## NO REASON FOR IT

When Cottage Grove Citizens Show a Way.

There can be no reason why any reader of this who suffers the tortures of an aching back, the annoyance of urinary disorders, the pains and dangers of kidney ills will fail to heed the words of a neighbor who has found relief.

Read what a Cottage Grove citizen says: Mrs. J. E. Lewis, Eighth and Quincy Sts., Cottage Grove, says: "At times I am subject to kidney and bladder trouble. My back aches almost constantly during these spells with my kidneys. For several days at a time I can hardly get about to do my work. I have to take Doan's Kidney Pills to stop the misery in my back and overcome the inflammation. They also put my kidneys in good working order. I take Doan's Kidney Pills when I notice my kidneys are not acting properly and by so doing, avoid any serious kidney trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lewis had. Foster-Milburn Co., Props., Buffalo, N. Y. may10-17

#### AVOID SPRING COLDS.

Sudden changes, high winds, shifting seasons cause colds and grippe, and these spring colds are annoying and dangerous and are likely to turn into a chronic summer cough. In such cases take a treatment of Dr. King's New Discovery, a pleasant laxative Tar Syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. It's already prepared, no mixing or fussing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for over 40 years.
