
and Be Relieved.

A few years ago if some one had said you could treat catarrh by breathing air charged with a healing balsam, the idea would have been ridiculed and it remained for that eminent investigator, R. T. Booth, to discover in Hyomei this wonderful method of treatment.

Hyomei has performed almost miraculous results in treating catarrh and is today recognized by thousands of people as the only advertised remedy for catarrh that can be relied upon to do just what it claims. The complete outfit of Hyomei is inexpensive and consists of an inhaler, a medicine dropper and a bottle of Hyomei.

Breathe the air of Hyomei through the little inhaler druggists will furnish with it for a few minutes four times a day and it will help the worst case of catarrh. It soothes and heals the mucous membrane of the air passages, prevents irritation, and effects complete and lasting relief.

In Cottage Grove there are scores of well known people who have been relieved of catarrh by Hyomei. If it does not help you the Modern Pharmacy will return your money you paid for Hyomei. This is the strongest evidence that can be offered as to their faith in this remedy.
