SELLING OUT

The Watson Mercantile Stock

We Prefer

To pay your money back if the goods are not entirely satisfactory.

We desire to say that our selling out of the Watson Mercantile Co.'s stock has been very satisfactory for 3 good reasons:

1st—Large Sales—Our sale has been very large from the beginning and held up well; the second Saturday's selling has equaled our first Friday and Saturday sales which is new in all our experience in selling out a stock.

2nd—Our Plan of Selling—Our wholesale plan of selling goods and our willingness to exchange goods and refund money has pleased our many customers who are coming back to take advantage of our selling out sale.

3rd—Stock Still Complete—The selling out has been about equal in all lines leaving the stock well assorted and almost as complete as at the beginning of the selling out sale.

HOW LONG WILL IT LAST?

A great many people ask us "how long will the sale last"? Our reply is, we intend to sell out the stock soon as possible
