time I became a member, for
y lodge, I believe this was
ively strong in numbers,
I am not certain as to how
I think about 35 to 40, but the
rship was so badly scattered we
had enough to fill the offices at
y meetings and no work for sev-
years.

the first Masonic funeral in which
er took part as a Mason was that
Brother Yancey, grandfather of
ther H. B. Yancey.

For a number of years we had a
ghty hard time. There was even
lk at times of surrendering our chart-
y, but there were a faithful few of
s who continued steadfast in the faith
and as new people began to settle in
and around Cottage Grove, a new
growth for the lodge began, having a
fair degree of prosperity at about the
time of Brother Geo. Wall's first term
as worshipful master, which has con-
tinued to the present.

Now, brethren, you will have hard
times and your blue spells and will
sometimes have troubles which seem
almost unsurmountable, but I do not
think it possible for you to be com-
pelled to pass through such times as
we experienced in the early days, so
don't give up; stand fast, for the
clouds will surely roll away, and as
time goes on, you will look back with
a smile and wonder why it was that at
the time your troubles loomed so dark
in the foreground while in retrospect
they appear only trival.

DANGERS OF DRAFT.

Drafts feel best when we are hot and
perspiring, just when they are most
dangerous and the result is Neuralgia,
Stiff Neck, Sore Muscles or sometimes
an attack of rheumatism. In such cases
apply Sloan's Liniment. It stimulates
circulation to the sore and painful part.
The blood flows freely and in a short
time the stiffness and pain leaves.
Those suffering from Neuralgia or Neu-
ralgic Headache will find one or two
applications of Sloan's Liniment will
give grateful relief. The agonizing pain
gives away to a tingling sensation of
comfort and warmth and quiet rest and
sleep is possible. Good for Neuritis
too. Price 25c at your druggist.

orm Killer

September... in this battle there
is no lull, and no chance to withdraw
the wounded under fire."

Thousands of dead and wounded
men lay in the open on the plain north
of Pepper Heights, under a hurricane
of shells. Other thousands are among
the stumps of Caures forest, the
wounded in a living death, the dead
left to rot, while the killing continues.
